

ONS/ONCC Chemotherapy Biotherapy Certificate Renewal Course Information for UCSD Chemotherapy Certified Nurses

Now that you have successfully completed the ONS/ONCC Chemotherapy Biotherapy Certificate Course, (the one that took a month on-line) you are now eligible to take the Renewal Course!

This course will is significantly shorter (5.3 Contact Hours)

There is no wait time, it is on demand with no maximum attendance. You log in when you are ready to start! When you complete the course requirements, you can print your card (no waiting)!

You must complete this class prior to your chemotherapy card expiring. You must have an active ONS Chemotherapy Provider Card provided by taking the certificate renewal in order to administer chemotherapy and biotherapy at UCSD.

UCSD is pleased to be able to offer bulk discounts to UCSD employees for the renewal.

To sign up:

- Visit <http://health.ucsd.edu/edr> under the calendar to obtain your voucher number. You will need to have your department code ready when registering online.
- **Then, register through ONS: Register at www.ons.org.** You will need the voucher number when registering for the class.
 - The cost is \$75.00
 - If you sign-up for the course without a UCSD voucher code, we will only reimburse you for the UCSD price, not the ONS price for the course.

Compensation: It is up to you for how and when you will complete the course. You must provide your new chemotherapy card in order to be paid. If the chemotherapy provider card is required for your job, you will receive 6 hours for the course in the following way (or per discussions with your manager):

- Inpatient Nurses: You will be paid 3 hours per week for the duration of the course up to 6 hours.
- Outpatient Nurses: TBD based on your schedule.

It is your responsibility to complete and pass the course within the specified timeframe. As an adult learner you choose your own pace through the class.

If you do not complete the course on time or you fail the examination (you have two attempts), you will be responsible for paying for and completing the course again on your own time.

NOTE: This is not an “easy” course. Do not wait until the last minute to complete the case studies and exam. If you are having difficulty with the content, please contact Aran Tavakoli 858-249-6683 (x96683) or atavakoli@ucsd.edu. Follow all directions for the course!
