WELCOME TO ISLS 2025

Dear Colleagues, We are thrilled to invite you to the **6th Congress of International Advanced HBP Surgery (ISLS 2025)**, taking place from **October 22-25, 2025**, at the **Sheraton Centre Toronto Hotel** in Toronto, Canada. This will be the first ISLS congress in North America. Organized by the **International Society of Liver Surgeons (ISLS)**, this prestigious event will bring together leading experts in hepatobiliary and pancreatic (HBP) surgery from around the world. The congress will feature a comprehensive scientific program, including invited lectures, oral and poster presentations, live demonstrations, and a variety of sessions showcasing the latest advancements in HBP surgery. In addition to the scientific program, the congress provides numerous networking opportunities, enabling you to connect with peers, exchange knowledge, and discuss current trends and challenges in HBP surgery. Specialized workshops and symposia will highlight cutting-edge surgical techniques and innovations, providing valuable insights and hands-on learning experiences. An exhibition area will showcase the latest medical devices, technologies, and pharmaceuticals related to HBP surgery, offering participants a chance to explore groundbreaking innovations in the field. For your convenience, the Sheraton Centre Toronto Hotel, located in the heart of Toronto near the iconic Nathan Phillips Square, offers a variety of accommodation options and nearby activities, with special rates available for congress participants. We look forward to welcoming you to Toronto, a vibrant and exciting city, for what promises to be an inspiring and enriching conference. Save the date and I will see you in Toronto.
