INTRODUCTION

We are happy to share with you that the 5th edition of Dermatology And Allied Sciences Summit (DAAS SUMMIT) has now been approved as a 'Regional Meeting' of the International Society of Dermatology. (ISD). We are happy to have received encouragement and support from ISD. This meeting will therefore carry an additional albeit pleasant responsibility of inviting selected members of ISD from all over the world to witness this unique meeting that stands out from the rest by its signature style of learning and teaching from panel discussions. We plan to have many international faculties from across the globe In addition to the wonderful talent that we always attract from across the country. Delegates and faculty will interact in panel discussions on various topics where the highlight will be freewheeling discussions on practical aspects with not only dermatologists but an expert each from the respective allied specialty. We will also be helping ISD by installing an in house registration and information booth for new members can sign in.

We are honored and pleased to welcome you to 5th DAAS SUMMIT to be held from 29th June to 1st July 2018 at Hotel Eros, New Delhi.

Organizing President Dr. R.P. Gupta	Scientific Chairpersons Dr. Shyam Verma Dr. Archana Singal	Organizing Secretary Dr. Rohit Batra
---	--	--
