51st Annual Conference of Association of Plastic Surgeons of India

Venue : Hotel Pullman - Novotel, Aerocity, New Delhi

24th - 27th November, 2016

Welcome Message

Dear APSI members and colleagues;

“WISH YOU ALL A VERY HAPPY AND PRSOPEROUS NEW YEAR 2016”

Very warm greetings from the organizing committee of **51st Annual National Conference of Association of Plastic Surgeons of India, APSICON2016**. . This conference is coming to Delhi after a gap of 11 years. Department of Burns, Plastic & Maxillofacial Surgery, Safdarjang Hospital & VMMC in association with the Delhi chapter of the Association of Plastic Surgeons of India are planning to organise this mega event with great enthusiasm and involvement.

Plastic surgery, as a super speciality has grown over the years. It is quite relevant to discuss the new dimensions added in the speciality. Hence the organizing committee is planning the conference under the theme **“SCALING NEW HEIGHTS”**. The scientific chairman is inviting a host of national and international faculty, the best in their respective fields.

Delhi is the historical and political capital of India and one of the most populous cities in the country. It is studded with archeological monuments worth visiting. Besides, it is also a city with a lot of cultural activities and a shoppers' delight making it attractive for accompanying persons also.

The dates, **24th to 27th November** for the conference have been chosen after a lot of deliberations to suit delegates from all over the country. Deepawali and other Indian festivals would have concluded and winter would just be round the corner.

The venue is an exotic convention centre located in the vicinity of the airport complex, making it easy to commute for the delegates coming from outside Delhi. Venue hotels are newly commissioned and have adequate accommodation facilities within walking distance to suit all pockets. The organizing committee is offering unprecedented and enviable accommodation packages in 3 venue hotels on first come first serve basis. Please avail of this opportunity of preconference and early bird registration packages.

The Department of Burns, Plastic & Maxillofacial Surgery, Safdarjang Hospital & VMMC and Delhi Plastic Surgeons are ready to greet all the delegates with folded hands.

Looking forward to welcoming you all in Delhi in November 2016 to enjoy the scientific extravaganza and socio-cultural events.

Dr. Karoon Agrawal
Organizing Chairperson

Dr. Shalabh Kumar
Organizing Secretary

Dr Lokesh Kumar
Scientific Chair

Dr. Mahesh Mangal
Secretary Finance
