CSI 2019

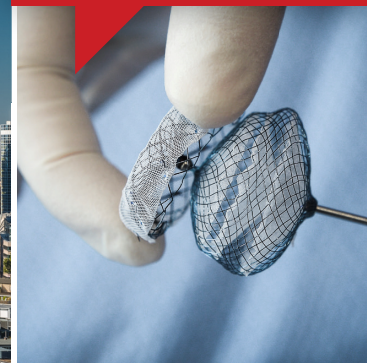

Catheter interventions in congenital, structural and valvar heart disease

LIVE CASES

Dear Colleagues,

We are delighted to invite you to CSI Frankfurt, one of the leading conferences on congenital, structural and valvar percutaneous heart interventions worldwide, which will take place June 26-29, 2019 in Frankfurt, Germany. The scientific program offers lectures from leading experts and live case transmissions showcasing skilful operators from all over the world, as well as parallel streams of adult, pediatric and mixed sessions so that you can customise your learning experience according to your own interests.

CSI Frankfurt is renowned for its familiar atmosphere, where faculty is approachable,

dialogue and discussion is encouraged and the focus lies on networking and direct interaction between attendees, faculty and industry alike.

For over 20 years, CSI has been a melting pot for physicians from all over the world and we look forward to welcoming you to CSI Frankfurt this summer!

We look forward to seeing you in Frankfurt, June 26 - 29, 2019!
