Accreditation

The 24th European Congress on Gynaecological Oncology (ESGO 2023), Istanbul, Turkey, 28/09/2023 – 01/10/2023 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 19 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

Credit Breakdown

Thursday, September 28	4 credits
Friday, September 29	6 credits
Saturday, September 30	6 credits
Sunday, October 1	3 credits

Badges

Access to the congress is only possible with your personal name badge. Please wear your badge at all times and at any offsite happening as all pre-booked events are listed there instead of vouchers.

If you forget/lose your badge, we can reprint it for 20 EUR.

All ESGO members will have "ESGO member" printed on their badge. If your member acknowledgement is missing, please come to the Registration desk and you will receive a new badge.

Blackout Policy

ESGO kindly requests that all delegates and supporters (sponsors, exhibitors, special interest groups, and other stakeholders) respect the ESGO black out policy and refrain from holding organised meetings for more than 8 people in parallel with the scientific sessions.

Blackout Times

Thursday, September 28	12:45–19:00
Friday, September 29	08:00–18:00
Saturday, September 30	09:00–18:00

Certificate of Participation

At the end of the congress a link to complete an online evaluation form* will be sent to all registered participants with an explanation how to claim their certificates of attendance and CME points.

**This is a mandatory process requested by the U.E.M.S. / EACCME (European Accreditation Council for Continuing Medical Education).*

Childcare

Pre-registered daycare service is located in room on B3 floor.

Cinema Viewing

Video submissions are shown in the Cinema viewing area located in hall Beyazit.

Cloakroom

A cloakroom is available to keep your coats and luggage. It is located on the congress floor near halls Beyazit and Emirgan and is free of charge for delegates and exhibitors. For security reasons, please be informed that suitcases are not allowed within the congress area and have to be stored at the cloakroom.

Congress Abstracts & Embargo Policy

All accepted abstracts (incl. Late breaking abstracts) will be published in the online supplement of the International Journal of Gynecological Cancer as well as on the ESGO Congress website. Full texts of regular abstracts will be published 10 days prior to the congress (September 18) and LBA will be published on the first day of the congress (September 28).

Emergency Telephone Number

Emergency telephone number **112** can be dialed free of charge.

Guest Attendance Policy

All event activities (including educational sessions, meal functions, exhibition etc.) are exclusively reserved for registered attendees. Non-registered guests (including children, family members, colleagues etc.) are not allowed in any of the event areas (except for pre-registered daycare service). Badges provided at the registration desk are required for entrance into all functions and will be strictly enforced.

Industrial Exhibition

Companies are given the opportunity to display their latest products, services and technical innovations. The exhibition is located on B2 level of ICC. Opening hours of the exhibition area:

Thursday, September 28	12:00–18:00
Friday, September 29	10:00–17:00
Saturday, September 30	10:00–17:00

Liability & Insurance

The congress organisers cannot accept liability for personal injuries sustained, for loss or damage of property belonging to congress participants, either during, or as a result of the meeting. Participants are advised to take out their own personal travel and health insurance for their trip.

Language

The official language of the congress is English. Simultaneous translation will not be provided.

Journal

ESGO 2023 accepted abstracts are published in an online supplement to IJGC, the International Journal of Gynecological Cancer.

Photography, Recoding Privileges

Congress content is the copyright of ESGO, however, non-flash photography using personal devices and for strictly personal, social or non-commercial use, is permitted if not disruptive to the speaker and/or other session attendees. Video or audio recording in scientific sessions is not permitted unless authorized by ESGO.

During the congress photographs will be taken. This serves the purpose of publication on the website and/or on social media platforms of the organizer. It may hereby be possible that persons present are also photographed in a way that they can be identified. The legal basis for photographing is Article 6, Paragraph 1, lit. f GDPR, the organizer’s legitimate interest is to publicly document the event.

This is explicitly stated at each event. If required, you can obtain information at the registration desk of the event if you do not wish that photographs on which you are identifiable will be published.

Poster/ePoster Area

Paper posters as well as the ePoster terminals are located on the congress floor in Beyazit hall. Entrance to this area will be open during the whole duration of the congress.

Paper posters group A will be on display from 13:00 on Thursday, September 28 until 18:00 on Friday, September 29. We advise authors to stand by their poster(s) during the break on Friday from 15:05 to 15:50 to possibly answer questions from participants.

Commented paper poster session A with selected posters will be held on Friday from 15:15 to 15:45.

Paper posters group B will be on display from 09:00 on Saturday, September 30 until 13:00 on Sunday, October 1. We advise authors to stand by their poster(s) during the break on Saturday from 15:05 to 15:50 to possibly answer questions from participants.

Commented paper poster session B with selected posters will be held on Saturday from 15:15 to 15:45.

Recognition, Acknowledgements & Industry Support

In accordance with compliance regulations, industry supporting the congress will be acknowledged separately from the scientific programme. Industry information will appear at the back of the book.

Recorded Sessions

The scientific programme in main halls will be recorded and available on eAcademy for all congress participants after the congress until December 31, 2023.

Refreshments

Coffee and lunch will be served in the Exhibition area at the times indicated in the Programme overview and are included in the registration fee.

Responsibility

The participant acknowledges that he/she has no right to lodge damage claims against the organisers should the holding of the congress be hindered or prevented by unexpected political or economic events or generally by force majeure or should the non-appearance of speakers or other reasons necessitate programme changes. With his/her registration, the participant accepts this proviso.

Safety & Security

Please do not leave any bags or suitcases unattended at any time, whether inside or outside session halls.

Scanning of Your Badge

Participants are not obliged to allow exhibitors to scan their badge in the exhibition area or when entering an industry symposium. Participants must show their badge for proof of access rights, but do not need to allow a company to scan it. With allowing a company to scan, you acknowledge that your registration details will be forwarded to the exhibitor.

Speakers' Ready Room

The Speakers' room is located in **Yildiz 2** hall and will be open as follows:

Thursday, September 28	10:30–19:00
Saturday, September 29	07:00–18:00
Friday, September 30	08:00–18:00
Sunday, October 1	08:00–11:00

Sustainable Congress

ESGO deeply cares about the environment, and therefore is assessing the sustainability of all activities at the congress to reduce the environmental footprint. For that reason majority of materials are purely digital. We also have a commitment to source food locally and donate any leftovers, and reduce plastic supporting material at the congress. We will supply you with a water bottle and you are kindly requested to keep it throughout the congress and refill it.

Textbook

The Special Platinum Edition 2023 includes new chapters and topics linked with videos, published ESGO guidelines and quality indicators, and other supplementary materials. The structure is designed to follow the new ESGO Curriculum for subspecialty training in gynaecological oncology.

USB or hard copy can be collected at the ESGO booth, if pre-registered. For new orders please check the ESGO booth for availability.

Time Zone

Istanbul is 3 hours ahead of Greenwich Mean Time (UTC/GMT +3) year-round.

Wi-Fi Connection

Free internet connection is available for congress delegates at the venue. Please be aware that public Wi-Fi capacity is always limited and therefore limited to email and web browsing activity.

Wi-Fi Network: ESGO congress

Password: GSKOnc

Wi-Fi is supported by GSK

INFORMATION FOR PRESENTERS & CHAIRPERSONS
