KEYNOTE FACULTY

Dean Toriumi

Dean Toriumi is a former President of the American Academy of Facial Plastic and Reconstructive Surgeons (AAFPRS), and a leading innovator in open structure rhinoplasty surgery over 25 years. He has authored multiple textbooks and textbook chapters, published countless medical papers and numerous book chapters on facial plastic and reconstructive surgery.

Olivier Gerbault

Dr Gerbault is a professor at the International Society of Plastic and Aesthetic Surgery (ISAPS) and trains surgeons every month in current rhinoplasty techniques. He is notably the inventor of ultrasonic rhinoplasty, which contributes to making him one of the leading experts in rhinoplasty in France in this field. He continues to advance rhinoplasty techniques and regularly publishes scientific articles on this subject.

Luiz Carlos Ishida

Dr Luiz Carlos Ishida is a full member of the Brazilian Society of Plastic Surgery, Coordinator of the Rhinoplasty Group at the Plastic Surgery Division at the University of São Paulo, Member of the International Society of Aesthetic Plastic Surgery (ISAPS), Editorial board of the Revista da Sociedade Brasileira de Cirurgia Plástica (SBCEP), and Reviewer of the Aesthetic Surgery Journal (ASJ).

Milos Kovacevic

Dr Kovacevic is an ENT and Facial Plastic training in Heidelberg Klinikum Nord Hospital, Hamburg, Germany, dedicated exclusively to rhinoplasty. Dr Kovacevic has developed and improved several techniques in rhinoplasty which are published. He has focused on tip sutures, alar transposition, middle vault treatment etc.

Abdulkadir Göksel

Dr Abdülkadir Göksel is board certified by the European Board of Facial Plastic and Reconstructive Surgery. He has mainly focused on rhinoplasty for the last 20 years. Dr Göksel is the international member of American Academy of the Facial Plastic and Reconstructive Surgery, European Academy of Facial Plastic Surgery and Turkish Facial Plastic Surgery Foundation. In the last 20 years, he has mainly focused on rhinoplasty.

Aaron Kosins

Dr Kosins is a Board Certified Plastic Surgeon in Newport Beach. He has worked to develop technology in the basic sciences, and has published his findings with world-renowned innovators in nerve regeneration, stem cell technology, microsurgery, facial aging, and rhinoplasty.

Rick Davies

Dr Davis is a former Vice President of Education for the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS). He is recognized for his expertise in complex rhinoplasty and is a frequent author and international speaker on the topic of cosmetic and revision nasal surgery.
