Spring
Seminar

Dear ACOEP Family,

I'm reaching out to personally invite you to the **2025 ACOEP Spring Seminar**, which will take place **April 27–May 1** at the **Renaissance Phoenix Glendale Hotel & Spa**. This annual gathering is an essential opportunity for us to come together as a community, learn from each other, and continue advancing emergency medicine.

As you know, ACOEP takes pride in being more than just an organization—it's a family. And the Spring Seminar reflects that. It's a space where we blend high-impact education with the connections that sustain and inspire us in our work.

What You Can Expect:

- **Targeted Learning:** Sessions and workshops built to address the challenges and opportunities you face in today's fast-changing clinical environment.
- **Resident and Student Programming:** Our Resident and Student Organization (RSO) will offer two days of focused programming, featuring lectures, labs, and a Residency Fair, providing valuable resources for residents and students preparing for careers in emergency medicine.
- **Research Competitions:** Participate in or support the **Case Study Poster Competition** and **New Innovations in Emergency Medicine Competition**, celebrating the ingenuity and talent in our field.
- **Meaningful Networking:** Whether it's reconnecting with colleagues or meeting new faces, this event is the perfect setting to strengthen your professional community.
- **Time to Recharge:** Taking time to step back, reflect, and refocus is just as important as the work we do every day.

This event is designed with you in mind. We're bringing together impactful education, fresh perspectives, and the supportive community that makes ACOEP so unique. Whether it's your first Spring Seminar or you've been attending for years, I encourage you to make time to join us.

You'll find all the details, including registration and accommodations, **here on the ACOEP website**. If you have any questions or need additional information, don't hesitate to reach out.

Let's make the **2025 Spring Seminar** a success together. I look forward to seeing you there!

FOEM Competitions

Case Study Poster Competition

The Foundation's Case Study Poster Competition is scheduled annually during the Spring Seminar of the American College of Osteopathic Emergency Physicians (ACOEP). The competition is open to all emergency medicine professionals.

Each presenter will be assigned a fifteen (15) minute time frame in which they will present their poster to an audience of physicians and their peers. Posters will be digitally displayed in an interactive forum with a variety of presenters presenting simultaneously. Presenters will be

expected to present their poster and answer questions regarding the case to those in attendance.

New Innovations in Emergency Medicine Poster Competition

The New Innovations in Emergency Medicine Poster Competition is scheduled annually during the Spring Seminar of the American College of Osteopathic Emergency Physicians (ACOEP). The competition is open to all emergency medicine professionals. This competition allows residents and faculty at current emergency medicine residencies to feature educational innovations they have created and use at their residency site. This may include: simulation, EM education, journal club, applicant evaluation, medical student education, etc.

All entries must be submitted on the designated form, found on the ACOEP's website or at the end of this document by the deadline of **Saturday, March 8, 2025 at 11:59PM CST**. Entries received after this date will not be accepted. All applicants will be notified of their acceptance or non-acceptance by ACOEP via email. Accepted applicants will be provided with the date and times for display and judging. If you are not accepted, your application fee will be refunded.
