PRELIMINARY PROGRAM

AANA2017

Nurse Anesthesia Annual Congress ■ September 8-12, 2017 ■ Seattle, WA

Dear Colleagues,

Planning for the 2017 Nurse Anesthesia Annual Congress is nearing completion. Once you see all of the fantastic educational sessions lined up, we're sure you'll agree that this year's Annual Congress will present some of the most interactive, immersive, and cutting-edge learning opportunities ever offered by the AANA.

Join us September 8-12, 2017, in Seattle, for our profession's premier educational, professional, and social event! At the Annual Congress, you'll hear the finest speakers, receive the most meaningful education, and have the opportunity to network with CRNAs and SRNAs from around the country. Here are some exciting highlights to look forward to:

- Educational experiences like none other: a new Business of Anesthesia and the Fundamentals of Practice Management Track as well as sessions that focus on timely topics such as the opioid crisis and enhanced recovery after surgery
- A new welcome reception to kick off the Annual Congress
- A celebration of Agatha Hodgins' 140th birthday and long-lasting legacy
- A comprehensive and up-to-date AANA Meetings app. Use it to find all convention information. We invite you to download it now (search for "AANA Meetings" in the Apple App store or the Google Play store) to learn all about this year's Congress. See you in Seattle!

Sincerely,

Cheryl Nimmo, DNP,
MSHSA, CRNA
President, FY 2016-17

Jan Setnor, MSN, CRNA
*Chair, FY 2016-17
Professional Development
Committee*

AANA Business Meeting — A New Way to Participate

Saturday | September 9

A quorum of 200 members representing 25 states is required to conduct the business meeting. For the first time, at the conclusion of the live streamed meeting, an email invitation will be sent to ALL eligible members of the association to vote on the proposed bylaw amendments and resolutions. Please join your colleagues in hearing the reports of your leadership and conducting the important business of the association.

Cheryl Nimmo, DNP,
MSHSA, CRNA

Jan Setnor, MSN,
CRNA

Social Media & Mobile App

Share your experiences with your peers on social media directly from the AANA Meetings app! Look for the Twitter, Facebook, and Instagram icons. Don't forget to use **#AANA2017** when you post so your message will be easily found in a search.

Kick-Off Orientation & Networking

Get to Know Your Annual Congress

**Friday | September 8
6:30 p.m. – 7:30 p.m.**

Join us for a fast-paced, visual, and interactive overview of the educational and entertainment opportunities available. Enjoy rapid-fire speakers, an energizing video, networking opportunities, and trivia prizes at this get-acquainted and get-acclimated event you won't want to miss!

Pre-Congress Workshops

Airway on Demand

William H. Rosenblatt, MD

Friday | September 8

7:00 a.m. – 3:15 p.m.

The workshop will provide didactic and hands-on instruction to reinforce learned knowledge and skills. William H. Rosenblatt, MD, an expert in airway management, will present airway management best practices under normal and emergent conditions. The morning session features lectures followed by two hours of lab time using state-of-the-art airway equipment and pig tracheas.

Fundamentals in Perioperative Transesophageal Echocardiogram (TEE) Workshop

John Shields, DNP, CRNA

Friday | September 8

7:15 a.m. – 11:00 a.m.

11:30 a.m. – 3:30 p.m.

With didactic and hands-on learning opportunities, this workshop addresses a knowledge gap for CRNAs who may have limited experience using cardiac and TEE simulation tools, as well as intraoperative recordings to monitor cardiac function in real time. John Shields, DNP, CRNA, is an expert in the field of TEE. Select a time that works for you — this workshop will be offered in the morning and again in the afternoon.

Obstetric Anesthesia Hands-on Workshop

Charles A. Reese, PhD, CRNA, NC, USN (Ret)

Michael Rieker, DNP, CRNA, FAAN

Friday | September 8

7:45 a.m. – 3:00 p.m.

Join the expert faculty of this popular workshop as they address clinical applications of obstetric analgesia/anesthesia. This workshop includes a lecture format that will cover normal and abnormal physiology of pregnancy and techniques.

NEW! Neuromuscular Monitoring Workshop

Mark D. Welliver, DNP, CRNA, ARNP

Friday | September 8

12:15 p.m. – 3:30 p.m., Live: three-hour, hands-on workshop

This workshop, taught by a clinical and leading expert, will examine the incidence and outcomes of residual paralysis. Attendees will learn methods to improve management and reversal of neuromuscular blockade through neuromuscular blockade monitoring technologies, including didactic and hands-on instructions.

AANA State Peer Advisors' Workshop

Linda Stone, DNP, CRNA

Olin (Brad) Hutto, MHS, CRNA

Bridget Petrillo, CRNA, APRN

Jessica Switzman, MSN, CRNA

Lawrence Van Atta, CRNA

Loretta (Ann) Bostic, DNP, MBA, CRNA

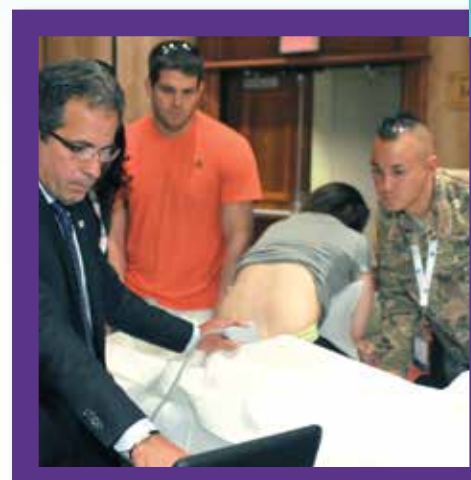

Elizabeth (Laura) Wright, PhD, MNA, CRNA

Friday | September 8

7:00 a.m. – 4:15 p.m.

Workshop offers a collaborative learning opportunity to gain and hone State Peer Advisors' (SPAs) skills using resources, education, and training refreshers to support CRNAs, SRNAs, colleagues, loved ones, and workplaces in situations related to drugs and alcohol. Registration is complimentary to qualified SPA volunteers. Interested individuals and potential future SPAs are also welcome as space permits. For details, email Julie Rice at jrice@aana.com.

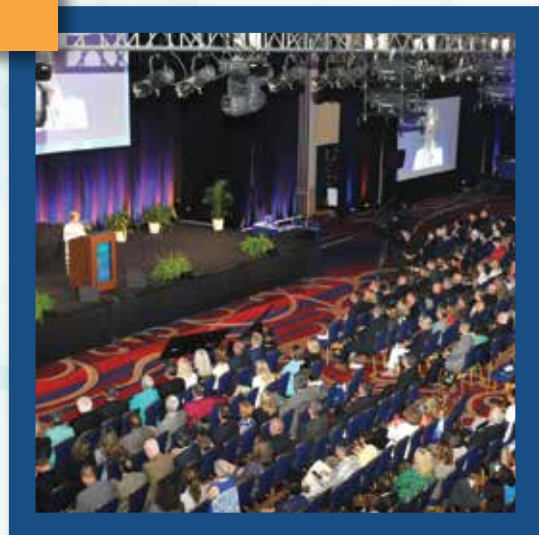

Keynote: Howard Behar

Howard Behar
Starbucks Coffee
President Starbucks International (retired)

Sunday | September 10
2:00 p.m. – 3:00 p.m.

Get energized by renowned business leader and former president of Starbucks Coffee International, who has influenced the lives of many, at all stages of their careers. Howard Behar led Starbucks domestic business in North America and later opened the first store outside of North America in Japan. He participated in the growth of the company from only 28 stores to more than 15,000 spanning five continents. He served on the Starbucks board of directors for 12 years before retiring. You'll be inspired by his commitment to the development of future leaders and success in his advocacy for the servant leadership model.

Enhanced Educational Tracks

NEW! Business of Anesthesia and the Fundamentals of Practice Management Track

September 8-12

The popular AANA Business of Anesthesia Conference is now part of the Annual Congress practice management track. Expand your knowledge of business and practice management, leadership, reimbursement, contracts, negotiation strategies, and practice models. The track is strategically formatted so that SRNAs and CRNAs of all knowledge backgrounds, from novice to advanced, can attend the sessions. Plus, you'll have the opportunity to get advice from faculty during the "Meet the Experts" closing roundtable event.

Enhanced Recovery After Surgery (ERAS) Track

Monday | September 11
Tuesday | September 12

Back by popular demand, the Enhanced Recovery after Surgery track will provide anesthesia care professionals with information related to Patient Goal-Directed Fluid Therapy (PGDT), along with the most up-to-date information on reversal agents.

Continued Professional Certification (CPC) Program Review Track

September 8-12

Review the fundamentals of nurse anesthesia principles and practices related to topics covered in the CPC Program. This track includes a CPC Program overview session with the National Board of Certification and Recertification for Nurse Anesthetists (NBCRNA) and educational topics mapped to the CPC examination. Attendees are encouraged to bring cases (that meet HIPAA requirements) to the "Interactive Case Discussion" for advice from experts in the area of interest.

Special Lectures

Anesthesia Patient Safety Foundation (APSF): Handoffs in the Perioperative Period

Maria van Pelt, PhD, CRNA
Suzanne M. Wright, PhD, CRNA
Aalok V. Agarwala, MD, MBA
Meghan B. Lane-Fall, MD, MSHP

Monday | September 11
4:00 p.m. - 6:00 p.m.

The mission of the APSF is to improve the safety of patients during anesthesia care by encouraging research and education, patient safety programs and campaigns, and national and international exchange of ideas. AANA continues to partner with the APSF to present "Handoffs in the Perioperative Period." Learn the scope-of-care transitions and strategies associated with patient safety implications.

Opioid Crisis/Pain Management Sessions

With the increase in the national epidemic of opioid misuse and abuse, the AANA has felt it is important to bring attention to the issues affecting all nursing practices. This year, the AANA will be addressing the complex problem with the following sessions:

Saturday | September 9
9:15 a.m. - 11:15 a.m.

Opioid Crisis vs. Competency? Pharmacologic Considerations of Opioid Use for Surgical and Non-Surgical Pain Management Panel

Sunday | September 10
7:00 a.m. - 8:00 a.m.

Opioids vs. Non-Opioids: A Chinese Menu Dilemma — 1 From Column A or 2 From Column B?

8:15 a.m. - 9:15 a.m.

14th Annual Jan Stewart Wellness Lecture: Non-Opioid Anesthesia Considerations for Patients With Substance Use Disorder (Supported by the AANA Foundation)

11:00 a.m. - 12:00 p.m.

Acute Surgical Pain Management Panel

Monday | September 11
10:45 a.m. - 11:45 a.m.

Opioid Crisis vs. Competency? Pharmacologic Considerations of Opioid Use for Surgical and Non-Surgical Pain Management — Interactive Case Discussion

Tuesday | September 12
11:30 a.m. - 12:30 p.m.

Acute or Chronic Pain Related to Pediatric Patients — Interactive Case Discussion

"All CRNAs should attend the Annual Congress. I come home feeling so empowered."

—2016 attendee

Poster Sessions

AANA Foundation State of the Science General Poster Session

Sunday | September 10 **Monday | September 11**
7:00 a.m. - 12:00 p.m. **2:00 p.m. - 5:00 p.m.**

Posters will report research by CRNAs and SRNAs in visual and summary form. They are located in the AANA Foundation Poster Session room. Attendees can earn CE credits by viewing this research.

For the most current conference details, visit www.aana2017.com

Focus on SRNAs

Demystifying the Transition From SRNA to CRNA: An Interactive Q & A Session

Saturday | September 9
4:00 p.m. – 5:30 p.m.

SRNAs: This is your opportunity to ask a panel of experienced CRNAs tough questions and get straight answers about what lies ahead on your career path. Contract negotiations, practice models, dealing with difficult colleagues, career opportunities, managing student loan debt, becoming involved in your professional association, and work/life balance are among the key takeaways. Network with fellow SRNAs from across the country during this popular event.

Student Session

Monday | September 11
7:15 a.m. – 9:15 a.m.

- Education Committee Student Representative Candidate Speeches and Voting
- Practice Models in Various Settings: Military, Independent, Hospital Employee, Anesthesia Group Employee. Jerrol B. Wallace, DNP, CRNA; Jason Trudell, MHA, MSN, CRNA, FACHE(c); Linda Goetz, MSN, CRNA; Kimberly Anne Gordon, MSN, CRNA
- The Importance of Political Involvement as a CRNA. Sharon Pearce, MSN, CRNA

SPONSOR A STUDENT

Give back to the next generation of CRNAs. Consider sponsoring a student during the registration process and help support the future of the nurse anesthesia profession. For details, email meetings@aana.com.

Student Luncheon (included in registration fee)

Monday | September 11
12:00 p.m. – 1:30 p.m.

- 2017 Student Representative's Farewell Message
- Student Writing Contest Winner Presentation
- Student Excellence Award Winner Presentation
- 2018 Student Representative Announcement
- Student Scholarship Recognition

Anesthesia College Bowl

Monday | September 11
6:00 p.m. – 7:30 p.m.

Students compete with students, then the winning team faces the CRNA Challenge Team in a final match. Come to this exciting event and support your favorite team. Students or CRNAs who would like to compete can obtain full details regarding this event, including the rules for competition, from the AANA website, program directors, or the AANA Education Department at 847-655-1161. Deadline to apply is June 1, 2017.

Networking & Wellness Activities

NEW! AANA Annual Congress Welcome Reception

Saturday | September 9
7:00 p.m. – 9:30 p.m.

New this year ... we are thrilled to kick off Congress with a Welcome Reception at MoPOP, located in Seattle Center.

Enjoy mesmerizing exhibits, interactive installations, and oral histories that bring the history of popular culture to life. The Museum of Pop Culture is appropriately housed in a spectacular modern structure designed by Frank Gehry and pays homage to the rock music, video games, sports, and film that grew out of Seattle and beyond.

Hosted food stations and cash bars will be available throughout the facility. You won't want to miss this event open to all registered attendees.

AANA Foundation Fundraising Event

Sunday | September 10

Join the AANA Foundation for an evening of entertainment, food, and fun! Proceeds benefit the AANA Foundation to advance the science of anesthesia through education and research. Visit www.aana2017.com for more information.

Ticket Price: \$250 per person and includes dinner, drinks, and entertainment.

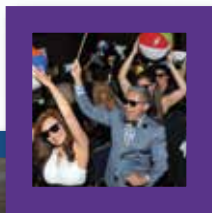

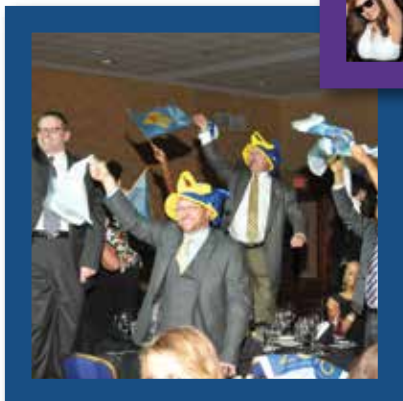

Annual Banquet and Dinner

Tuesday | September 12
7:00 p.m. – 11:30 p.m.

Semiformal/Formal Event

Highlights of the evening include:

- Dancing
- Musical Salute to the States
- Meet Your New Board of Directors
- Recognition of Award Recipients
- AANA Scrapbook

WELLNESS ACTIVITIES

While you're at the conference, don't forget to make healthy choices. Check the AANA Meetings mobile app for a variety of free AANA Health & Wellness activities.

12th Annual Wellness Fun 5K Walk/Run

Tuesday | September 12
6:30 a.m. – 7:30 a.m.

Jumpstart your day with an early morning walk/run with a few hundred of your friends! Get a workout while contributing to the Jan Stewart Memorial Fund; net proceeds support future speakers in the series.

Choose your level of participation and select your race gear at www.aana2017.com/WalkRun

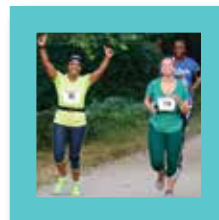

Exhibit Hall

Exhibit Hall Opening Wine and Cheese Reception

Sunday | September 10
3:15 p.m. – 6:00 p.m.

Join us immediately after the Opening Ceremonies for the opening of the Exhibit Hall with a wine and cheese reception! Visit with the vendors and network with peers.

AANA Pavilion

Learn what's new with AANA services and affiliates including:

Educational Tracks

NEW! Business of Anesthesia & the Fundamentals of Practice Management

Providing an overview of the key elements to optimize business practices and reimbursement for a wide variety of practice settings and employment models.

Clinical Practice

Information for the CRNA engaged in clinical practice to assist with evidence-based decision making.

Continued Professional Certification (CPC) Program Review

The fundamentals of nurse anesthesia principles and practice; includes topics covered in the CPC Program.

Enhanced Recovery After Surgery

Educational content associated with multimodal perioperative care pathways designed to achieve early recovery for patients undergoing major surgery.

Health & Wellness

CE lectures include building a healthy workplace environment; infusing diversity, inclusion, and cultural competence; how to create and implement a facility policy for safe handling of impairment and/or drug diversion, and planning anesthesia for patients with substance use disorder. Fun, healthy, non-CE activities are also included in this track.

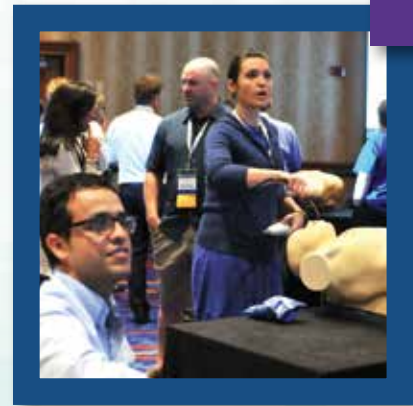

Research in Action

Addressing cutting-edge issues in research, practice, and education; innovative approaches to improve quality anesthesia care.

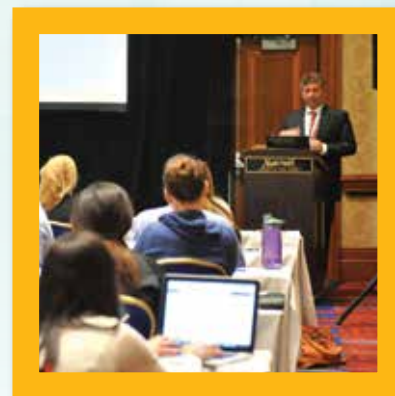

Special Interest

The Keynote Speaker, Diversity, Anesthesia Patient Safety Foundation, Leadership, Student Session, and Assembly of School Faculty sessions.

About AANA

Purpose

The Nurse Anesthesia Annual Congress of the American Association of Nurse Anesthetists is designed to provide a variety of educational topics that will develop the maximum effectiveness of CRNAs in their roles as healthcare providers in diverse settings across the nation.

Goals

1. Provide an organized learning experience that augments the knowledge and skills of the CRNA in various settings.
2. Serve as a forum where research pertinent to the specialty of nurse anesthesia can be presented.
3. Familiarize nurse anesthetists with the latest medical equipment, technology, and pharmacological products.
4. Provide AANA members with an opportunity to participate in the business of the AANA.
5. Facilitate interaction and networking between participants on a professional and social level.

Needs Assessment and Target Audience

The AANA Professional Development Committee has reviewed program evaluations and other feedback from the AANA membership to identify the issues that affect nurse anesthesia practices. The topics are determined based on overall member surveys, national trends and issues, and gaps in knowledge to further develop the professional practice of CRNAs. The education activities were developed to meet the needs of CRNAs, student registered nurse anesthetists, and other healthcare providers with an interest in the topics.

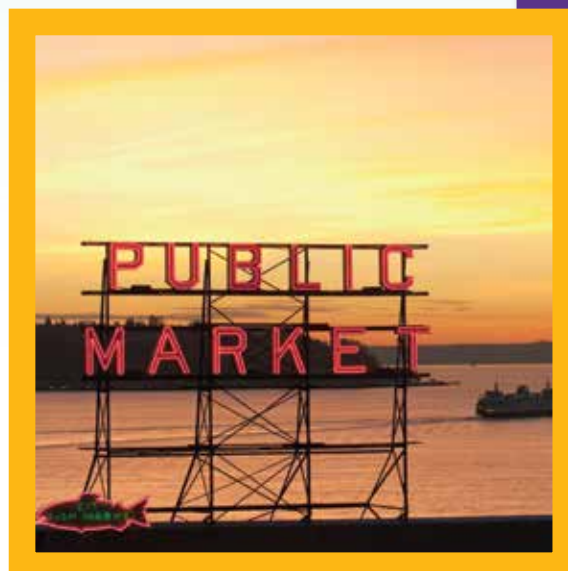

Disclosure Information

All presenters and planners of this continuing nursing education activity are required to disclose to the audience any significant financial relationship with the manufacturer(s) of any commercial healthcare products, goods, or services consumed by or used on patients. If any conflict has been disclosed, the planners of this program assure that the content is unbiased and free of any conflict of interest. Attendees will be provided full disclosure information on the Annual Congress App and in the Final Program.

See the Sights!

While you're in Seattle, take in the magnificent scenery from an Alaska cruise. All registered attendees are eligible for a conference discount. For more information, please call 855-213-5726 or email Cruises@SHWorldwide.com.
