

SAVE THE DATE!

2021 ALASKA DENTAL SOCIETY

ANNUAL SESSION

May 21 – May 22, 2021

Talkeetna Alaskan Lodge

*With Speakers Dr. Barry Taylor
and Dr. Brian Novy*

BEST THINGS TO DO IN TALKEETNA

Denali Flightseeing | Jetboat or Riverboat Tour | White Water Rafting | Hiking | Ziplining | Fishing Charters

Updates in Pain Management

Updates in Pain Management will emphasize current trends towards less opioid use and discuss marijuana as an alternative pain medication. The course will meet the pain management requirement for 2021-22 dental licensure.

Dr. Barry Taylor, an assistant professor in Restorative Dentistry, is a nationally known speaker who presented the Green Dentistry course in Anchorage in 2018.

Offensive Dentistry

Let's face it, sitting through a lecture about dental caries or caries risk assessment isn't appealing (in fact it sounds downright boring). However, the science of clinical cariology is beginning to have an impact on restorative techniques and technology. *Streptococcus mutans* has more to fear than a rheostat, now that we're armed with salivary diagnostics and bioactive materials.

Dr. Brian Novy, Director of Practice Improvement at the DentaQuest Institute, is a nationally known speaker. Dr. Novy presented the Potty Mouth Predicament at the 2016 ADS Annual Meeting.
