JULY 21-23

FAMILY MEDICINE
SUMMER FORUM
2017

EDUCATIONAL OBJECTIVES

This program is designed to allow health care professionals the opportunity to update their medical knowledge, enhance their clinical skills, and support their professional development through a dynamic curriculum. Attendees will realize important advances in the medical field and address educational needs and practice gaps. Through didactic lectures, case-study presentations, and audience interaction, this CME activity strives to develop and promote continuing medical education with the ultimate goal of enhancing patient care.

ACCREDITATION
