COVID-19 Safety

NYSGE is committed to hosting the 46th Annual New York Course in a safe and responsible manner for all participants, exhibitors, and hotel employees. Local requirements will be enforced as information becomes available. While we happily anticipate bringing the New York GI community together again for the 46th Annual New York Course, your health and safety will always remain our primary concern.

Welcome!

We are looking forward to seeing you at the New York Marriott Marquis for the 46th Annual New York Course! An outstanding selection of educational sessions and keynote lectures will be presented live by our distinguished faculty. Additionally, five sessions of live endoscopy cases will be transmitted from NYU Langone Health. For those who cannot join us in person, a live streaming option will be available for much of the Annual Course content.

Course Directors*

Intended Audience

Gastroenterologists and Endoscopists, GI Fellows,
and GI Nurses and Technicians

Course Description

Under the direction of expert faculty, this course is designed to improve endoscopic practice and change the learner's approach to a wide range of disorders of the GI tract. The course content will provide current evidence and algorithms to support an efficient but effective evaluation of GI disorders, followed by prompt initiation of appropriate therapy that is directed toward improving patient care and outcomes.

The knowledge base for gastrointestinal endoscopy continues to expand, accompanied and fueled by rapid growth in technological innovations. Advances in therapeutic endoscopy are challenging or replacing techniques that before were purely diagnostic. While maintaining standards of quality and safety, gastroenterologists must understand and effectively apply current and emerging diagnostic and treatment options in order to elevate practice levels and enhance patient outcomes.

This course will help participants improve their ability to accurately diagnose and effectively treat gastrointestinal diseases and disorders, enhance quality and safety in practice settings, recognize trends and technological advances in interventional endoscopic and surgical procedures, and foster an evidence-based approach to endoscopic decision-making for commonly encountered and controversial problems in gastroenterology.

Learning Objectives

- Identify appropriate methods to detect and treat common disorders of the small bowel, colon and pancreas, as well as endobariatric therapy for obesity, and review the effectiveness of these approaches
- Discuss the spectrum of commonly seen disorders of the esophagus and stomach, such as gastroesophageal reflux disease, Barrett's esophagus, motility disorders and gastric intestinal metaplasia, and outline related treatment options and their effectiveness
- Discuss the management of metabolic associated fatty liver disease and evaluate the efficacy and safety of current treatments
- Evaluate advances in the methods of assessing disease status in patients with inflammatory bowel disease and discuss the application of these techniques to patient treatment
- Examine the diagnostic and therapeutic capabilities as well as complications of current and emerging advanced endoscopic techniques to diagnose and treat disorders of the hepatobiliary tract, pancreas, and luminal gastrointestinal tract and to detect and manage suspected small bowel bleeding

Joint Providership

This activity is jointly provided by the Albert Einstein College of Medicine-Montefiore Medical Center and the New York Society for Gastroenterology and Endoscopy.

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Albert Einstein College of Medicine-Montefiore Medical Center and New York Society for Gastroenterology and Endoscopy. Albert Einstein College of Medicine-Montefiore Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Credit Designation

Albert Einstein College of Medicine-Montefiore Medical Center designates this live activity for a maximum of **14.0** **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC) Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **14.0 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Learning Outcomes for Nurse Participants

After this program, participants will be able to review the pathophysiology of GI diseases, evaluate current advances in diagnostic and therapeutic endoscopy, and identify evidence-based best practices for novel medical, endoscopic, surgical and nursing approaches to the management of digestive diseases.

Nursing Accreditation Statement

This activity has been submitted to the Montana Nurses Association for approval to award contact hours. Montana Nurses Association is accredited with distinction as an approver of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. 14.0 contact hours have been requested. A certificate of completion will be available after submission of the online evaluation form. For more information, please email NYSGE at info@nysge.org.

Certification Board for Sterile Processing and Distribution

This educational activity has been submitted to the Certification Board for Sterile Processing and Distribution, Inc. (CBSPD) for continuing education credit toward maintenance of certification.

Photography and Recording Waiver

NYSGE may take photographs and audio record or video record all or part of this program to use in educational, informational or promotional materials including print, electronic or other media such as the NYSGE website. By participating in this program, you grant NYSGE the right to use your name and photograph for such purposes and to use your remarks should this program offer live or online submission of questions. Annual New York GI Fellows Endoscopy Course

WEDNESDAY, DECEMBER 14, 2022 • 12:45 – 7:00 PM

Course Directors

Shireen Pais, MD and John M. Poneris, MD

Faculty

Julian A. Abrams, MD, MS; Olga C. Aroniadis, MD, MSc; Carl V. Crawford, MD; Lionel S. D'Souza, MD; Nicholas A. Hoerter, MD; Rita M. Knotts, MD, MS; Lisa B. Malter, MD; Tina Park, MD; Kartik Sampath, MD; Pari Shah, MD, MS; Arun Swaminath, MD; Amy Tyberg, MD; Kavel H. Visrodia, MD

Intended Audience

First through Fourth-Year Fellows in Gastroenterology

Course Description

This course is designed to increase knowledge, competence, and performance of advanced therapeutic endoscopy techniques among gastroenterology trainees. Information will be delivered through lectures, audience question and answers, and video presentation of procedural techniques. Best practices across a broad spectrum of therapeutic endoscopy will be presented by a faculty of experienced interventional endoscopists.

Learning Objectives

- Review the endoscopic approach to management of GERD
- Discuss the indications and techniques for the assessment and management of luminal strictures
- Review the diagnostic techniques, management options, and complications associated with treatment of Barrett's esophagus
- Discuss the latest approach to endoscopic resection, including EMR, ESD, and FTRD
- Review best practices for ERCP
- Review diagnostic EUS and interventional EUS techniques including fluid collection drainage and relief of biliary obstruction
- Review techniques for managing luminal leaks, full-thickness closure after resection, and closure of fistulas and perforations by endoscopic suturing and closure devices
- Demonstrate various endoscopic treatment options for achalasia and gastroparesis
- Review endoscopic management of obesity

Agenda

12:45 pm	Welcome and Introductions from Course Directors Shireen Pais, MD and John M. Poneris, MD
1:00 - 1:20 pm	GERD: Diagnosis and Management Rita M. Knotts, MD, MS

GI Fellows Poster Session

Thursday, December 15 • 5:00 pm – 6:00 pm

Special Offer

The 46th Annual New York Course registration fee will be waived for fellows with accepted posters (limited to one per poster session abstract).

Submission Deadline

The submission window is currently open and will remain open through **Friday, October 14, 2022**. Instructions for complimentary registration will be sent separately after notification of acceptance.

Submission Instructions

Step 1

- Include your Full Name, Institution, Email Address, and Phone Number at the top of the first page of your abstract. Abstracts without this information will not be reviewed.
- Only MS Word and PDF file formats are acceptable
- Name your file as follows: Your Last Name – Institution – Abbreviated Title of Abstract
- Email your file to both info@nysge.org and m.roth@digestivehealthworks.org
- Be certain your file is named properly and includes identifying information at the top of the first page

Step 2

- Complete the brief online application on our website at www.nysge.org, Annual Course, Poster Session Submission

To Apply for NYSGE Trainee Membership:

1. Visit www.nysge.org
2. Click the Join button
3. From the Membership Options dropdown box select Trainee Member
4. Complete the membership application

Guidelines

- Individuals currently enrolled in an accredited medical school, residency, or three-year Gastroenterology fellowship are eligible to submit, as are trainees enrolled in Advanced Endoscopy, Hepatology, IBD or Motility fellowships.
- Applicants are not required to be the lead author, but must have contributed significantly and meaningfully to the research study.
- Any clinical topic within Gastroenterology or Hepatology is suitable for submission, although case reports will not be accepted.
- Abstracts submitted to a national meeting (DDW, ACG, AASLD) in the past year are eligible.
- Acceptance by NYSGE does not preclude future submission to other conferences.
- The body of the abstract is limited to 2,900 characters, including spaces.
- If selected, posters may be no larger than 4' x 8'.
- Posters must be on display by 7:30 am on Thursday. Judges will review the posters from 5:00 pm to 6:00 pm, during which time all presenters must be in attendance.
- All those who submit must be NYSGE Trainee members. Trainee Membership is complimentary, but a brief application is required. Please contact info@nysge.org for assistance.

Exhibits

Many outstanding companies are participating. Take advantage of this opportunity to learn about the latest products and services of importance to your patients and practice. Breakfasts and breaks will be hosted in the exhibit area.

Active and Trainee Members

To obtain member rates, Active and Trainee Members must login with their Username and Password. GI fellows and residents who are not NYSGE members must apply for Trainee Membership before registering. Trainee Membership is complimentary, but an online application is required.

Non-Member Physicians and GI Nurses and Associates

Non-member physicians and GI nurses and associates must login to their User Account. Those who have never attended an NYSGE program will need to create a User Account before registering. If you do not remember your login information, please email info@nysge.org or call 646-218-0650 before creating a duplicate account.

Payment Methods

Registration and payment by credit card should be made online through NYSGE's secure website (www.nysge.org). For assistance with login issues, please contact info@nysge.org or call 646-218-0650.

Online registration is the fastest and most secure way to confirm your registration. Those unable to pay by credit card may submit a check. Before doing so, access your Profile at www.nysge.org and print the "My Billing Information" page. Mail this with your check so that we can locate your account.

Payment must be received by the indicated deadlines to qualify for published discounts. **Please allow 2 weeks for all mailings to reach us.** Registrations received after published deadline dates will not be processed until the correct fee is received. Once your check and My Billing Information page is mailed, please email info@nysge.org to notify us of your intent to register.

Cancellation Policy

Refund less \$50 processing fee for the Annual Course will be given when requested in writing and submitted no later than **December 9, 2022**. No refunds will be made after this date.

Hotel and Parking

Hotel Information

New York Marriott Marquis Hotel
1535 Broadway, New York, NY 10036

For a great experience, we encourage all attendees and exhibitors to stay at the New York Marriott Marquis Hotel during the Annual New York Course. You'll be at the center of the entire program, bypass travel delays due to weather and traffic congestion, and help NYSGE to meet its obligations to the hotel.

Situated in exciting Times Square, the New York Marriott Marquis Hotel offers easy access to entertainment, cultural venues, numerous restaurants, and world-famous shopping. During the conference, the city will be ablaze with color for the holiday season, offering a wonderful opportunity to combine an outstanding educational experience with the splendor of New York at holiday time.

This year there is an Early Bird rate of \$350 per night plus tax (currently 14.75%) plus \$3.50 occupancy fee for rooms booked by October 15, 2022, based on availability. From October 15, 2022 to November 28, 2022 the rate will be \$390 per night plus taxes and fees as shown above.

Rooms are limited and the \$350 Early Bird rate or the \$390 regular rate may sell out before November 28, 2022. Group rates will not be available after this date, but the hotel will do its best to accommodate you at prevailing rates.

- For online reservations, visit our website www.nysge.org, Annual Course, Hotel Information
- Call 1-877-303-0104 (toll free) or 1-212-398-1900 (local). To receive group rates, be sure to mention our group name: NYSGE Annual Course

Parking Information

Parking is not included in the registration fee. Parking is available at the Marriott and in numerous parking garages in the Times Square area. A list of local garages can be found on the website at Annual Course, Hotel Information.

Special Needs

Dietary

Vegetarian, poultry and meat choices are available at all meals. Kosher, vegan and gluten-free lunches are available only by advance request. Indicate your preference during the registration process. Special meals at lunch will only be distributed to individuals who have pre-registered and requested such meals in advance. As special meals incur a surcharge from the hotel, please be sure to pick up your special meal at the Registration Desk or cancel in advance if not needed.

Accommodations

The 46th Annual New York Course facilities are in full compliance with provisions of the Americans with Disabilities Act (ADA) and are accessible for individuals with special needs. If you would like to attend this conference and require any special accommodations, please contact the NYSGE Office by December 1, 2022 at info@nysge.org or call 646-218-0650.
