CALL FOR ABSTRACTS

We are currently accepting abstract submissions for poster presentations related to musculoskeletal imaging. Feel free to submit multiple abstracts.

Outstanding poster presentations will receive CASH PRIZES!

Abstract Contents

Please adhere to the specified format depending on whether your submission is an original paper or a case report.

Research Format	Case Report Format
Objectives	Introduction
Method	Report
Results	Discussion
Conclusions	Conclusion
Figures (Tables & Graphs)	Figures (Tables & Graphs)

Submitting full papers enhances the chances of getting published in the Borneo Journal of Medical Sciences (BJMS). Moreover, all abstracts will also feature in the E Program Book.

Abstract Guidelines

- Ensure text body of your abstract does not exceed 300 words.
- Keep your abstract to a single page with Font Size 12, Times New Roman, and Single Spacing.
- Include full names and affiliations of all authors, with the presenting author's name underlined.
- You can include up to three figures in your abstract, such as graphs and tables, but avoid using photos, pictures, or radiographs.
- Submit your abstract in either Microsoft Word or PDF formats when registering.

Submission Ends On
21st June 2024

sfmic2024@gmail.com

Registration 2024

Early Bird (Until 30/04)

Specialist: COR & MyRad Member

A : RM 400 B : RM 550
