# NEUROSCIENCE

## Neuro Science and Mental Disorder

📍 **Rome, Italy**

**June 29-30 | 2023**

Organized by:

UNITED RESEARCH FORUM would like to gratefully acknowledge and thank the following organizations for their support & collaboration for the Neuroscience and Mental disorder 2023

# INTERNATIONAL COLLABORATIONS

## Scientific Partners

## Media Partners

# Why Get Involved in Neuroscience and Mental disorder 2023 Scientific Program

## 1-TO-1 INTERVIEWS

One-on-one interviews with industry CEOs paving the way, followed by an audience Q&A.

## INNOVATION PITCHES

Smaller groups of delegates and speakers in discussion around a vital theme or topic.

## EXCLUSIVELY IN-PERSON

Connecting peers face-to-face safely in a physical venue, completely offline.

## INNOVATION PITCHES

An opportunity for the bold ideas to be showcased to industry leaders and stakeholders.

**10 hours  
of Networking**

**100+  
Organizations**

**Keynote  
Addresses**

**50+  
Countries**

**150+  
Posters**

**500+  
Delegates**

**Direct access to  
international key  
decision makers**

**More than  
70+ Presentations**

**Over 40+  
Thought Leaders  
and Expert  
Speakers**

# SPONSORSHIP & EXHIBITING OPPORTUNITIES

We invite all Sponsor / Exhibitors this is your opportunity to engage directly with delegates and participants from around the globe and meet your company's marketing and profile. Your stand will be highly visible and attract significant footfall, located near to catering areas, poster stands and break-out spaces. Neuroscience and Mental disorder 2023 can offer you a tailored package to suit your budget and marketing objectives.

| Sponsorship                   | Media | Bronze       | Sliver       | Gold         | Exhibitor    |
|-------------------------------|-------|--------------|--------------|--------------|--------------|
| Prices                        |       | \$4999       | \$6999       | \$8999       | \$1499       |
| Company logo on Event Website | ✓     | ✓            | ✓            | ✓            | ✓            |
| Verbal Recognition at Event   |       | ✓            | ✓            | ✓            |              |
| Social Media Mentions         | ✓     | ✓            | ✓            | ✓            |              |
| Ad in Program                 | ✓     | ✓            | ✓            | ✓            | ✓            |
| Sponsor showcase              |       |              |              | ✓            |              |
| Entry Pass                    |       | 2<br>Persons | 4<br>Persons | 7<br>Persons | 2<br>Persons |

**Neuroscience and Mental disorder 2023** invites abstracts for oral, poster, workshops, symposia, and for videos to be presented in a hybrid program! Submissions may address any global health topic. The Scientific Committee will endeavor to schedule and allocate abstracts according to authors' preferences but reserves the right to decide on the final form of presentation. All accepted conference abstracts/papers will be published with ISBN and DOI in Conference Proceedings.

## Topics included but not limited to:

- Neuroscience and Neurology
- Neuroimmunology
- Psychology and Mental Health
- Paediatric Neurology
- Peripheral Nervous System
- Neuromuscular disorders
- Alzheimer's disease
- Parkinson's disease
- Brain Injury and Brain Tumours
- Epilepsy
- Anatomy
- Human Brain Mapping
- Neurosurgery
- Robotic Neurosurgery
- Brain Structure and Function
- Alzheimer's disease
- Amnestic
- Amyloid

URF PUBLISHERS  
CONNECT WITH RESEARCH WORLD

JIH

JOURNAL OF  
**INTEGRATED  
HEALTH**

Discover this journal online at [urfpublishers.com](http://urfpublishers.com)

We believe your paper deserves to meet its ultimate research destination. With the aim of locating your research to the right destination, Neuroscience and Mental disorder 2023 has amplified its publication opportunities by partnering with URF Publishers. The Journal of Integrated Healthcare (JIH) aims to represent and publish research articles on high interest in multidisciplinary range of healthcare areas delivered by clinicians and healthcare professionals involved in delivering integrated healthcare. It promotes medical research for clinicians, basic scientists, and others in advancing the integration of multiple disciplines into diverse health care settings, entertains original research articles focusing on various streams of health sciences. Articles with clinical interest and implications will be given preference. All participants will be encouraged to submit an extended full manuscript to one dedicated Special Issue in "Journal of Integrated Healthcare" on discounted Article Processing Charge (APC) and will be subjected to double-blind reviewing process and will be published electronically with an ISSN a DOI Number.

## HYBRID EVENT

We are going hybrid integrates both physical and virtual event in a unique experience designed with the user at the heart of it all.

## CPD & CME ACCREDITED EVENT

Neuroscience and Mental disorder 2023 is now committed to being a valuable partner with the THE CPD GROUP & Jordan Medical Council

## EDUCATIONAL VIDEO COMPETITIONS

We are announcing Video Competitions for all Healthcare Professionals.

## SPONSORING & EXHIBITING

Sponsor & Exhibit at URF events, Highlight your brand and position yourself as a Professional Healthcare Champion.

## UR FORUM BURSARY SCHEME

Grants are now available that help early career researchers with funds to any of the URF Conference. Become a Member of URF to apply for a GRANT.

## QUIZ COMPETITION

We are conducting Quiz Competition, all student delegates who are desirous in participating can get ready with your team

## UR FORUM AMBASSADOR

The URF Ambassador Referral program is meticulously designed to encourage participants to promulgate information about the esteemed URF conferences.

## MEMBERSHIP

Become a Member at the time of registering to Neuroscience and Mental disorder 2023 and your savings are equivalent to getting your membership for FREE.

## About Conference:

United Research Forum, UK is proud to host International Conference on Neuro Science and Mental Disorder going to be held on June 29-30 | 2023 to bring together a unique and international mix of experts, scientists, researchers, and students to exchange and share their experiences and research outcomes on all elements of Food Technology and Nutritional Sciences .

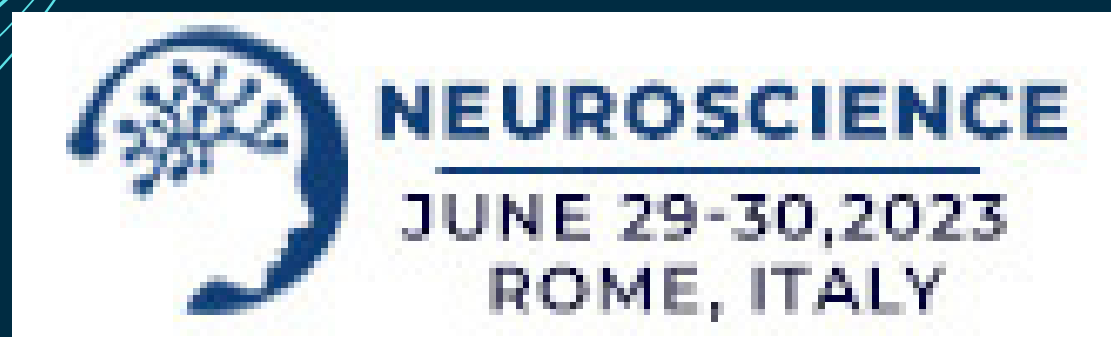

Neuro Science and Mental Disorder 2023 offers an unprecedented program with a great list of famous speakers, wide scope of exceptional sessions including Abstract publications in respected journals. Our Neuro Science and Mental Disorder 2023 is prestigious for its idea and forefront content, unmatched networking opportunities, and speaker benevolent climate. We provide sharing and learning about the latest research on Neuro Science and Mental Disorder and other relevant Neuro Science and Mental Disorder. We warmly welcome you to join our Neuro Science and Mental Disorder 2023 Research to attend the conference and share the experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

## Online Abstract Submission:
