SHAKING IT UP!

We are thrilled to invite you to the 2025 Oklahoma Dental Association Annual Meeting, set to take place in Tulsa, Oklahoma! This year's meeting, happening April 11 and 12, promises a fresh approach designed to better fit your busy schedule while offering top-tier continuing education opportunities.

In response to your feedback, we've reimagined the event with shorter, more focused sessions, later start times each day, and a condensed two-day format. This means less time away from your practice and family, while still delivering the professional enrichment you expect. We've also created a website specifically for the Annual Meeting to make it easier to find the info you need. Check out odaannualmeeting.org today!

Our educational lineup this year is outstanding, featuring a mix of clinical and practice management topics. Highlights include courses on mental health, ethics, and artificial intelligence. We're also excited to introduce new formats like roundtable discussions and TED-talk-style sessions featuring local specialists.

This year, 10 of our 16 sessions will be led by renowned out-of-state speakers, while Oklahoma's finest will proudly represent our state in other events. We're also continuing our valuable partnerships with the Oklahoma Dental Assistants Association and Oklahoma Society of Dental Professionals, ensuring a collaborative and inclusive event for the entire dental team. The exhibit hall experience has been enhanced, with two dedicated hours for you to explore the latest products and services in a fun, relaxed setting.

Your participation, as both registrants and sponsors, is essential to sustaining the vital work the ODA does for our profession and communities. With a blend of engaging sessions, social events, and opportunities to meet CE requirements, the Annual Meeting is a chance to learn, network, and grow. We can't wait to welcome you to Tulsa for this exciting event. Register now and join us in shaping the future of dentistry in Oklahoma and beyond!
