

2019 Board Review Course

April 24-26, 2019

**Hyatt Regency Baltimore Inner Harbor
Baltimore, MD**

www.pedsendo.org

Course Information

This unique event is offered by the Pediatric Endocrine Society to provide targeted preparation for the Pediatric Endocrinology Boards and the Pediatric Endocrinology Recertification Exam. It is also an intensive review of Pediatric Endocrinology for Pediatricians and Adult Endocrinologists.

Program/Event Description

The Pediatric Endocrinology Board Review 2019 offers both general review and targeted test preparation for certification/recertification in pediatric endocrinology. The course utilizes formal didactic sessions, as well as informal question/answer opportunities and social interactions with educational leaders in the field.

Objectives of the Program

- 1.) Provide a framework for ongoing independent learning for individuals preparing for certification and recertification in Pediatric Endocrinology.
- 2.) Offer a structured didactic and interactive educational experience in Pediatric Endocrinology for other interested physicians, including pediatric endocrinologists who will not immediately be preparing for a recertification exam, adult endocrinologists and general pediatricians who desire an intensive update in pediatric endocrinology.

Target Audience

Any physician preparing for the Pediatric Endocrine Boards or looking for a review of Pediatric Endocrine topics.

Course Schedule

The Course will begin with Registration on Wednesday, April 24th at 11:00am. The first session will begin at 1:00pm. The Course will consist of individual sessions, followed by a panel discussion, audience participation questions and then small group discussions. The course will conclude by 11:00am, Friday, April 26th.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Credit Designation Statement

Amedco LLC designates this live activity for a maximum of 17.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Physicians

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and the Pediatric Endocrine Society. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
