

2017 Annual NYSSOS Symposium & Meeting

SEPTEMBER 23, 2017

Hospital for Special Surgery | New York City

Please join us at the 2017 New York State Society of Orthopaedic Surgeons Annual Symposium and Meeting on Saturday, September 23, 2017 at Hospital for Special Surgery in New York City.

This year's theme is **"What's New in Orthopaedic Surgery."** Through a joint providership with Hospital for Special Surgery, the Symposium will deliver brief, high yield presentations by HSS experts in all disciplines of orthopaedics followed by discussions with the audience. Orthopaedic surgeons, residents, fellows and allied health professionals will benefit from these presentations and are invited to attend.

Past participants indicated this format provides for awareness of treatment protocols outside of their current area of practice and cited the collegiality and ability to network as added bonuses to the educational forum.

During the luncheon, NYSSOS will discuss important State and National legislative and regulatory initiatives that affect your patients and your practice.

Please register today using the enclosed information or visiting hss.edu/eAcademy. We encourage you to take advantage of the Early Bird discounted rates by August 23rd and to share the information with your colleagues.

New for 2017: For those unable to join us in person, we are pleased to offer a **live streaming option!**

Hospital for Special Surgery designates this live activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

In addition, participants who elect to purchase and pass the OKU 12 test will receive up to 20 SAE credits. Participants who elect to purchase and pass the OKU 12 test **and** review the OKU 12 educational material will be eligible to receive up to an additional 70 CME credits.

For more information, please contact: Wanda Napolitano at napolitanow@hss.edu or 212.606.1812.

We look forward to your participation on September 23rd!

Sincerely,

What's New in Orthopaedic Surgery

SEPTEMBER 23, 2017

Hospital for Special Surgery | New York City

LOCATION

Hospital for Special Surgery

Richard L. Menschel Education Center, 2nd Floor
535 East 70th Street, New York, NY 10021

TARGET AUDIENCE

Orthopaedic surgeons, residents, fellows and allied health professionals will benefit from this activity.

LEARNING OBJECTIVES

HSS continuing medical education activities are intended to improve the quality of patient care and safety. At the completion of the course, participants will be able to:

- Describe updates in various areas in orthopaedic surgery and determine when these updates should be recommended in practice.
- Report current research, policy, and legislation related to orthopaedic surgery.
- Describe and implement strategies to prepare for the Maintenance of Certification (MOC) exam.
- Identify individual learning gap(s) and topic(s) in which further learning is needed to prepare for the MOC exam. Participants will focus self-study efforts on those topics.

ACCREDITATION STATEMENT AND CREDIT DESIGNATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Hospital for Special Surgery and New York State Society of Orthopaedic Surgeons. Hospital for Special Surgery is accredited by the ACCME to provide continuing medical education for physicians.

Hospital for Special Surgery designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SPECIAL NEEDS

Hospital for Special Surgery is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of Continuing Medical Education at 212.606.1812.

FINANCIAL DISCLOSURE

In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support, all CME providers are required to disclose to the activity audience the relevant financial relationships of activity directors, planning committee members, presenters, authors and staff involved in the development of CME content. An individual has a relevant financial relationship if he or she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control.

It is the policy of Hospital for Special Surgery to request all financial relationships that activity directors, planning committee members, presenters, authors and staff have with commercial interests, but to disclose to the activity audience only the **relevant** financial relationships.

TWO WAYS TO REGISTER

Register and pay online at hss.edu/cme or register by mail using the registration form on the back.

REFUND POLICY

A handling fee of \$75 is deducted for cancellation. Refund requests must be received by mail one week prior to the course. No refund will be made thereafter.
