PHILIPPINES LABORATORY EXPO 2021 is the Philippines' leading laboratory exhibition that highly focuses on scientific instruments and laboratory equipment for various industries, including medical and pharmaceutical, F&B, oil and gas, bioscience, and nano-science.

With the great demand for the development of scientific laboratory equipment and services in the Philippines, this event has been conceptualized to cater to these needs and demands by gathering the professionals and industry experts to showcase the latest scientific instruments and laboratory equipment, to build business networks, and to exchange industry information.

This exhibition also looks after the demands of the Philippines' distributors and scientific dealers that are keen to take in new products to supply to the local market that acts as a support and conduit for their foreign principals.

HIGHLIGHTS OF PHILIPPINES LABORATORY EXPO 2021

- Pharmaceutical Seminars
- International Healthcare Conference
- Medical Technology Seminars
- Dental Technology Seminars

FACTS OF THE PHILIPPINES' GROWING MARKET

- The Philippines is the third-largest pharmaceutical market in ASEAN and was worth \$3.6 billion in 2016. The Filipino pharmaceutical market is predicted to exceed \$4 billion by 2020, expanding at a compound annual growth rate of over 3.5%.
