NeoPREP®

WHAT IS NEOPREP®?

NeoPREP® is a 7-day intensive review of neonatal-perinatal medicine that emphasizes the process of evidence-based clinical decision making and focuses on the scientific basis for the clinical practice of neonatology. The course is also a preparatory education program based on the content specifications outline developed by the American Board of Pediatrics (ABP) for the neonatal-perinatal subspecialty.

The course content has been developed at an advanced level and is appropriate for individuals preparing for the ABP initial neonatal-perinatal subspecialty examination, as well as for individuals preparing for the examination required by the ABP for Part 3 of the Maintenance of Certification (MOC).

NeoPREP® emphasizes a learner-centered, educational approach featuring lectures, question-and-answer sessions, group case-based discussions, and mock-review question sessions to provide balanced views of the more controversial issues in neonatal-perinatal medicine. A comprehensive electronic syllabus will be provided to each participant.

UPON COMPLETION OF THE NEOPREP® COURSE YOU WILL BE BETTER ABLE TO:

- Integrate evidence-based treatments and recent developments and research into the practice of neonatal-perinatal medicine
- Diagnose and manage complex or difficult neonatal-perinatal cases through interactive case analysis
- Discuss neonatal-perinatal practice issues through informal learning in group case-based discussion sessions, interaction with faculty, and networking opportunities with peers

SCHEDULE AND FACULTY

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit www.aap.org/livecme for schedule, faculty, and session updates.

CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 51.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 51.25 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 51.25 hours of Category 1 credit for completing this program.

This program is accredited for 51.25 NAPNAP CE contact hours; pharmacology, psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.

CANCELLATIONS

Cancellations must be received in writing (registration@aap.org) by January 8, 2016 to receive a refund. An administrative charge of \$50 will be deducted.

UNABLE TO ATTEND?

While nothing replaces the experience of being at NeoPREP®, not everyone can attend in person. If you can't be there, you may order an MP3/MP4 or DVD-ROM package of the lectures and the concurrent sessions recorded at the course, which are synced with the presentation slides. To order the recordings visit www.dcpvidersonline.com/aap or call Digital Conference Providers at 630/963-8311 for pricing and additional information.

EARN MOC PART 2 POINTS!

- Register to attend the 2016 NeoPREP® Course
- Complete the online, pre-course self-assessment
- Attend the 2016 NeoPREP® Course in Atlanta, GA
- Complete the online, post-course self-assessment with a minimum passing score of 80%
- The pre- and post-course self-assessments are a bonus to registered course attendees to enhance the learning experience at the live activity and provide 10 ABP MOC Part 2 Points in addition to the CME credit earned by attending the course.

Note: You are not eligible to claim MOC Part 2 credit for this course-related self-assessment, if you have received MOC Part 2 credit for completing the 2013 AAP NeoReviewsPlus Self-Assessment.

Please include your email address to ensure that you receive instructions for accessing the MOC pre/post tests. Please contact AAP registration if you do not receive an email approximately one week prior to the course.

ONLINE SYLLABUS

The 2016 NeoPREP® is environmentally friendly! Syllabus materials for this course will be made available online for registered course attendees. About 1 week prior to the course, you can expect to receive an email with instructions for accessing the online syllabus materials. Only registered participants will have access to view all of the PowerPoint presentations, along with other useful information. If you are interested in viewing the contents of the online syllabus while in Atlanta, we encourage you to download the syllabus onto your laptop computer or tablet device prior to arriving on-site. If you prefer to have printed handouts in front of you while at the course, we encourage you to print those from the online syllabus ahead of time and bring them with you. There will not be any AAP-provided printer stations at the course.

Note: Please include your email address on your registration form to ensure that you receive instructions for accessing the online syllabus. Please contact AAP registration if you do not receive an email approximately one week prior to the course.

Because the AAP understands that individuals have different learning styles, you may choose to order a printed copy of the syllabus materials, if you prefer that format. If you would like a printed copy of the syllabus, please select that option on the course registration form. Please note that an additional fee of \$250 applies. Also, to receive a printed syllabus in Atlanta, you must register by December 21, 2015.

Note: There may be printed copies of the syllabus available for purchase on-site or after the course; however, quantities will be limited. The price for a printed syllabus ordered on-site or after the course is \$495.

AMERICAN ACADEMY OF PEDIATRICS

The AAP is an organization of 64,000 primary care pediatricians, pediatric medical subspecialists, and pediatric surgical subspecialists committed to the attainment of optimal physical, mental, and social health and well-being for all infants, children, adolescents, and young adults.

AAP SECTION ON NEONATAL-PERINATAL MEDICINE

Founded in 1974, this AAP Section is composed of members who have a special interest in practicing in the fields associated with or related to neonatal-perinatal medicine. The Section was formed for the purpose of improving the care of newborn infants and fetuses, pregnant women and their families by providing an educational forum for the discussion of problems relating to neonatal medicine, pregnancy, and parturition.

Membership in the Section is open to Fellows and Resident Members of the AAP and approved National and Section affiliates who are actively involved in the fields associated with or related to neonatal medicine.

To join the Section, call 800/433-9016, ext. 5897.

Your registration will be confirmed. Please contact the AAP Registration Area if you do not receive a confirmation within 14 days. The AAP recommends that you do not make travel or hotel reservations that cannot be changed or cancelled without penalty until you receive your confirmation, as the AAP cannot be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at this course. Costs incurred, such as airline or hotel penalties, are the responsibility of the individual. The AAP reserves the right to cancel this activity due to unforeseen circumstances or to limit enrollments, should attendance exceed capacity. **Course educational sessions are open only to registered attendees.**
