EARN 30 CPD CREDITS

The term continuing, or continuous, professional development (CPD), is used to refer to any form of learning you do to better your knowledge, comprehension, and experiences in a certain field. It is an acronym for continuous and planned learning and development. It emphasizes what you learn and how you grow, but it could also involve a formal method for documenting it.

YOUR GROWTH STARTS WITH 30 CPD & CME CREDITS

Earn 30 CME Credits

The term "continuing medical education," or **30 CME**, refers to learning experiences that help doctors keep their knowledge, skills, and professional relationships up to date, develop them, or improve them so they can better serve their patients, the general public, or the profession.

- ✓ Stay updated with the latest medical knowledge, research, and clinical advancements
