Dear Attendee,

It gives us great pleasure to welcome you to participate at International Conference on Pharmaceutical and Pharmacological Research to be held during November 28-30, 2018 at Dubai, UAE. The congress will provide a rich platform to update delegates on recent advances in the field of pharma industry through inspiring research ideas by the experts of the field.

IPPR 2018 is a valuable and unique opportunity to meet and interact and network with different pharma specialist and allied health care professionals from across the globe.

Dubai is the global business hub and ideal to visit in October, offering a kaleidoscope of attractions such as Burj Khalifa, the tallest building in the world and the centerpiece of Downtown Dubai; the Dubai Mall, the world's most visited and largest shopping and entertainment destination; Atlantis, the Palm which houses the aquaventure water park and the lost chamber aquarium, among many others.

For more information: <http://globalpharmaconferences.org>

We look forward to welcome you in November.

Best Regards,

Conference Secretariat

Network

Forward with the People

Why attend IPPR 2018?

Network! IPPR 2018 offer the opportunity for you to mix and mingle, form new relationships and strengthen existing ones.

Meet experts and influencers face-to-face: IPPR 2018 offer the opportunity to meet global pharma leaders who are expected to share their noble insights at the conference.

Learn in a new space: Unleash the insights of global pharma industry.

Recognition: A Conference is a great place to get recognition for your own ideas.

Branding: Brand yourself as a professional and expert of your field.

Sharpen your skills: Learn new ideas and approaches to make you more effective and efficient at work

Absorb the energy of like-minded individuals: There's nothing like being in a room of like-minded people – other people who are willing to take time away from the office to learn something new. Other people who want to “better” themselves

Break out of your comfort zone: Breaking out of your comfort zone is just the type of action that is necessary to break out of old ways of thinking.

Get access to workshops: workshops offer even more learning opportunities that connect attendees in an intimate learning environment.

Have fun! Participating at IPPR 2018 will add a layer of enjoyment to managing your career growth by mixing a social aspect into your learning and industry branding efforts.

Invest in yourself: A day out of the office to sharpen your skills, is investing in yourself. It is admitting that you are worth it, that you still have things to learn and that you can get better. It is an investment in yourself, your career and your growth.

WHY DUBAI?

- According to the reports, UAE pharmaceutical market is expected to reach \$3.7 Billion by 2020 at a projected Compound Annual Growth Rate (CAGR) of 5.3%
- Dubai is the global business hub which attracts the investors from across the globe
- The UAE's health care market is also boosted by the medical tourists, of which Dubai is aiming to have more than 20 million by 2020, according to UAEinteract
- The establishments of free zones and a friendly investment climate to explore the promising opportunities in the region
- The stable regulatory political environment in the UAE leads to the growth in the pharmaceutical market
- The MENA region is accountable for 1.5% of the global total drug consumption which is around \$9 Billion
- The capital investment on pharma sector ranked the UAE at 2nd position in the region
- The UAE is 2nd in the region in terms of capital invested in the Pharma sector
- More than 72 countries exports pharma products to UAE
- Reliant on imports with more than 72 countries exporting pharma products to UAE
- The positive trends in UAE's healthcare market can primarily be attributed to the increasing coverage of healthcare insurance and government initiatives to improve healthcare facilities
- Dubai is the 4th most visited city in the world and attracts tourists from across the globe.
