2022 ICHP Annual Meeting

September 15-17, 2022 • Drury Lane Theatre & Events

Web Brochure

Last updated: 6.21.22

SCHEDULE AT-A-GLANCE

Time	Session		Topic	Room
THURSDAY				
9:00 am	General		Hello! This is pharmacy, what is your emergency...	Venetian
10:00 am			Build a Pharmacy Fortress: Technicians as Preceptors, Mentoring Leadership Opportunities, and Promoting Community Involvement	
11:15 am			**Past Presidents' Lunch (by invitation only)**	English
11:15 am			**Lunch**	Crystal
12:00 pm	CPE Lunch		Time to up Your Game: A Review of Recent Guideline Updates and Recommendations	Crystal
1:10 pm	Keynote		Game of Life: Keys to Overcoming Adversity	Venetian
3:00 pm			Exhibit Showcase & Break	Terrace & Brook
4:30 pm	Management		ASHP Policies: Are You In The Know?	Crystal
5:30 pm			Updates from the IDFPR Director of Drug Compliance	
4:30 pm	Clinical		PrEParing for the Future: Updates in HIV Prevention	Venetian
5:30 pm			Applying Health Behavior Models to Enhance Vaccine Confidence in Amcare Settings	
FRIDAY				
7:00 am			Breakfast	Foyer
8:00 am			Reverse Exhibit (by invitation only)	Oak
8:00 am	Ambulatory Care		Overview of Medicare Advantage Part C and D Quality Measures in Population Health	Crystal
9:00 am			Augmenting the Incretin Effect: A Review of What's New with Incretin-Based Therapy	
10:00 am			Insomnia and Common Treatment Approaches	
8:00 am	Pharmacy Practice		Are You "Kidney" Me? New Approaches to the Evaluation of Kidney Functioning	Venetian
9:00 am			National Trends in Prescription Drug Expenditures and Projections 2022	
10:00 am			Streamlining Prior Authorization	
11:00 am			Exhibit Showcase & Break	Terrace & Brook
12:00 pm			Town Hall Lunch	Venetian
1:30 pm	General		Improv to Improve Pharmacy Communication	Venetian
2:30 pm	Pharmacy Technology		Financial Analytics: Leveraging an Excel Framework to Forecast	Crystal
3:45 pm			Auditing 340B Using Excel and Databases	
4:30 pm			House Call 2.0 Implementation and Support of a Hospital at Home Program	
2:30 pm	Clinical		A Patient-Centered Approach to Managing Immune-Related Adverse Events	Venetian
3:45 pm			The Clot Thickens: The Utility of Viscoelastic Testing in Acutely Ill Populations	
4:30 pm			Don't Cry Over Spilled Blood	
6:30 pm			President's Dinner (by invitation only)	Pinstripes
SATURDAY				
7:00 am			Breakfast	Foyer
8:00 am	Technician		Stock Out or Stockpile: Navigating Drug Shortages	Brook
8:45 am			USP 800: How to Be Compliant	
10:00 am			Exploring the Future of Sterile Compounding	
10:45 am			Pharmacy Technicians Making History: Medication History, Reconciliation, and Therapy Management	
8:00 am	Pharmacy Practice		Best Practice Pearls	Crystal
8:45 am			Infectious Diseases Residency Project Pearls	
10:00 am			(Not so) Trivial Pursuit: New Drugs 2022	
8:00 am	Student		The Road to Residency: Prepartion Pearls for Pharmacy Students	
11:30 am			Awards Luncheon	Terrace
1:00 pm	Closing		Facility Provided Medications aka Facility Procedural Mayhem	Crystal
2:00 pm			Patients for Patient Safety: Learning from the Radonda Vaught Case	
1:00 pm			Residency Showcase	Oak & Brook

= accredited for pharmacists

= accredited for pharmacy technicians

THANK YOU MEETING SPONSORS!

ICHP would like to thank these companies for providing sponsorships for the 2022 Annual Meeting.

PLATINUM

- Octapharma
- Daiichi Sankyo, Inc.

GOLD

SILVER

GENERAL MEETING INFO

2022 ANNUAL MEETING GENERAL LEARNING OBJECTIVES

1. List several safety initiatives and strategies including emergency preparedness, drug shortages, USP compliance, medication reconciliation, and use of a resolution model for patient safety.
2. Describe methods for both pharmacists and technicians to participate in precepting.
3. Review clinical issues in the areas of kidney disease, infectious diseases, heart failure, vaccination, insomnia, diabetes, anticoagulation, sepsis, and management of adverse events.
4. Explain how to use technology to manage reports, outcomes and work efficiency.
5. Outline ways to manage adversity.
6. Recall various legislative, regulatory and national laws/policies.
7. Express issues related to ambulatory care practice.

ALL INFORMATION IS TENTATIVE. PLEASE WATCH FOR UPDATES.

DATE AND LOCATION

The 2022 ICHP Annual Meeting will take place **Thursday September 15 – Saturday September 17.**

Meetings and CPE sessions will be held at Drury Lane Conference & Events – 100 Drury Lane, Oakbrook Terrace, IL. Drury Lane is conveniently located in Chicago's western suburbs, minutes from downtown and major airports.

CITY ATTRACTIONS

There is plenty to do while attending the ICHP Annual Meeting. Explore the area and take advantage of the wonderful shopping and restaurants available at Oakbrook Center Mall. While at Drury Lane Theatre and Conference Center, why not take in a show? Drury Lane Theatre will be presenting "Murder on the Orient EXPRESS" – a play adaptation of Agatha Christie's famous murder mystery.

MEETING DRESS CODE

The meeting dress code is business casual. The meeting room temperatures may vary – please remember to bring a sweater or jacket.

COVID-19 SAFETY PRECAUTIONS

ICHP will be enforcing, at a minimum, any local, state or federal mandates in place at the time of the meeting. **Proof of vaccination is REQUIRED.** Wearing of masks is strongly encouraged.

HOTEL ACCOMMODATIONS

All attendees are responsible for making their own hotel reservations. Special convention room rates are available to meeting attendees at The Hilton Garden Inn in Oakbrook Terrace (1000 Drury Lane, Oakbrook Terrace, IL 60181).

- **Single/Double: $109**
- **Triple: $119**
- **Quad: $129**

Prices per night
Plus tax/fees

These rates* are available by calling The Hilton Garden Inn (1-877-STAYHGI) **prior to August 23rd.** Please mention the ICHP Annual Meeting while making your reservation.

*Hotel rates as of 6/7/22

REGISTRATION

Pre-register by Tuesday, August 23rd for early bird rates. Registration is available online or by mailing in a registration form.

Meeting materials are available for pick-up during designated hours at the meeting. CPE handouts will be available online prior to the meeting.

The ICHP registration desk will be located in the conference center foyer. Registration desk hours are:

- **THURSDAY, SEPTEMBER 15th** 8:30 AM – 6:15 PM
- **FRIDAY, SEPTEMBER 16th** 7:30 AM – 5:45 PM
- **SATURDAY, SEPTEMBER 17th** 7:30 AM – 3:15 PM

FACULTY DISCLOSURE

It is the policy of the Illinois Council of Health-System Pharmacists (ICHP) to ensure balance, independence, objectivity, and scientific rigor in all of its education programs. In accordance with this policy, faculty must disclose to the participants any significant relationships with commercial companies whose products or devices may be mentioned in faculty presentations, or with the commercial supporter of these continuing pharmacy education programs. These disclosures are included in the syllabus and will be announced during the program.

GENERAL MEETING INFO

ACCREDITATION

The Illinois Council of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

The 2022 ICHP Annual Meeting will offer a maximum of 17.75 contact hours of continuing pharmacy education in states that recognize ACPE providers.

CONTINUING PHARMACY EDUCATION CREDIT

Education sessions will be offered for CPE credit:

- Pharmacist registrants may earn up to 17.5 contact hours (0.175 CEUs)
- Pharmacy technician registrants may earn up to 16.5 contact hours (0.165 CEUs).

ICHP determines the number of contact hours for each session.

PROGRAMMING

Program variations may occur.

TARGET AUDIENCE

Health-system pharmacists and pharmacy technicians; pharmacy students.

PROGRAM EVALUATIONS AND CREDIT

ICHP ACCREDITED PROGRAMMING

In order to receive continuing pharmacy education (CPE) credit, all meeting attendees will need to access CESally.com to complete evaluations. Credit will be reported to CPE Monitor. You will have 6 weeks after the Annual Meeting to complete your online evaluations and submit your request for CPE credit.

Do not delay in completing your ICHP evaluations. Instructions for completing ICHP live program evaluations online will be included in the meeting folder provided to you at meeting registration. When completing your program evaluation for credit, if a CPE program number ends in both 'P' and 'T', pharmacists must choose the 'P' program and technicians must choose the 'T' program.

ASHP ACCREDITED PROGRAMMING

To Claim CE for their activity (0204-0000-22-413-L01-P), enter the CE code announced during the activity and complete their evaluation.

CPE MONITOR

Your NABP e-Profile ID is required to receive CPE credit. Visit www.mycpemonitor.net for more information.

PLEASE REFER TO THE DETAILED SCHEDULE (UPDATED REGULARLY) FOR COMPLETE ACCREDITATION INFORMATION ON EACH PROGRAM.

TOPIC DESIGNATORS

- **L01:** Disease/Drug Therapy
- **L02:** HIV/AIDS Therapy
- **L03:** Law
- **L04:** General Pharmacy Topics
- **L05:** Patient Safety
- **L06:** Immunizations
- **L07:** Compounding
- **L08:** Pain Management

GENERAL SESSION

9:00 AM - 10:00 AM
Venetian Room

HELLO! THIS IS PHARMACY, WHAT IS YOUR EMERGENCY...

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Define and describe emergency preparedness.
2. Describe the role of the pharmacist and technician in emergency preparedness and response.
3. Describe strategies for managing disasters, including the use of technology.

Type of Activity:
Knowledge-based

1.0 contact hour (0.1 CEU)

UANs: 0121-0000-22-065-L05-P
0121-0000-22-065-L05-T

Christina Godwin, PharmD
Anitha Nagelli, PharmD, MPH-HPA
Monazzah Sarwar, PharmD, BCSCP

10:00 AM - 11:15 AM
Venetian Room

BUILD A PHARMACY FORTRESS: TECHNICIANS AS PRECEPTORS, MENTORING LEADERSHIP OPPORTUNITIES AND PROMOTING COMMUNITY INVOLVEMENT

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Recall strategies for teaching and mentoring using non-traditional methods.
2. Discuss pharmacy technician roles in educating members of the pharmacy team.
3. Describe how to be involved in leadership development opportunities.
4. Outline opportunities to engage with the community and mentor others in outreach events.

Type of Activity:
Knowledge-based

1.25 contact hours (0.125 CEUs)
UANs: 0121-0000-22-066-L04-P
0121-0000-22-066-L04-T

Hina Patel, PharmD, BCPS
Sara Wilke, PharmD, MBA

THURSDAY
September 15th

LUNCH
11:15 AM - 1:00 PM

11:15 AM - 1:00 PM
English Room
PAST PRESIDENT'S LUNCH
By invitation only

11:15 AM - 1:00 PM
Crystal Room
CPE LUNCH:
TIME TO UP YOUR GAME: A REVIEW OF RECENT GUIDELINE UPDATES AND RECOMMENDATIONS

At the end of this presentation, pharmacist participants should be able to:

1. Review significant updates in the 2022 heart failure guidelines; including changes in heart failure classification and staging, as well as expanded recommendations for initial guideline directed medical therapy.
2. Describe the role of direct oral anticoagulants in the treatment of venous thromboembolism in patients with cancer.
3. Discuss the updated Surviving Sepsis Campaign 2021 recommendations for screening patients with suspected sepsis or septic shock, time to appropriate antimicrobial administration, and hemodynamic management.

Type of Activity:
Knowledge-based

1.0 contact hours (0.1 CEU)
UAN: 0121-0000-22-067-L01-P

Erika Hellenbart, PharmD, BCPS
Georgeanna Rechner-Neven, PharmD, BCPS, BCCCP
Amanda Seddon, PharmD BCPS, BCOP

MEET OUR KEYNOTE!

Casey O'Brien
Motivational Speaker

Casey O'Brien, a native of St. Paul, Minnesota, is a five time cancer survivor and widely recognized motivational speaker. After being diagnosed with osteosarcoma, an extremely rare form of bone cancer, at the age of 13, his main goal in life has become inspiring others. After having the cancer relapse in both of his lungs in high school, he made his varsity football debut as a Placeholder. He checked into the hospital for chemotherapy the following morning. He later walked on to play football as a Placeholder for Coach PJ Fleck and the University of Minnesota Golden Gophers. Casey played in his first career Big 10 football game at Rutgers on October 19th, 2019. His first play and moment shared with Coach Fleck were covered by ESPN, ABC World News, The Today Show, and more. He spoke in front of a national audience at the 2019 ESPN College Football Awards Show after receiving the Disney Spirit Award for the most inspiring story in all of college football. He was the keynote speaker in front of 2,000 people at the 2019 Big 10 Media Days in Chicago, and his speech has now been viewed over 100,000 times. He looks to spread his positivity, unbelievable resiliency, and motivation to succeed to every group he speaks to.

KEYNOTE/OPENING GENERAL SESSION

1:30 PM - 3:00 PM
Venetian Room
GAME OF LIFE: KEYS TO OVERCOMING ADVERSITY

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Discuss strategies for overcoming adversity.
2. Share lessons learned from adversity and how to move forward.
3. Identify ways to work as a team.
4. Describe how the patient/pharmacist relationship should be a priority.

Type of Activity:
Knowledge-based
1.5 contact hours (0.15 CEU)

UANs: 0121-0000-22-068-L04-P
0121-0000-22-068-L04-T

FINANCIAL ANALYTICS: LEVERAGING AN EXCEL FRAMEWORK TO FORECAST

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Assess current financial definitions and terminology used in a traditional business setting and how they relate to the pharmacy domain.
2. Categorize which financial elements to include in a financial analytics calendar.
3. Illustrate a pharmaceutical financial forecasting tool utilizing excel for the framework.

Type of Activity:
Application-based

1.0 contact hour (0.1 CEU)

UANs:
0121-0000-22-080-L04-P
0121-0000-22-080-L04-T

Nikola M. Markoski, PharmD, MBA, DPLA

3:45 PM - 4:30 PM
Crystal Room

AUDITING 340B USING EXCEL AND DATABASES

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Explain general approaches to auditing data using Excel.
2. Identify Excel formulas and configurations specific to auditing 340B data for accuracy and compliance.
3. Outline database tools to automate and organize portions of the 340B auditing workflow.

Type of Activity:
Knowledge-based

0.75 contact hour (0.075 CEU)

UANs:
0121-0000-22-081-L04-P
0121-0000-22-081-L04-T

Daniel Limoges, BA, PharmD

4:30 PM - 5:30 PM
Crystal Room

HOUSE CALL 2.0: IMPLEMENTATION AND SUPPORT OF A HOSPITAL AT HOME PROGRAM

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Describe the purpose of a Hospital at Home program, including the relevant CMS regulations.
2. Identify logistical and regulatory challenges encountered with the Hospital at Home program.
3. Discuss technology and operational structures to support and sustain a Hospital at Home program.

Type of Activity:
Knowledge-based

1.0 contact hour (0.1 CEU)

UANs:
0121-0000-22-082-L04-P
0121-0000-22-082-L04-T

Elizabeth Dowell, PharmD

BREAK
3:30 PM - 3:45 PM

FRIDAY
September 16th

TRACK #2 - CLINICAL

2:30 PM - 3:30 PM
Venetian Room

A PATIENT-CENTERED APPROACH TO MANAGING IMMUNE-RELATED ADVERSE EVENTS

At the end of this presentation, pharmacist participants should be able to:

1. Discuss the mechanisms of action of immune checkpoint inhibitors and how these cause immune-related adverse events (irAEs) during treatment for cancer indications.
2. Describe irAEs seen in patients treated with immune checkpoint inhibitors, with a focus on affected organ systems, time course for symptoms, and clinical presentation.
3. Develop practice site-specific best practices for the prevention and management of irAEs, including patient education, recognition, treatment, and monitoring

Type of Activity:
Application-based

1.0 contact hour (0.1 CEU)

UAN: 0204-0000-22-413-L01-P

Jordan P. McPherson, PharmD, MS, BCOP

Provided by ASHP. Supported by an independent medical education grant from Merck, Regeneron Pharmaceuticals, Inc. and Sanofi Genzyme

3:45 PM - 4:30 PM
Venetian Room

THE CLOT THICKENS: THE UTILITY OF VISCOELASTIC TESTING IN ACUTELY ILL POPULATIONS

At the end of this presentation, pharmacist participants should be able to:

1. Discuss risk factors for coagulopathy and define viscoelastic testing.
2. Describe the use of viscoelastic testing across a range of disease states, including neurologic emergencies, trauma, liver disease, and medication-induced coagulopathy.
3. Discuss the use of viscoelastic tests to clinical scenarios and patient cases across a range of disease states.

Type of Activity:
Knowledge-based

0.75 contact hour (0.075 CEU)

UAN: 0121-0000-22-083-L01-P

Megan Rech, PharmD, MS, BCCCP, FCCM

4:30 PM - 5:30 PM
Venetian Room

DON'T CRY OVER SPILLED BLOOD

At the end of this presentation, pharmacist participants should be able to:

1. Compare and contrast the discussed anticoagulants, antiplatelet agents, and reversal agents and their effect on the anticoagulation pathway.
2. Assess a patient for major or minor bleeding given signs, symptoms, vitals, and labs.
3. Choose a treatment plan for anticoagulant or antiplatelet reversal given a patient case.

Type of Activity:
Application-based

1.0 contact hour (0.1 CEU)

UAN: 0121-0000-22-084-L01-P

Shannon R. Kuhrau, PharmD, BCCCP
Patrick Tednes, PharmD, BCCCP

Beth Shields, PharmD, BCPPS

8:45 AM - 9:45 AM
Brook Room

USP 800: HOW TO BE COMPLIANT

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Describe the process of setting up a USP 800 compounding area.
2. Identify the most common hazardous drugs medications for non sterile compounding.
3. Describe the training needed in order to be compliant with USP 800 and PPE needed when compounding hazardous drugs.

Type of Activity:
Knowledge-based

1.0 contact hour (0.1 CEU)

UANs: 0121-0000-22-086-L07-P
0121-0000-22-086-L07-T

Rebecca Ohrmund, CPhT-Adv
Elise Wozniak, PharmD

BREAK
9:45 AM - 10:00 AM

SATURDAY
September 17th

TRACK #1 - TECHNICIAN SESSION CONTINUED..

10:00 AM - 10:45 AM
Brook Room

Exploring the Future of Sterile Compounding

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Recognize the opportunities for pharmacy technicians in cleanroom compliance.
2. Discuss the proposed 2021 USP Chapter <797>.
3. Review future cleanroom automation capabilities.

Type of Activity:
Knowledge-based

0.75 contact hour (0.075 CEU)

UANs: 0121-0000-22-087-L07-P
0121-0000-22-087-L07-T

Glen J. Gard, CPhT-ADV, CSPT

10:45 AM - 11:30 AM
Brook Room

PHARMACY TECHNICIANS MAKING HISTORY: MEDICATION HISTORY, RECONCILIATION, AND THERAPY MANAGEMENT

At the end of this presentation, pharmacist & pharmacy technician participants should be able to:

1. Define medication history interviews, medication reconciliation, and medication therapy management.
2. Review the process for collecting, and limitation to, completing an accurate medication history.
3. Define the pharmacy technician's role in medication therapy management.

Type of Activity:
Knowledge-based

0.75 contact hour (0.075 CEU)

UANs: 0121-0000-22-088-L05-P
0121-0000-22-088-L05-T

Erin Carson, PharmD, BCPS
Anthony Rosella, PharmD

SATURDAY
September 17th

TRACK #2 - PHARMACY PRACTICE

8:00 AM - 8:45 AM
Crystal Room

BEST PRACTICE PEARLS

- Evaluating the Effectiveness of an Embedded Pharmacist on Diabetes Control in a Primary Care Practice
- The Impact of a Sustainable Department-Led Wellness-Resilience Program on Burnout: A Controlled Study

At the end of this presentation, pharmacist participants should be able to:

1. Identify metrics to evaluate the impact of a clinical pharmacist in an ambulatory primary care setting.
2. Identify advantages of a department of pharmacy-initiated employee wellness program.

Type of Activity:
Knowledge-based

0.75 contact hour (0.075 CEU)

UAN:
0121-0000-22-089-L04-P

Imran Khan, PharmD

Emergency Contact Phone _____

I AGREE TO THE FOLLOWING TERMS OF REGISTRATION:

CANCELLATION POLICY: Cancellations will be accepted in writing prior to August 23, 2022. No cancellations will be accepted after that time. A $25 processing fee will be applied to all cancellations. Refund checks will be issued after October 17, 2022. Note: Payments made to ICHP and ICHP PAC are not deductible charitable contributions for federal income tax purposes. However, they may be deductible under other provisions of the Internal Revenue Code. ICHP Federal Tax ID: #36-2887899.

IMAGE RELEASE NOTICE: I give ICHP permission to use photographs or video of myself taken at the event. ICHP intends to use such photographs and videos only in connection with ICHP official publications, media promotions, web sites, or social media sites including but not limited to Facebook, Twitter, Instagram, and YouTube, and that these images may be used without further notifying me.

COVID-19: I acknowledge the highly contagious nature of COVID-19 and voluntarily assume the risks and consequences of exposure or infection by attending the 2022 ICHP Annual Meeting. I understand that the risk of becoming exposed to or infected by COVID-19 at the in-person ICHP meeting may result from the actions, omissions, or negligence of others who may attend the ICHP Annual Meeting or their families, colleagues, or others with whom they may have had contact. Accordingly, I understand and agree that this waiver and release includes any claims based on the actions, omissions, or negligence of ICHP, its affiliates, officers, Board of Directors, agents, and employees, whether a COVID-19 infection occurs before, during, or after participation in the in-person 2022 ICHP Annual Meeting. I understand that I must show proof of COVID-19 vaccination to participate in the ICHP Annual Meeting and comply with any other precautionary requirements.

CPE MONITOR

If you plan on obtaining CPE credit, you must provide your NABP e-Profile ID# and Birthday (as MMDD). Your NABP e-Profile ID is required to receive CPE credit. Visit nabp.pharmacy/programs/cpe-monitor/ for more information about CPE Monitor and how to obtain your NABP e-Profile ID.

NABP E-Profile ID#: _____

Birthday (MMDD): _____

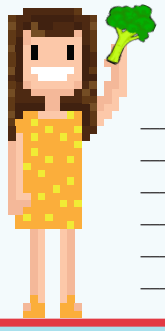

MEAL SELECTION
