Miami Beach FL

Miami is located at the southern tip of the mainland of Florida. The weather is typically warm and sunny in March. Miami has incredible access to the Florida Keys (just 90 miles south), The Florida Everglades (20 miles west), and the world famous South Beach (3 miles east). We have planned a course that will give you a tour of Miami while attending the conference including to the south in Coconut Grove and to the East on Key Biscayne (a small island east of downtown Miami). For specific information regarding recreational activities and things to do please see our website at www.southfloridawildernessmedicine.com

Lodging & Transportation Information

Lodging & Transportation information for the Miami Beach, FL area can be found on the South Florida Wilderness Medicine website:

www.southfloridawildernessmedicine.com

Please visit the AWLS Facebook page if you would like to post info regarding sharing a room or transportation with another student.
