

Tenaya Lodge Just a few minutes from the south entrance to the park, Tenaya Lodge offers a scenic and tranquil setting, delightful restaurants, and a top notch spa to massage away the aches and pains from a day of hiking the waterfalls, biking the trails, or rafting the river.

The Lodge's expert activities staff and Guest Experience Center can book you into a variety of alpine activities. Each of the guest rooms has a mountain lodge feeling with individual climate control, coffee maker, iron/board, hair dryer, cable TV, and safe. There are both indoor and outdoor pools as well as a fitness center. From the grand lobby to the graciously appointed guest rooms, you'll find the best national park experience during your stay.

PARK ENTRY FEE: \$30 7-day pass per vehicle (no per-person fee.)
\$60 Annual Pass. **Park entrance fees subject to change without notice.**
See <http://www.nps.gov/yose/planyourvisit/fees.htm> for more information.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. All rooms are non-smoking.

Deluxe Room: \$244
• Single/double occupancy plus 10% tax and 1% County Tourism Assessment.
• \$25 each additional adult over double occupancy. Maximum of 5 guests per room.

DEPOSIT REQUIRED: Credit card required to hold your room. Rate and availability not guaranteed until deposit received. 30 days prior to arrival credit card will be charged by hotel the full amount for entire reserved stay plus tax.

CANCELLATIONS: Cancellations or change of reservation accepted without penalty until 31 days prior to arrival. Inside 31 days you will be charged for the entire reserved stay plus tax and service fee. This includes shortening your stay or changing room type. Hotel policy—No exceptions allowed for any reason. Travel insurance is recommended. **Trip insurance recommended.**

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, CRNAs, physician assistants, registered nurses, and other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: See our website www.nwas.com for CEC approval information.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

“ Half Dome is perhaps the most recognized symbol of Yosemite, rising over 4,000 feet above the Valley floor. ”

Yosemite embraces a spectacular tract of the Sierra Nevada, which was set aside as a national park in 1890. As the crown jewel of the National Park system, Yosemite has been an unforgettable scenic wonder and vacation destination for over 100 years. Here you will find sheer walls of granite, numerous waterfalls, towering Sequoias, and a ceramic blue sky. Yosemite Valley, about 3,000 feet deep and just a mile or two wide, is known for its landmark rock formations. Half Dome is perhaps the most recognized symbol of Yosemite, rising over 4,000 feet above the Valley floor. Most agree that the vista views of the high country and Yosemite Valley, including Half Dome and three waterfalls, are the most spectacular in the park. Find a quiet spot during early morning or early evening and you may catch a glimpse of wildlife in action, including bear, raccoon, coyote, and deer.

With museums, historic buildings, and cemeteries, Yosemite National Park is rich in cultural history. Far from city lights, the dark night sky is kept bright by the countless stars. Take your pick of over 150 activities such as hiking, horseback riding, wagon safari, jeep tours, fishing, swimming, painting, photography, mountain climbing, wall climbing, logging train rides, white water rafting, bird watching, shopping, spa treatments, panning for gold, or cross country, trail, and downhill mountain biking.

The park is approximately 1-1/2 hours from Fresno Yosemite International Airport (FAT) and 4 hours from both Oakland International Airport (OAK) and San Francisco International Airport (SFO). Having a rental car is suggested to give you full access to all the park has to offer. See <http://www.nps.gov/yose/> for more ideas.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel1.com

Rev. 11/10/15

SCHEDULE

Monday, June 13

0700	Registration – Mandatory Sign In – Continental Breakfast	
0725	Welcome	NWAS Staff
0730	The Role of Premedication in Pediatric Anesthesia	M.Vadi
0830	Kids with Colds: Implications for Anesthesia	M.Vadi
0930	Break	
0945	What's New in Neuroanesthesia	K.Domino
1045	The Unstable C–spine	K.Domino
1145	Anesthesia for Patients with Hepatic Disease	M.Malkin
1245	Adjourn	

Tuesday, June 14

0700	Registration – Mandatory Sign In – Continental Breakfast	
0730	You Want Me to Go Where?: Anesthesia in the MRI Scanner	M.Malkin
0830	Anesthetic Considerations during Robot-Assisted Surgery	M.Malkin
0930	Break	
0945	Local Anesthetic Systemic Toxicity	M.Vadi
1045	Anesthesia for Patients with Anterior Mediastinal Masses	M.Vadi
1145	Anesthesia for Major Spine Surgery	K.Domino
1245	Adjourn	

Wednesday, June 15 – Open Day

Thursday, June 16

0700	Registration – Mandatory Sign In – Continental Breakfast	
0730	Perioperative Management of the Hypertensive Patient	K.Domino
0830	Payment Reform for Anesthesia Providers	K.Domino
0930	Break	
0945	Massive Transfusion	M.Malkin
1045	Neuraxial Blockade and Anticoagulant Therapy	M.Malkin
1145	Surgical Fires: Prevention and Management	M.Vadi
1245	Adjourn	

Friday, June 17

0700	Registration – Mandatory Sign In – Continental Breakfast	
0730	Non–Cardiac Surgery in the Adult Congenital Heart Patient	M.Vadi
0830	New Devices for Airway Management	M.Vadi
0930	Break	
0945	Propofol Sedation Systems	M.Malkin
1045	The Disruptive Technology of Sedasys: A Primer for Anesthesia Providers	K.Domino
1145	Safety of Sedation and NORA	K.Domino
1245	Adjourn	

20 CME I / 20 CEC / Pharmacology TBD†

Children and non-registered guests are not allowed to attend the lectures.

To register for this program and reserve your hotel room, please visit our website: www.nwas.com or call (800) 222-6927.

Northwest Anesthesia Seminars
Continuing Education for the Anesthesia Professional

Anesthesia Update

Yosemite National Park, California

June 13–17, 2016

BAYLOR
Health Care System
A. Webb Roberts Center for Continuing Medical Education

FACULTY

Karen B. Domino, MD, MPH

Professor of Anesthesiology
Adjunct Professor of Neurological Surgery
University of Washington School of Medicine
Staff Anesthesiologist, University of Washington School of Medicine
Seattle, Washington

Mathew Reed Malkin, MD

Assistant Professor
Department of Anesthesiology
Loma Linda University Medical Center
Loma Linda, California

Marissa Gómez Vadi, MD, MPH

Assistant Professor of Anesthesiology
Assistant Director of Non Operating Room Anesthesia
Department of Anesthesiology
Loma Linda University Medical Center
Loma Linda University School of Medicine
Loma Linda, California

Course Registration

13JUN16 – 16JYP

TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early <i>(Paid by 3/15/16)</i>	\$900	\$850	\$750
Regular <i>(Paid after 3/15/16)</i>	\$950	\$900	\$800
Daily: 1 st Day Attending	\$315	\$295	\$225
Additional Day(s)	\$220	\$210	\$200

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 April 14, 2016 to May 14, 2016. No refund after May 14, 2016; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
