GENERAL INFORMATION

PROGRAM DESCRIPTION AND OBJECTIVE

It is the intent of the North Carolina Chapter of the ACR to provide practicing radiologists, and other health care professionals involved in the diagnosis and treatment of breast diseases with a review to describe how the BI-RADS Atlas serves as a key reference in evaluation and characterization of findings in the breast leading to optimal management, explain emerging breast cancer care paradigms in surgical, medical and radiation oncology, and outline breast cancer profiling with expression arrays, specifically newest updates on breast cancer classifications and those that aim to identify markers for clinical outcome prediction.

REGISTRATION FEES*

Physicians (non-NC Chapter Members)	\$500.00
NC Chapter Members	\$400.00
NC Residents and Fellows (In-Training)	FREE
Physicists	\$300.00

**Registration fee covers academic lectures and electronic syllabus.*

CONTINUING EDUCATION CREDIT

Continuing Education Credit will be based on the following criteria:

Accreditation Statement: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The American College of Radiology and the North Carolina Radiological Society. The American College of Radiology is accredited by the ACCME to provide continuing medical education for physicians.

Credit Statement: The American College of Radiology designates this live activity for a maximum of **15 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For information about the physician accreditation of this program, please contact the ACR at <https://www.acr.org/contact>.

Mammography Quality Standards Act: Documentation of your participation can be used by interpreting physicians to fulfill the 15 credits per triennium MQSA continuing education requirements.

Digital Accreditation: Attendance at the appropriate sessions of this conference will enable physicians to fulfill 8 credits.

Ultrasound/Ultrasound Guided Biopsy Accreditation: Attendance at the appropriate sessions of this conference will enable physicians to fulfill 4 credits.

MRI Accreditation: Attendance at the appropriate sessions of this conference will enable physicians to fulfill 1 credit.

Stereotactic Accreditation: Attendance at the appropriate sessions of this conference will enable physicians to fulfill 2 credits.
