WOUND CARE  
WITH A MISSION

*"MWCM was the first educational experience on wound care where I truly felt involved and connected."*

## WHAT makes MODERN wound care management so UNIQUE?

- A true interdisciplinary approach to wound care with input from multiple specialties
- Case-based studies that bring to light novel ways to treat patients
- More proactive audience participation and interaction with national experts in wound care
- Emphasis on networking with social events that capitalize on that opportunity

## IF THE SHOE FITS... DONATE IT!

Our greater mission is to raise awareness and money to purchase special diabetic shoes & orthotics for disadvantaged / homeless patients suffering from current or past diabetic foot ulcers. Evidence shows that custom-made, properly fitting shoes can prevent amputation in diabetic patients with severe neuropathy.

We invite you to participate in our campaign by joining us in the Ribbon Campaign, the 5K Fun WALK/RUN on Saturday Morning, and the Friday evening Welcome Reception with a Karaoke fundrasier. \$5 per song.

### MWCM TOPICS INCLUDE wound care centers:

CHALLENGES AND SOLUTIONS

RADIATION

INFECTIONS

DIABETIC FOOT ULCERS

ARTERIAL AND VENOUS

HANDS ON CASTING WORKSHOPS

CASE DISCUSSIONS
