

Georgia Association of Physician Assistants
presents the

2018 Summer CME Conference & Exhibition

July 15-19 • Sandestin, FL

Register early and
save at GAPA.net

FEATURING:

- ✓ All day tracks in Cardiology, Dermatology, Emergency Medicine, Endocrinology, Orthopedics, **and More!**
- ✓ 600+ Attendees from 50 states
- ✓ 8-Hour Board Review and Hands-On Workshops
- ✓ Offering CE credit to PAs & NPs
- ✓ Keynote Speaker: Brad Nieder, MD, "The Healthy Humorist®"

"I've been a PA for 32 years. This was my first GAPA meeting and probably the best meeting I have been to in over 10 years. I love that the speakers are intelligent, working clinicians and the practical workshops are fantastic!"

Letter from the President

You Are Invited!

Friends!

If GAPA's 2017 conference was listed on the New York Stock Exchange, our stock would have skyrocketed. Why? Because the satisfaction of our conference attendees has reached an all-time-high! The positive changes to our conferences, implemented last year, resulted in the following stats:

98% = conference met my goals/expectations

95% = presentations will help me in my practice

96% = variety of presentations were satisfactory

For our 2018 nationally attended event, you're in for another HUGE treat. Here's why:

Education. Our attendees LOVE our new format of "dive-deep tracks" — we'll be continuing this winning approach. Our presenters are the crème de la crème — truly the best in their respective fields. We asked them for their full-throttle creativity, and trust me, they've risen to the challenge. We promise you'll be engaged and entertained at the same time. And, of course our hands-on workshops sell out each year, so be sure to secure your spot early.

Destination. One of the country's most premier summer beach destinations, the world-class Sandestin Golf & Beach Resort can't be beat. I don't know if it's the seven miles of sugar-white sand beach, four championship golf courses, 15 world-class tennis courts, 19 swimming pools, a 113-slip marina, water sports, or fishing. Or, it could be the children's programs, spas, shopping, and casual and fine dining restaurants. Whatever the reason, your peers and colleagues from all 50 states are flocking to this amazing Gulf of Mexico destination. As for me, I love it all!

Relaxation. Rejuvenation. Recreation. Most of us work too many hours, are too stressed out, don't have enough time for family, and don't have enough chill time. Sound familiar? I challenge you to sign up right now (you'll get the best price). Book your hotel and get the best room. Let's laugh together during our keynote speaker. Let's enjoy the finest CME available anywhere. Let's chill on the beach with our family and friends.

What's more, whether you're a first time conference attendee or you're "coming home" like hundreds who join us year after year, you'll be treated like family. Hear that? The beach is calling...

Tim Dare, PA-C, President, Savannah, Georgia

Host Resort

The Sandestin Golf & Beach Resort is the host location of GAPA's 2018 Summer CME Conference & Exhibition. The conference will be held in the Baytowne Conference Center. 9300 Emerald Coast Pkwy W, Sandestin, FL 32550

Exhibition Hall & Job Opportunities

GAPA's Exhibition Hall will feature dozens of companies presenting the latest medical products and services, career options, and professional services. This is an excellent opportunity to learn more about the resources available to today's health care professionals. Looking for a new job? Representatives of employment services, large hospitals, clinics, and other medical practices will be there waiting to talk with you.

CME Credit – PAs & NPs

Physician Assistants: This program has not yet been approved for Category 1 CME credit. GAPA will request 25 Category 1 CME hours (plus up to 8 hours for additional Sunday workshops) from the American Academy of Physician Assistants.

Nurse Practitioners: According to the American Nurses Credentialing Center, you are permitted to earn and file CE credits for this program.

Registration

Registration begins on Sunday, July 15 at 10:00 am (workshop registration at 7:30 am); Monday, July 16 at 6:00 am; Tuesday – Thursday at 6:30 am. Your conference registration includes breakfasts, lunches, breaks, attendee tote bag and access to all lectures and exhibits. Full guest registrations are available for \$200 (starting at), and include the same items as a full conference registration except for a CME certificate and select lunch & learn sessions. See page 6 for breakfast times.

CME Certificate

GAPA will email you a short survey following the conference. At the conclusion of this survey, you will be directed to the website where you can print your CME certificate. If you have not received emails from GAPA to date, please stop by the registration desk to verify your email address.

Keynote Speaker: Brad Nieder, MD, "The Healthy Humorist®"

Tuesday, July 17, 10AM

"LAUGHTER IS THE BEST MEDICINE"

Dr. Brad Nieder's signature keynote –
"Laughter is the Best Medicine" – is funny!
The healthcare humor will tickle your

funny bone and have you laughing. "The Healthy Humorist" has been known to skewer such topics as healthcare lingo, diet plans, pharmaceutical ads, medical marijuana and scrubs. He's even been known to break into song!

Not just your standard comedy show, though, the program is uplifting, too. You may find yourself committing to lightening up and laughing more. Or to adopting a new healthy habit.

It's also educational... but not in a boring way. You'll laugh as you learn why laughter really is good medicine... for combating stress, feeling better and living longer. And

Dr. Brad always dispenses some wellness advice, too, in an entertaining manner unlike any other doctor you've encountered.

So that's it in a nutshell: a funny doctor who delivers healthcare comedy, an inspiring message and valuable information. You'll be feeling better in no time!

Hands-On Workshops Sunday, July 15

Board Review

John Bielinski, Jr., MS, PA-C

8:00 a.m. – 5:30 p.m.

This program, by John Bielinski, Jr, PA-C, is an 8-hour, "smart study" approach to help give you the confidence and knowledge you need to pass your certification exam. You'll learn how to use a technique called "selective negligence" to focus on high yield topics when studying for the PANCE/PANRE. We utilize the technique by diving into the top 4 topics of the boards which make up 48% of the exam content (as provided by the NCCPA). The breakdown is as follows: Cardiology – 16%, Pulmonary – 12%, Gastrointestinal – 10%, Musculoskeletal – 10%. You'll learn how to conquer these board review topics by implementing our "active engagement learning" system!

Slit Lamp

Jim Gordon, PA

8:00 – 10:30 a.m.

At the conclusion of this workshop, the participants will be able to understand the basic eye examination, and review some common pathology and common findings in the emergency setting. Each attendee will be given individual slit lamp examination training.

MSK Ultrasound

Karen McGuigan, RMSK, ARNP

8:00 – 11:00 a.m.

GAPA has partnered with SonoSite, and would like to invite you to join us for a workshop dedicated to understanding and improving diagnostic ultrasound skills. This course is designed for the novice wishing to focus on diagnostic, rather than guided injection ultrasound techniques.

Diagnostic ultrasound is noninvasive and offers real-time imaging, allowing for examinations of structures at rest and in motion. This ability to capture the movement of musculoskeletal components differentiates it from other imaging modalities and can permit more accurate diagnoses. Other advantages for your patient include its portability, which allows for point-of-care application and interpretation.

Through hands-on practice sessions and question-and-answer opportunities with onsite experts, you'll learn how the integration of point-of-care ultrasound into your practice can benefit you and your patients.

Crash Course in Clinical Skills

Jim Gordon, PA

11:30 a.m. – 2:30 p.m.

Learn new clinical skills with an explanation/demonstration workshop. Literally from head to toe, this workshop will cover a multitude of skills necessary for treating conditions encountered in the acute care setting. Skills such as fish hook removal, ring removal, body piercing/jewelry removal, abscess/felon/paronychia drainage, central line placement, chest tube placement, lumbar puncture, and various nerve blocks will be covered in lecture. Equipment will be available to have hands-on practice of other skills (should time allow) but emphasis will be given to the skills most often requested in the past. Individual instruction will be provided and everyone will have the opportunity to practice on life-like models. Pearls and techniques of various clinical skills will be discussed.

ACLS

Tony Fullard, PhD

12:00 – 5:00 p.m.

This course is a review for those with a current ACLS course card. This workshop will cover the skills and didactic information necessary to treat a cardiac arrest patient.

Participants will review various clinical applications.

Joint Injections

Mary Vacala, PA-C, ATC, MSPAS, DFAAPA

2:00 – 5:00 p.m.

Many practitioners have never been taught basic joint injection and aspiration techniques. Although basic musculoskeletal anatomy has been taught, hands-on application of the anatomy in aspirating and injecting joints has been limited with few opportunities to demonstrate hands-on skills. At the conclusion, participants will feel confident with their skills in aspiration and joint injections.

Chest X-rays

Christy Wilson, PA-C, MPAS, DFAAPA

2:00 – 5:00 p.m.

Everything you always wanted to know about a CXR, but were afraid to ask! This hands-on workshop will provide you with the tools necessary for interpreting CXRs in a primary care setting. Review radiographic images along with a brief case study, and expand knowledge of reviewing CXRs and making the appropriate diagnosis.

Suturing & Wound Techniques

Jim Gordon, PA

3:00 – 6:00 p.m.

At the conclusion of this workshop, the participants will be able to: Evaluate wounds/lacerations/conditions presented in the patient, prescribe appropriate treatment, procedure and/or medications; provide patient education appropriate for the individual patient and condition, and arrange follow-up as needed. These techniques will be practiced in class. Dermabond will be discussed and demonstrated.

Summer Conference Session Tracks

The Essence of Medicine: From Fast Track to Critical Care Thinking

presented by John Bielinski, Jr., MS, PA-C

MON

Sessions:

Urgent Care: Secrets of ID, Wound Care and Orthopedics

Effectiveness in Medicine: Patient Satisfaction/Medical Error Reduction & Influence

Advanced Case Studies in Medicine

Snap, Crackle, or Pop? Hands, Shoulders, Knees & Toes

presented by Scott Frischknecht, PA-C, DFAAPA, Mary Vacala, ATC, PA-C, MSPAS, DFAAPA, and Sheila Sander Fulcher, FN, MSN, ANP-BC

TUE

Sessions:

What in the Shoulder is Going on in There?

What We Need to Know About Knees

You Can't Shrug Off This Exam – (Hands-On) Examination of the Shoulder Made Simple

You'll Get a Kick out of This Exam – (Hands-On) Examination of the Knee

All Hands on Deck...Hands Down – (Hands-On) Evaluation of the Hand and Wrist

Managing Metabolic Mayhem

presented by Christine Kessler, MN, CNS, ANP, BC-ADM, CDTC, FAANP

TUE

Sessions:

Diabetes Medication Update

The Pocket Endocrinology: When to "Play" and When to "Punt"

Untangling Thyroid Conundrums

Weighing in on Obesity Management

The Entero-endocrine System and Chronic Health

Personalize your learning experience - flow freely through tracks as you wish

50 Shades of Grey: The Grey Areas of Cardiology and How Not to Get "Tied Up" in Them

presented by Jennifer Carlquist, PA-C

WED

Sessions:

Annual Events

The Georgia Association of Physician Assistants welcomes you and your family to our 2018 Summer CME Conference & Exhibition. While in Sandestin, you'll not only attain a superior education, but you're sure to have a little fun as well. Mark your calendars for the following social events, proudly hosted by GAPA.

Medical Challenge Bowl | Monday, July 16, 1:00 – 3:00 pm

Come cheer on PA students from Augusta University, Emory University, Mercer University, Philadelphia College of Osteopathic Medicine (Georgia Campus), and South University as they compete for the coveted trophy!

Volleyball Tournament | Monday, July 16, 6:00 pm

Join us Monday evening, on the beach, for the annual Georgia PA School showdown. Who will take the coveted trophy this year?

Annual GAPA Blood Drive | Tuesday, July 17, 9:00 am – 2:00 pm

Take some time to help others during this annual event.

Annual Golf Tournament | Wednesday, July 18, 1:00 pm

Don't miss our annual Golf Tournament, this year at Baytowne Golf Course. The entry fee for the four-person scramble is \$100 per player, and includes green fees and cart. If players wish to select their own team, notify the tournament chair on-site. Spouses and guests are encouraged to participate.

5K Fun Run/Walk | Thursday, July 19, 6:30 am

"Get Fit with GAPA" and view Sandestin's beautiful scenery with this 3.1 mile course. Entry fee is \$25 and includes a commemorative t-shirt. Please invite friends and family members to take part in this fun event!

Our Host Resort

9300 Emerald Coast Pkwy W
Sandestin, FL 32550

To make your
reservations,

*Pre-tax amount

Rooms in yellow are located in the same building as the conference.

Resort provides complimentary tram service throughout the property. Please see Sandestin.com for more details.

Please see GAPA.net for more information on accommodations.

The Baytowne Conference Center in the Sandestin Golf and Beach Resort will host GAPA's 2018 Annual Summer Conference & Exhibition.

GAPA has arranged for a discounted group rate at the Sandestin Golf and Beach Resort for its 2018 Summer CME Conference. If you have not made your hotel reservations, we strongly encourage you to do so. You can make your reservations by calling **1.800.320.8115**, by visiting **gapa.net/hotel** or by downloading the form found on our website and faxing it to: **850.267.8221**.

You must contact the resort directly (discounted rates are not guaranteed through internet services or travel agencies). **GAPA's Group Code is 22X6I3. GAPA's discounted rate ends June 15, 2018. It's possible the resort may sell out early.**

**Resort fee to be added of 12% of the pre-tax amount.
Resort fee includes: complimentary resort transportation;
two bicycles per unit for up to four
hours of usage daily; fitness center
usage; one hour per day of tennis
court time (based on availability); one
hour per day usage on either a canoe,
kayak, or boogie board.*

Special rates apply before and after the
conference – enjoy some extra leisure time!

Located on the northwest Florida Gulf Coast in Destin, Sandestin® Golf and Beach Resort is a 2,400 acre premiere resort, with 30 charming village neighborhoods featuring condos, townhomes and villas with luxury hotel accommodations that you would expect from a beach resort. Sandestin.com

Your stay also includes these FREE amenities:

- Access to Sandestin fitness center
- Free resort-wide tram and water shuttle transportation service
- One hour of free tennis court time
- Four hours of a free bicycle rental
- Free children's activities

Make Family Memories!

The Sandestin Resort is the perfect getaway for families of all sizes. While mom and dad are away, the little ones can play with supervised, planned activities under the KidZone and Kids on the Go day programs. Older children and teenagers will have a blast ziplining, going through ropes courses, taking sailing classes, swimming and more in and around the Sandestin area.

Golfing, Tennis & Fishing

Sandestin features four award-winning championship golf courses designed by world-renowned course architects, 15 world-class tennis courts, dozens of water sports, a fitness center and much more. Sandestin.com

Deemed the "World's Luckiest Fishing Village," the nearby sea town of Destin boasts Florida's largest charter fishing fleet, spirited seaside celebrations, the freshest seafood and nine saltwater world records. Emeraldcoastfl.com

Family Fun

Ever feed a dolphin? Come meet and greet the stars of Florida's gulfarium along with sea lions, stingrays, otters, penguins and more. Daily shows plus special dolphin encounter programs gets you up close and personal with hand-to-flipper experiences. gulfarium.com

Thrills, chills and spills await at big Kahuna's Water and Adventure Park, Destin's lost paradise of

fun! With more than 40 water attractions and an adventure park, Big Kahuna's offers something for every member of the family. bigkahunas.com

Shopping

With over 100 designer names and located just minutes from the beautiful white sandy beaches and emerald green waters of Sandestin, Silver Sands Factory Stores is a shopper's paradise! silversandsoutlet.com

Grand Boulevard at Sandestin® Town Center is a distinctive town center offering exclusive shops and fine dining. Featuring 255,000 square feet of specialty retail and restaurants, grand boulevard is located at the entrance of the luxurious 2,400 acre Sandestin Golf and Beach Resort. grandboulevard.com

Relax

Relax after participating in the conference with a massage at the Sandestin Day Spa & Salon. Take a break — you've earned it! Sandestin.com

Sandcastles are Waiting to be Built

Have the vacation of your dreams on seven miles of sugar sand along Florida's Emerald Coast. Looking to relax? Just stretch out on the beach and enjoy a Sandestin umbrella as shade. Or try your hand at kayaking, parasailing and beach volleyball. Don't forget your pail and shovel! Sandestin.com
