

ABOUT TRIAGE CANCER

Triage Cancer is a national, nonprofit organization that provides education on the practical and legal issues that may impact individuals diagnosed with cancer and their caregivers, through events, materials, and resources.

TRIAGE CANCER CONFERENCES

Who should attend?

Individuals diagnosed with cancer, caregivers, health care professionals, & advocates will learn about:

- Understanding health insurance, picking a health insurance plan, and appealing denials
- Accessing clinical trials
- How to work through treatment or take time off
- Applying for and appealing disability insurance
- Managing finances, medical bills, and financial help
- Estate planning and medical decision making
- Becoming an empowered patient and advocate

FREE CES/CONTACT HOURS:

- Triage Cancer is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. Nurses who meet the requirements will be awarded up to 6 contact hours.
- Triage Cancer, #1689, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Triage Cancer maintains responsibility for this course. ACE provider approval period: 8/26/20 to 8/26/23. Social workers participating in this course will receive 6 continuing education credits.
- Triage Cancer is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0626. Social Workers completing this course will receive 6 contact hours.

Saturday, November 14

This program will be offered online through the Zoom platform.
