NEEDS & OBJECTIVES

EDUCATIONAL NEEDS

Physicians, dentists, attorneys and educators who practice in the health care industry and its related fields recognize that the practice of medicine is complicated by abundant legislative requirements, administrative rules and regulations and Federal/ State court decisions interpreting those laws. It is difficult to maintain a working knowledge of these developments. This meeting will provide details of new legislation, rules and court decisions, societal changes and shifts in the marketplace that will impact the practice of medicine, special and vulnerable populations in particular. Key changes impacting the practice of medicine and law during the past one to two years include: fraud investigations against health professionals, the ethical and legal issues of individuals with traumatic brain injury, the push delivery of care models that emphasize quality and safety within multidisciplinary teams, challenges to the Affordable Care Act, issues with vaccinations and personal exemptions, and individuals with mental health problems in front of civil and criminal courts.

OBJECTIVES

The 58th Annual Conference of the American College of Legal Medicine will focus on topics related to the intersection of health law and vulnerable/special populations. By the conclusion of this meeting, participants should be able to:

1. Describe recent legislative and court opinions affecting medical and dental practice.
2. Integrate medical and legal ethics into their daily practice.
3. Identify techniques for overcoming personal impediments to a fulfilling professional practice.
4. Explain legal and ethical challenges of dealing with vulnerable and special populations.
5. Translate the impact of globalization on public health, epidemics and the use of police power to enforce quarantines and mandate vaccinations.
6. Integrate new regulatory changes into current practice.
7. Identify the advantages and disadvantages of Medicare/ Medicaid fraud enforcement.
8. Explain the legal issues affecting adolescents refusing medical care or accessing certain medical services on their own.
9. Describe dental and legal issues involved in today's health care.

CME ACCREDITATION STATEMENT

The American College of Legal Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medicine education for physicians.

SPECIAL ASSISTANCE/ACCOMMODATION STATEMENT

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you. Call (847) 752-5355 or email info@aclm.org if you require special assistance to fully participate in the meeting.

POLICY ON FACULTY AND SPONSOR DISCLOSURE

It is the policy of the American College of Legal Medicine that the faculty and sponsors disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be made in the course handout materials.

PHOTOGRAPHY, VIDEOGRAPHY

As part of our mission to provide education, best practices and other information from leaders in their fields, speakers, panelists and audience members should be aware that we may record all or part of the events we organize, including comments from speakers, panelists and audience members. The resulting raw and edited materials, including still photographs, video and audio recordings, and associated verbatim transcripts, may be used by ACLM without restriction, in press releases, white papers, conference collateral, websites and other publications. By attending our events, you acknowledge that you are in a public place, and that attendees (including ACLM volunteers) may capture your image in photos and videos. Nevertheless, we encourage event attendees to exercise common sense and good judgement, and respect the wishes of other attendees who do not wish to be photographed at the events. ACLM uses photos and videos taken at its events for a variety of purposes, including publication on the website. If you see any photos or profiles about yourself on www.aclm.org that you would like removed, please email info@aclm.org.

SUMMARY OF FACTS:

- A 60-year-old male underwent resection of a benign frontal lobe meningioma.
- On September 13, 1995, at 1300 hours, during his first time out of bed, he fell from the bedside commode. There appeared to be no injury as a result of the fall.
- Three days after the fall, he was brought back to surgery for an emergency craniotomy secondary to an acute pneumocephalus. After surgery, the patient remained in a vegetative state until his death soon after.

PLAINTIFF, PATIENT'S DAUGHTER, ALLEGED THAT:

- Nurse and Hospital were negligent for failing to provide adequate safety, which lead to the fall and ultimately the patient's demise.
- Nurse and Hospital failed to recognize a neurological emergency and failed to respond appropriately.
- The defense will argue that the acute pneumocephalus was a known risk of the neurosurgical procedure and that there was no malpractice on the part of the Nurse or Hospital.

TRIAL PROCEDURE:

- Jury Selection
- Opening Statements
- Plaintiff Presents Evidence
- Defense Presents Evidence
- Closing Arguments
- Jury Instructions & Deliberations
- Verdict, Judgment, & Post-Trial Motions
