INVITATION

WRMI25

Dear Colleagues,

On behalf of Episirus Scientifica, it is with great pleasure and excitement that we extend a warm welcome to you for the upcoming World Radiology & Medical Imaging Conference 2025, to be held in the vibrant city of Bangkok, Thailand. This prestigious conference will take place from March 08-09, 2025, bringing together leading experts, researchers, and healthcare professionals from around the globe. This international meet (WRMI25) in collaboration with national and international societies anticipates hundreds of participants including Keynote speakers, Oral and Virtual presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in radiology, medical imaging etc. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world-class Radiologists and Medical Associations.

Our theme "Radiology and Medical Imaging : Challenges and Opportunities in the 21st Century". This theme embraces the diversity of perspectives and experiences from different regions of the world. It encourages participants to share insights and best practices from their respective countries, fostering a global dialogue to address the unique challenges faced in different healthcare systems.

Life is full of give and take, make it count in your professional life. Attend the Radiology Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Bangkok.

Sincerely,

WRMI25

Bangkok, Thailand Attractions

Bangkok is the favorite destination for tourism and shopping on account of its global connectivity, great infrastructure, friendly atmosphere and economic cost of living. All these factors contribute to influencing people's decision to come to Bangkok for medical care, treatment, and medical conferences. Bangkok along with the abundance of flight in and out of Bangkok International Airport, the ease of acquiring Visas* on arrival, and a wide range of options for accommodation are also available.

So, in the upcoming year **Episirus Scientifica** has scheduled the World Radiology & Medical Imaging Conference **2025** in the beautiful city which is an example of sustainable development, Bangkok, to bring together the world's best leading experts, researchers, scientists, professors, medical device manufacturing companies and the most respected leaders to exchange and share their meaningful experiences of various methods involved in Endocrinology and Cardiovascular.
