2018 ICJR EAST ISK HIP & KNEE COURSE

NEW YORK MARRIOTT MARQUIS
NEW YORK, NY
OCTOBER 11 – 13, 2018

www.icjr.net/2018east

Founded in 2007, ICJR is a 501(c)(3) non-profit organization that provides quality educational experiences and content for the global orthopaedic surgery community. This is accomplished through live CME meetings and a website featuring surgical videos, articles, and news on joint replacement of the hip, knee, and shoulder.

ICJR EAST ISK HIP & KNEE COURSE

NEW YORK, NY | OCTOBER 11–13, 2018

JOIN US IN NEW YORK CITY FOR THE EAST COURSE!

Over the past 19 years, this meeting – a collaboration of ICJR, the Insall Scott Kelly Institute, and the European Knee Society – has evolved into one of the most comprehensive and rewarding learning experiences for new and experienced orthopaedic healthcare professionals.

An invited faculty of leaders in orthopaedic surgery will focus on concepts in knee and hip replacement and practice management, including:

- Enhanced recovery arthroplasty
- Surgical approaches, components, and bearing surface choices in THA
- Complications of THA and indications for revision procedures
- New techniques and technologies in THA and TKA
- Current controversies
- Knee injuries and extensor mechanism management

We look forward to seeing you in New York this fall!

If you require special accommodations, contact ICJR by email at info@icjr.net or call +1-760-942-7859 a minimum of 30 days before your arrival so that we may assist you.

ACCREDITATION

TARGET AUDIENCE

This course is designed to meet the educational needs of orthopaedic surgeons, allied healthcare professionals, fellows, residents, and mid-level providers whose scope of practice includes total hip and knee arthroplasty.

LEARNING OBJECTIVES

- Review the Comprehensive Care for Joint Replacement (CJR) Model and gain a better understanding of the bundle and its implications on the practice of orthopaedics
- Explore the emerging trend of outpatient hip and knee replacement and strategies for enhanced recovery arthroplasty
- Develop an approach to the diagnosis and management of the young adult with a painful hip
- Evaluate the state of the art and future trends in primary total hip and total knee arthroplasty
- Develop and hone an algorithmic approach to the management of total joint arthroplasty patients, including candidates for rapid rehabilitation and outpatient arthroplasty
- Identify characteristics of the problematic total joint replacement and understand the treatment options for a failed hip or knee replacement

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Foundation for Orthopaedic Research & Education (FORE) and International Congress for Joint Reconstruction (ICJR). FORE is accredited by the ACCME to provide continuing medical education for physicians. FORE designates this live activity for a maximum of 17.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
