NEW ORLEANS HOTELS, AIRPORT, GROUND TRANSPORTATION, WEATHER

ACFAS 2019 Annual Scientific Conference in historic New Orleans—it calls curious minds to sweet sounds of jazz and the enchanting aroma of savory spices and so much more!

Register today and join us at the #1 rated foot and ankle surgical conference at the Ernest N. Morial Convention Center! The ACFAS annual conference offers a wide range of topics so there is something for everyone, highly respected faculty, and the opportunity to enhance your knowledge and skills. You don't want to miss this once a year learning experience.

New Orleans is the birthplace of jazz. ACFAS attendees can enjoy music, fine cuisine, history, architecture, and performances of all types on the street, in parks and neighborhood clubs. New Orleans is an historic city that will surprise you with all it has to offer.

Getting There/Airport Shuttle

New Orleans is a popular destination that is easy to get to and from by air with numerous daily flights. The Louis Armstrong New Orleans International Airport is a 20 minute ride to the Central Business District or the French Quarter and our official hotels. Uber and Lyft are \$15-20 or taxi fare is approximately \$36. Shuttle service is also available and the fare is \$24 per person/one way.

Hotel Information

It's easy to make your hotel room reservations, choose from 10 varied hotels. The link to **onPeak**, our official housing partner, is available on the ACFAS web site at acfass.org/neworleans; book your room online or you may phone (800) 950-5542 to make your reservation or send an e-mail to acfass@onpeak.co.

7 hotels will provide shuttle bus service to/from our convention center space, the opening reception and wrap party.

What to Wear

Business casual attire is ideal for ACFAS events. Average February highs are 65 degrees and average lows are 46 degrees, so bring a light jacket for your evenings out.

Special Events

Thursday, February 14

6:15 – 7:30 pm

The Premier Connection

Opening Event at Mardi Gras World

Relax and reconnect with your colleagues before heading out to dinner. Mardi Gras World is the most unique attraction in America's most uniquely attractive city. It is a world of wonders...peek behind the Mardi Gras parade curtain at this free flow networking event, to meet and greet classmates, colleagues, and new friends, while enjoying an assortment of great food, beverages, and local music.

Thursday, February 14

Visit the ACFAS Job Fair

Sponsored by
PodiatryCareers.org

PodiatryCareers.org, the ACFAS online career center and a College Benefits Partner, is hosting the 6th Annual ACFAS Job Fair at the Annual Conference.

Employers can take advantage of the PodiatryCareers.org online career center and also post their positions on paper on a bulletin board at the Job Fair. Those seeking positions will have an opportunity to post their resumes online and at the Job Fair as well. The PodiatryCareers.org online scheduling tool will also allow job seekers and employers to list their availability for a potential interview onsite at the conference.

Visit PodiatryCareers.org and their Job Fair. Booth No. 232.

Headshot Booth

Available in the exhibit hall Friday and Saturday . . . includes a brief meet and greet with a make-up artist and a photo shoot. You will receive a hard copy of the photo and an electronic version. Booth No. 751.

the HUB is a small theater, accommodating 50 people, designed to provide practical learning for practically everyone. It contains topics to be discussed in small groups, appealing to select groups of the Annual Scientific Conference audience.

All are invited and encouraged to actively participate in the dialogue—exclusivity comes with our space limitation—join while you can.

THURSDAY, FEBRUARY 14

10:00 am

1. ACFAS Fellowship Initiative: A Director's Update

Fellowships have expanded by leaps and bounds since the ACFAS Recognized Fellowship Initiative was launched in 2010, from 10 initial programs with ACFAS status to 44 today. Listen as three program directors explore the roots of the initiative, its current state, and plans for the future.

Moderator: Mark A. Prissel, DPM, FACFAS

Panelists: J. Michael Miller, DPM, FACFAS; Ryan T. Scott, DPM, FACFAS; Lawrence A. DiDomenico, DPM, FACFAS

11:00 am

2. Interpreting Literature—Cliffs Notes

A speed dating tutorial on interpreting the critical elements of scientific literature. Learn how to quickly assess individual studies and determine the merits that each study adds to the currently available body of scientific knowledge.

Thanh L. Dinh, DPM, FACFAS

Naohiro Shibuya, DPM, MS, FACFAS

12:00 Noon

3. Opioid Crisis—Updates and Mandates

Opioids are a diverse class of moderately strong painkillers, including oxycodone, hydrocodone, and a very strong painkiller, fentanyl, which is synthesized to resemble other opiates such as opium-derived morphine and heroin. Effects of the opioid epidemic are multifactorial. The high death rate by overdose, the spread of communicable diseases, and the economic burden are major issues—it affects you. Come and hear the latest updates and mandates.

*Michael S. Downey, DPM, FACFAS
Allen M. Jacobs, DPM, FACFAS*

1:00 pm

4. Streamlining Your Day: Strategies for Efficiency

See 40-50 patients and leave the clinic at a reasonable hour. Learn how to set up your schedule, when to see follow ups, how many direct assistants you need, documentation ideas, how to integrate blocks into your schedule for office-based procedures...get your life back.

*Michael D. Dujela, DPM, FACFAS
Matthew D. Sorensen, DPM, FACFAS*

THURSDAY, FEBRUARY 14 (continued)

2:00 pm

5. How to Build Your CV: What Employers are Looking For

The audience will learn what type of CV is effective for what type of practice/situation. Come and learn how to build a CV that stands out over others.

Jason R. Miller, DPM, FACFAS
Cristian Neagu, DPM, FACFAS

3:00 pm

6. Residency Director Panel – Candid Advice for Prospective Residents

Attention Students: Do you have questions about what residency programs are looking for in a potential resident? Want to hear first-hand experiences from a current resident traversing her way into a top-notch program? This panel discussion will include plenty of time for open Q&A to answer all pressing questions including:

- Tips to maximize your externship experience
- How to stand out during interviews
- What impresses residency directors — and what doesn't
- Ways to make the CASPR/CRIPs process work in your favor
- Once you're matched, how to maximize your residency experience

Moderator: Kelsey Millonig, DPM, MPH

Panelists:

Bryan Sagray, DPM, FACFAS
Tim Uglem, DPM, FACFAS
Erin Robles-Sherman, DPM, AACFAS

FRIDAY, FEBRUARY 15

10:00 am

7. Financial Strategies

Topics to be covered are:

- Investment strategies
- Long term financial strategies
- When to buy into a practice
- Retirement planning

11:00 am

8. Preparing for Success-ABFAS Board Certification Process

Board certification is essential in opening doors, from hospital privileges to being a speaker at the ASC! The leadership of ABFAS will help guide you on how to successfully prepare for Board Certification.

Speakers: Danny J. Choung, DPM, FACFAS; Matthew E. Williams, DPM, FACFAS

1:00 pm

9. RVUs and You

RVU based compensation is becoming more mainstream every year. This session will discuss the RVU system, how it differs from traditional collections-based compensation, and important things to know when negotiating RVU based contracts.

Jason V. Naldo, DPM, FACFAS
Alan Ng, DPM, FACFAS

2:00 pm

10. Boosting Your Practice Revenue

Increase your bottom line with services your patients need and want. Don't let your money walk out the door—find out ways to keep services in-house that you'd normally refer out.

Speakers: Bella A. Pandit, DPM, FACFAS
Gregory Still, DPM, FACFAS
Frank Luckino, III, DPM, FACFAS

SATURDAY, FEBRUARY 16

10:00 am

11. Thriving as a Community Provider

While most residency programs exist in academic institutions and in large metropolitan areas, this session will discuss how to have a successful practice in rural areas or hospitals with fewer resources.

Sebastien G. Demoiny, DPM, FACFAS

11:00 am

12. Being Part of a Team

No matter the type of practice you are in, collaboration with other providers and specialties is a key part of a successful practice. This session will discuss how to successfully establish relationships with referring providers and colleagues to improve patient care and expand your practice.

John S. Steinberg, DPM, FACFAS

12:00 Noon

13. Research 101: Ask Your Questions

The ASC is filled with presentations on the latest evidence and research for the profession. New evidence and research often lead to more questions and the desire to better understand how to use this evidence in our own practices. **The ACFAS Research Committee** will be available to answer questions that may have been generated from presentations at the conference and to help you decide what next steps you can take in your practice as a result of the work highlighted during the conference.

**1 7:30 – 8:30 am
Trauma Debate:
Around the Horn**

Moderator: Jordan P. Grossman, DPM, FACFAS

In this fast-paced session the moderator will share rare trauma cases and ask the panel of experts to provide their unscripted analysis. There are always interesting take-aways from these candid off the cuff debates

Panelists:

Justin J. Fleming, DPM, FACFAS

Mark A. Hardy, DPM, FACFAS

Shannon M. Rush, DPM, FACFAS

Amber M. Shane, DPM, FACFAS

Join us for the grand opening of the Exhibit Hall immediately following the Keynote Session. It is a great time to explore the more than 140 companies that will be exhibiting, scan your badge and have a bite to eat before returning to the high-powered mix of educational sessions.

8:45 – 10:00 am

3 *Opening* GENERAL SESSION

JOHN FOLEY.
FORMER BLUE ANGELS
LEAD SOLO PILOT

John Foley, former lead solo pilot with the Blue Angels, and his fellow pilots regularly flew at speeds of more than 500 mph and in formations as close as 18 inches apart. Achieving such precision as a team in a high-stakes environment required commitment, discipline and trust. Hear Foley explain how these same principles can help you reach and sustain excellence in your practice.

LEARNING OBJECTIVES

Attendees of the American College of Foot and Ankle Surgeons Annual Scientific Conference will be able to:

Recognize different pathologies of the foot and ankle and take an evidence-based approach on how to surgically treat a variety of foot and ankle pathology. Current subject matter experts will review and present multiple pathologies in the foot and ankle and will discuss clinical diagnostic modalities leading to surgical solutions in the foot and ankle. Pediatric and Adult Pathologies will be reviewed, and treatment algorithms will be presented to the attendees.

Evaluate and treat surgical complications and develop thought process to work through multiple factors involved in patient management. Unexpected surgical outcomes present to all practitioners. These complications can be very difficult to manage, and multiple factors are involved in correcting complications. The attendees will understand how to evaluate and treat these complications and will take the thought process back to their personal practices.

Recognize Medical conditions that lead to podiatric pathology and how to properly treat the conditions surgically and medically. Multiple systemic conditions have contributions to foot and ankle pathology. It is imperative that the physician understand these systemic conditions, so they can properly treat and consult the appropriate specialties.

Utilize advanced diagnostic procedures and methods to properly diagnose medical and surgical conditions of the foot and ankle. Technology and advanced techniques are constantly evolving in foot and ankle surgery. It is imperative to the practitioner to understand these new advanced techniques to help diagnose proper pathology. New technology is constantly evolving, with this technology we can more accurately diagnose these conditions. The practitioner will be able to implement these new technologies into their daily practices.

Treat traumatic injuries of the foot and ankle. The attendees will recognize and understand injuries and fractures that occur in the foot and ankle. Subject matter experts will review diagnostics, surgical planning and thought process, surgical techniques and post-operative management.

Understand pediatric foot and ankle pathology. The attendee will understand the medical and surgical nuances that present with the pediatric population. Clinical diagnosis and proper surgical decision making can be significantly different than treating the adult population. Proper management and decision making in the pediatric population will be reviewed.

Improve their surgical techniques and skills through workshops. Attendees will learn updated surgical techniques and will be able to perform these surgical techniques in workshops to improve their surgical acumen. Faculty will lecture and demonstrate the latest techniques in foot and ankle surgery.

Understand the constant changing healthcare landscape, and must be able to adapt appropriately. Social media, electronic medical records, medical legal issues, digital imaging, and ethical considerations related to the practice of medicine, have changed our practice. It is imperative that the practitioner understand and obtain knowledge on how to navigate these changes in medicine.

California—Manage patient cases involving staging principles, positioning and fluoroscopy methods.

HOW TO REGISTER

Register online for the Annual Scientific Conference and/or for the pre-conference seminars at acfas.org/neworleans

OR

Complete the 2-page registration form in this brochure. Print clearly, be certain to include all required information and **submit BOTH pages** of the registration form; **registrations will not be processed until both completed pages are received.**

Non-ACFAS Member Residents and Students must submit appropriate documentation as noted below when registering. If you are registering online, e-mail document to hjelm@acfas.org or fax to 800.382.8270 or mail it. Processing of your registration will **NOT** be completed until the required documentation is received by the ACFAS Education Department staff.

- **Non-ACFAS Member Residents** must submit a letter (on letterhead) from their Residency Director verifying their Resident status.
- **Students** must submit a photocopy of their student ID card.

U.S. Military members receive a discounted registration rate and, therefore, cannot register online. A photocopy of their military ID card must be submitted with their registration form. E-mail to hjelm@acfas.org or fax (800.382.8270) or mail the registration. Processing of your registration will **NOT** be completed until the required photocopy of the registrant's military ID card is received by ACFAS Education Department staff.

Commercial Representatives—Individuals who may qualify for the Commercial Representative category include: Equipment Distributor/Manufacturer (letter of invitation from exhibiting company is required), financial analyst, health care consultant, investment broker/banker, potential exhibitor (one-time registration only). A maximum of two representatives from a non-exhibiting commercial company may register to attend the meeting under the "Commercial Representative" category. Approval is not guaranteed and is at the discretion of the ACFAS. For further details regarding this registration category, contact Maggie Hjelm at hjelm@acfas.org.

Payment—Full payment, via check or credit card (American Express, MasterCard or Visa) must accompany your registration form. Forms received with no fee or incorrect fees will not be processed. Make checks payable to the *American College of Foot and Ankle Surgeons* (in U.S. funds only).

Early Bird Fees—Register before December 12, 2018, to take advantage of the early bird registration fee. After this date, regular registration fees apply. After January 28, 2019 on-site registration fees apply. On-site registration will be open Wednesday, February 13 from 1:00 to 6:00 pm; and open Thursday, February 14 through Saturday, February 16 from 6:30 am to 5:00 pm at the Ernest N. Morial Convention Center, New Orleans, LA.

Workshops—Space is limited in the hands-on workshops and will be assigned on a first-come, first-seated basis. **Workshop fees are non-refundable.** Students may not register for workshops.

Exhibit Hall Guest Badges—\$150 per guest badge. Required for guests 14 years of age or older. Note: No one under 14 years of age will be admitted to the exhibit hall. Guest badges will admit an individual to the exhibit hall Thursday, February 14 through Saturday, February 16. Payment for guest badges may be made when you register for the Conference (see registration form), or you may register guests at the ACFAS on-site registration desk.

"Guest" refers to a family member (including children 14 years of age or older) and office staff members of a physician registered for the Conference. Guest badges are **not available for purchase** by or for physicians who are not registered for the conference or by or for any individual who represents a company that is not a registered exhibitor at this Conference.

Cancellation—All cancellations for the annual conference must be received in writing, via e-mail, fax or mail. ACFAS incurs significant expenses prior to the event, and so in order to minimize losses it is necessary that we maintain the following refund and cancellation policy:

Requests received by January 21, 2019: a full refund will be provided for all cancellations, less a \$75 administrative fee. After January 21, 2019: no refunds will be provided. Exceptions will be considered for extenuating circumstances only, such as medical issues or a death in the family.

An alternate attendee from the same organization may be substituted at any time prior to the conference start with no penalty. However, if the original attendee is an active member and alternate is not, the difference in member/non-member rate must be paid at the time of substitution.

Once a registration is made, it is considered final. **Refunds will not be granted for no-shows or for Annual Conference workshop fees.**

Attendees with Special Needs/Kosher Meal Requests—If you have special needs addressed by the Americans with Disabilities Act, or special dietary needs, notify the ACFAS at the time you register. Phone: 800.421.2237; e-mail: hjelm@acfas.org. Kosher lunches will not be available unless requested by January 28, 2019). Be sure to check the box on Page 1 of the Registration Form.

Photographs/Videos—Audio/video taping or recording or photographing of sessions is prohibited.

ACFAS routinely takes photos or video of participants in meetings and other conference venues for news and other purposes. By registering for the conference, you grant ACFAS permission to utilize photos of you taken at the conference for ACFAS purposes.

Tax Deduction for Education Purposes—In the United States, an income tax deduction may be allowed for education expenses undertaken to maintain or improve professional skills. This includes registration, travel, meals and lodging, subject to applicable limitations (see Treas. Reg. 1.162-5: Coughlin v Commissioner, 203 F.2d 307 (2d Cir.1953)).

Conditions of Registration and Attendance—To protect the rights of our exhibitors and the value of our exhibit space, the American College of Foot and Ankle Surgeons (ACFAS) Annual Scientific Conference and the meeting space in which ACFAS events are conducted are not to be used as a venue for marketing products, services, meetings, publications, sponsorships, or memberships except for authorized organizations that purchase exhibit space. Any non-exhibitor found to be in violation of this policy shall be invoiced the fee for one exhibit booth and shall not be admitted to the exhibit hall until such fee is paid in full regardless of membership status.

ACFAS reserves the right to regulate the use of all hotel space in which ACFAS events are conducted, including but not limited to the distribution of promotional materials to guest or meeting rooms. Meeting rooms and hospitality suites may be available for rental by exhibitors and/or organizations authorized by ACFAS. Speakers are requested not to promote non-ACFAS programs since the College cannot attest to the content or quality of such events and such promotion could be interpreted as an endorsement of said event(s).

ACFAS reserves exclusive right to modify, postpone/reschedule or cancel programs for any reason, including but not limited to emergency, inclement weather, or other 'acts of God'. Every attempt will be made to re-schedule and registration fees will be applied to the rescheduled event date. Any travel, lodging, or incidental expenses incurred cannot be refunded by ACFAS under any circumstance. You may wish to consider personal travel insurance for such expenses. If a cancelled event cannot be rescheduled, ACFAS will determine an equitable basis for the refund of a portion, or all, of the registration fee.
