

We've gone
VIRTUAL!

Making the Connection

Between Patients and Providers

Improving Clinical Care with Modern Treatment Strategies
for Type 1 and Type 2 Diabetes

Sunday, August 23, 2020

Saturday, September 12, 2020

Saturday, October 3, 2020

Saturday, November 7, 2020

Saturday, December 12, 2020

Lectures available online after the conference for pre-registered participants. In order to claim credit, attendees **must** attend the virtual/live conference. Recorded lectures are not accredited and attendees cannot claim credit for watching post conference.

UC San Diego
School of Medicine

Topics

- Patient-provider relationships with a focus on communication methods to improve adherence and persistence
- Oral agents for the treatment of type 2 diabetes and their effect on cardiovascular health
- Injectable therapies, including insulin, for use in patients with type 2 diabetes and their cardiovascular impact
- Time in range and the unmet needs of type 1 diabetes

Designed for diabetes healthcare providers including primary care physicians, endocrinologists, nurse practitioners, physician assistants, nurses, certified diabetes care and education specialists, pharmacists, and other healthcare providers wanting to expand their knowledge of diabetes management.

Visit tcoyd.org/mtc for additional details and registration!

We're excited to bring cutting-edge education to you from the comfort of home for only \$25!

Register at tcoyd.org/MTC Whether you've attended a TCOYD medical education event before or will be joining us for the first time, we've been given the opportunity to rescope our educational events and give our participants a virtual, live conference.

And let your patients know we'll be hosting virtual events for people living with diabetes on October 3, November 7 and December 12.

They can check out tcoyd.org/virtual20 for more info.
