Ellie J.C. Goldstein, M.D.
David Ha, Pharm.D.
James McKinnell, M.D.
Jeffrey Silvers, M.D.
Francesca J. Torriani, M.D.

Accreditation

The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.*

PHYSICIANS: IDAC designates this educational activity for a maximum of 8.0* AMA PRA Category 1 Credit(s)TM and American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program points. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

PHARMACISTS: The California Board of Pharmacy accepts coursework which meets the standard of relevance to pharmacy practice and has been approved for AMA PRA Category 1 CreditTM. A maximum of 8.0* C.E.U.s may be reported.

NURSES: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 CreditsTM issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts AMA PRA Category 1. CreditsTM. A maximum of 8.0* C.E.U.s may be reported.

**Accreditation and credit may be provided by additional institutions, as identified in the program.*

About IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical professionals in California with an interest in Clinical Infectious Diseases/HIV. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts three annual symposia, special topic symposia, and research addressing clinical and business issues pertaining to the practice of Infectious Diseases, as well as operates an Internet web site, e-mail network, and a Speakers Bureau.

Full Membership is open to medical professionals practicing in California, including physicians, pharmacists, Ph.D.s, R.N.s, infection preventionists, and microbiologists. Associate Membership is open to medical professionals practicing outside California. Dues are \$125 per year. Membership is also available to I.D. Fellows-in-Training and Pharmacist Residents (associated with IDAC Members) at no charge.

Emerging Clinical Issues in Infectious Diseases 2020

May 2-3, 2020 • Hyatt Regency John Wayne Airport

The **Infectious Disease Association of California** (IDAC) hosts its 34th annual *Spring Symposium* on Saturday & Sunday, May 2-3, 2020. The Spring Symposium mixes the discussion of clinical infectious disease topics, with time to enjoy the destination and socialize with colleagues and their families.

This year's event takes place at the **Hyatt Regency John Wayne Airport** in Newport Beach, CA. As presented within this brochure, it will consist of 9.0 CME sessions, a Saturday night Reception and Banquet, and Break-Out sessions for physicians, pharmacists, and infection control practitioners.

TARGET AUDIENCE

This CME activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection control practitioners/nurses, and microbiologists with an interest in infectious diseases, HIV medicine, and infection control.

CURRICULAR GOALS & OBJECTIVES

Upon completion of this activity, the participant will be able to:

- Apply current infection prevention strategies to reduce the infection risk of surfaces.
- Integrate new strategies in the diagnosis, and treatment of diabetic foot ulcers to reduce wound severity and extending remission time.
- Implement the latest evidenced based clinical practice guidelines for the diagnosis and management of patients with pneumonia.
- Identify adults with Mycobacterium Avium Complex infection and incorporate new MAC agents into evidence-based treatment plans
- Employ the latest strategies in screening, diagnosing, staging, treatment and follow-up care of patients with STDs including Congenital Syphilis.
- Articulate the current epidemiology, diagnosis, treatment and containment challenges of COVID-19.
- Evaluate potential outpatient management strategies for patients with Endocarditis and Osteomyelitis and other at-risk patients
- Apply new recommendations for the utilization of recently approved antimicrobials.
- Assess the neurocognitive sequela of the pediatric patient with congenital zika

DISCLOSURES

This symposium is supported by grants from commercial interests. List of supporting companies will be disclosed at the symposium.

CME topics and speakers are chosen independently of commercial interests. Speaker disclosures will be provided in the course syllabus, distributed at the symposium.

Asst. Professor, Keck Graduate Institute School of Pharmacy & Health Sciences

Pharmacist, Pomona Valley Hospital Medical Center, Pomona, CA

Ravina Kullar, Pharm.D., M.P.H.

Expert Stewardship, Inc., Santa Monica, CA

11:00 am *Neurocognitive Sequela of Congenital Zika*

Karin Nielsen-Saines, MD, MPH

Professor of Clinical Pediatrics

Division of Pediatric Infectious Diseases

David Geffen School of Medicine at UCLA, Los Angeles, CA

NOON SYMPOSIUM ENDS

FOR PHYSICIAN MOC CREDITS

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.0 MOC points in Medical Education in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

REGISTRATION

Full registration will include sessions, continental breakfast each day, Saturday buffet lunch, exhibits, attendee packet and resources, and attendance/CME certificate. Saturday night Reception and Banquet is extra. See Registration Form on page 7.

Emerging Clinical Issues in Infectious Diseases 2020

ACCOMMODATIONS

The newly remodeled Hyatt Regency John Wayne Airport offers a convenient and luxurious venue for the *IDAC Spring Symposium*. Relax in your contemporary modern design guest room with a step-out balcony, 65" SMART TV, upgraded marble and quartz baths, free WiFi, and minifridge. In the lobby is the WAVE restaurant and BLVD Bar, while recreational options include a heated outdoor pool and whirlpool, and a Fitness Center. Shopping and other Orange County attractions are only a short drive away or accessible by shuttle bus. For more information, use the hotel link on IDAC's website: www.idac.org/upcoming.html or call: (949) 975-1234.

HOTEL RESERVATIONS

A limited block of hotel rooms has been reserved for the Symposium, beginning at \$179+tax per night (though lower rates may be available by booking through the Hyatt.com website). To guarantee your room reservation at this rate, you can use the hotel link on the IDAC website: www.idac.org, or call: (800) 233-1234 identifying yourself as with the "Infectious Disease" group. The hotel reservation deadline is **April 3, 2020**. After that date, rooms will only be available on an "as available basis" at current rates. Cancellations must be made 48 hours prior to arrival date. All cancellations should be made directly with the hotel and a cancellation number must be obtained.

SOCIAL EVENT

The Symposium will host a Reception and Symposium Banquet on Saturday, May 2 at the Hyatt Regency. Reserve your spot on the Registration Form, and select your entree. Salad, dessert, and beverages are included.

LOCATION/PARKING

The Hyatt Regency John Wayne Airport is located at 4545 MacArthur Blvd., Newport Beach, CA 92660. The hotel is next door to John Wayne Airport, and just seven miles inland from the ocean. Self-parking is free.

TRANSPORTATION

DRIVING INSTRUCTIONS: From Interstate 405 (San Diego Freeway), exit MacArthur Blvd. Take MacArthur south. The hotel will be on the right side at Birch St.

AIR TRAVEL: The Hyatt is adjacent to John Wayne/Orange County Airport (SNA) and 30 miles from Los Angeles International Airport (LAX).

AIRPORT TRANSPORTATION: The hotel offers a free courtesy shuttle from John Wayne Airport, upon availability.

SYMPOSIUM CANCELLATION POLICY

Symposium registration fees may be refunded (minus a \$20 service fee), if written notification is received by April 24, 2020.
