INTERFACULTY INSTITUTE FOR CELL BIOLOGY (IFIZ)

NOVEL CONCEPTS IN INNATE IMMUNITY

27–29 March 2017
Tübingen, Germany

GENERAL INFORMATION

Date

27–29 March 2017

Venue

Eberhard Karls Universität Tübingen
Interfaculty Institute of Cell Biology
Department of Immunology
Auf der Morgenstelle 15 | 72076 Tübingen/DE

Organiser

Eberhard Karls Universität Tübingen

Conference Chairs

Alexander Weber
Dominik Hartl
Hans-Georg Rammensee
Martin Röcken
Jan Wehkamp

Local Organisation

Alexander Weber
Eberhard Karls Universität Tübingen
Interfaculty Institute of Cell Biology
Department of Immunology
Auf der Morgenstelle 15 | 72076 Tübingen/DE

Topics

- Pattern recognition receptors
- Inflammation and inflammasomes
- Innate lymphoid cells
- Granulocytes and myeloid suppressor cells
- Host-Microbiome interaction
- Antifungal innate responses
- Antiviral innate responses
- Innate immunity in the skin
- Innate immunity and oncogenesis

Conference Organisation and Industrial Exhibition

Conventus Congressmanagement & Marketing GmbH
