

**ASIA PACIFIC
STROKE CONFERENCE**
2-4 OCTOBER 2015
Shangri-La, Kuala Lumpur, Malaysia
United voice against stroke

Scientific Program

Ac

07:00 - 08:30	Registration				
08:30 - 09:30	Plenary: Implications for strong evidence for mechanical thrombectomy for the Asia-Pacific region				
08:30-08:50	MR. CLEAN Clinical Trial Results Dr. Olvert Berkhemer, Academic Medical Center, NETHERLANDS				
08:50 - 09:30	Acute Ischemic Stroke Panel Discussion Dr. Olvert Berkhemer, Academic Medical Center (Netherlands) Professor Woong Yoon, Chonnam National University, (Republic of Korea) Dr Bernard Yan, University of Melbourne (Australia)				
09:30 - 10:00	Q&A with Panel				
10:00 - 10:30	Opening ceremony				
10:00 - 10:10	Official Opening				
	Welcome - APSO				
10:10 - 10:15	Dr Craig Anderson, President, Asia Pacific Stroke Organisation (Australia)				
	Welcome - APSC 2015				
10:15 - 10:20	Professor Hamidon Basri, Chairman, Asia Pacific Stroke Conference 2015 Local Organising Committee (Malaysia)				
	Welcome - WSO				
10:20 - 10:30	Professor Stephen Davis, President, World Stroke Organisation (Australia)				
	TEA BREAK				
10:30 - 11:00	Exhibition and Poster Viewing				
	Intracerebral Haemorrhage	Stroke in the Asia Pacific		TIA & Minor Stroke	
11:00 - 11:20	Blood Pressure Control in Intracerebral Haemorrhage: What should be done? Craig Anderson (Australia)	11:00 - 11:20	Burden of Stroke in Developing Countries Jeyaraj D Pandian (India)	11:00 - 11:20	Final results of PROMISE TIA Registry: a nation-wide multicenter cooperative cohort study in Japanese patients with TIA in acute setting Toshiyuki Uehara (Japan)
11:20 - 11:40	Ethnic differences in ICH and its implications from INTERACT study	11:20 - 11:40	Alternative treatment in stroke NV Ramani (Singapore)	11:20 - 11:40	TIA and risk stratification Peter Kelly (Ireland)
11:40 - 12:00	Cerebral Microbleeds: Another link between brain and kidney Byung-Woo Yoon (Republic of Korea)	11:40 - 12:00	Thrombolysis in developing countries Nijasri Suwanwela (Thailand)	11:40 - 12:00	Recurrence of cardioembolic Stroke after TIA and Transient Neurological Attack before Vertebrovascular Stroke Shinichiro Uchiyama (Japan)

**ASIA PACIFIC
STROKE CONFERENCE**
2-4 OCTOBER 2015
Shangri-La, Kuala Lumpur, Malaysia
United voice against stroke

Scientific Program

12:00 - 12:20	Prolonged sleep increases the risk of Intracerebral hemorrhage: A nationwide case-control study Dr Tae Jung Kim (Republic of Korea)	12:00 - 12:20	Natural history of extracranial carotid artery disease among Asian stroke patients- A retrospective study Vijay Sharma (Singapore)	12:00 - 12:20	Changing trends of early recurrent stroke after TIA: Insight from the Korean TIA registry Yong Seok Lee (Republic of Korea)
12:20-12:30	Q&A with presenters	12:20-12:30	Q&A with presenters	12:20-12:30	Q&A with presenters
12:30 - 14:00	Exhibition and Poster Viewing				
12:30 – 13:45	Sponsor Symposia with Lunch				
Boehringer Ingelheim Symposia		Covidien Symposia		Pfizer Symposia	
Free Paper Session		Small vessel diseases and cognitive impairment		Acute Stroke Management	
		14:00 - 14:20	Management of dementia in the oldest old Philip Poi (Malaysia)	14:00 - 14:20	Neurosonology in Acute Stroke Vijay Sharma (Singapore)
		14:20 - 14:40	Is there a clear link between VRF and dementia ? Asita de Silva (Sri Lanka)	14:20 - 14:40	New techniques in neuroimaging for acute stroke Chris Levi (Australia)
		14:40 - 15:00	Role of cerebrovascular risk factors in dementia Nagaendran Kandiah (Singapore)	14:40 - 15:00	Neuroimaging in the selection of acute stroke patients for intervention Andrew Demchuk (Canada)
		15:00 - 15:20	CADASIL and CARASIL in the Asia Pacific Koji Abe (Japan)	15:00 - 15:20	Recent Advances in Stroke Management Hans-Christoph Diener (Germany)
		15:20 - 15:30	Q&A with presenters	15:20 - 15:30	Q&A with presenters
15:30 - 16:00	TEA BREAK Exhibition and Poster Viewing				

**ASIA PACIFIC
STROKE CONFERENCE**
2-4 OCTOBER 2015
Shangri-La, Kuala Lumpur, Malaysia
United voice against stroke

Scientific Program

Stroke Rehabilitation & Neuroplasticity		Cerebral Occlusive Disease		Free Paper Session	
16:00 - 16:15	Applying concepts in neuroplasticity for optimal stroke rehabilitation Natan Bornstein (Israel)				
16:15 - 16:30	Clinical trials in stroke rRehabilitation: what we have learnt? Michael Brainin (Austria)	16:00 - 16:20	Atherosclerosis, Inflammation, and Stroke Peter Kelly (Ireland)		
16:30 - 16:45	Post-stroke fatigue Patrice Lindsay (Canada)	16:20 - 16:40	Intracranial Atherosclerosis: Recent advances in Imaging Jong Sin Kim (Republic of Korea)		
16:45 - 17:00	Stroke survivor perspectives & National Stroke Association of Malaysia Janet Yeo (Malaysia)	16:40 - 17:00	Intracranial stenosis: Current & Future Management Lawrence Wong (Hong Kong)		
17:00 - 17:15	NGO liaison and patient support CY Huang (Hong Kong)	17:00 - 17:20			
17:15 - 17:30	Q&A with presenters	17:20 - 17:30	Q&A with presenters		
18:30 - 23:00	CONFERENCE DINNER Songket Restaurant 29, Jalan Yap Kwan Seng, 50450 Kuala Lumpur				

**ASIA PACIFIC
STROKE CONFERENCE**
2-4 OCTOBER 2015
Shangri-La, Kuala Lumpur, Malaysia
United voice against stroke

Scientific Program

October 4 2015

07:00 - 08:00	APSO AGM				
08:00 - 0830	Registration				
Free Paper Session		WSO Stroke session		Stroke in the Young	
		08:30 - 08:50	Stroke Burden and related life style factors in the Asia Pacific Jose Navarro (Philippines)	08:30 - 08:50	Stroke in Young-Geographical Variation Man Mohan Mehndiratta (India)
		08:50 - 09:10	Stroke Service delivery in Malaysia:Data from Malaysian Stroke Registry Zariah Abdul Aziz (Malaysia)	08:50 - 09:10	Cerebral venous thrombosis Muhammad Wasay (Pakistan)
		09:10 - 09:30	Diagnosis of Stroke: WSO perspectives Stephen Davis (Australia)	09:10 - 09:30	Stroke in Asia: differences between East and West. Tsong Hai-Lee (Taiwan)
		09:30 - 09:50	Acute Stroke Treatment: What to do in low resource settings?	09:30 - 09:50	Thrombolysis in Young Stroke V.G.Pradeep Kumar (India)
		09:50 - 10:10	Complications: What to do? Michael Brainin (Austria)	09:50 - 10:10	
		10:10 - 10:30	Mobilization in Stroke: When and for how long? Natan Bornstein (Isreal)	10:10 - 10:30	Q&A with presenters
10:30 - 11:00	TEA BREAK Exhibition and Poster Viewing				
Free Paper Session		Free Paper Session		Stroke Care Systems	
				11:00 - 11:20	Stroke CPG: The Korean experience. Keun-Sik Hong (Republic of Korea)
				11:20 - 11:40	Setting up a stroke unit in low resource settings Jose Navarro (Philippines)

**ASIA PACIFIC
STROKE CONFERENCE**
2-4 OCTOBER 2015
Shangri-La, Kuala Lumpur, Malaysia
United voice against stroke

Scientific Program

				11:40 - 12:00	Setting up thrombolysis and stroke care service in Hong Kong, hurdles and experience Wing-chi Fong (Hong Kong)
				12:00 - 12:20	Organization of Acute Strokecare Services Chris Levi (Australia)
				12:20 - 12:30	Q&A with presenters
12:30 - 14:00	Exhibition and Poster Viewing				
13:30 - 14:00	WSO Training				
14:00 - 15:50	Closing Plenary: Large Clinical Trails CASSIS latest clinical trial data				
14:00 - 14:20	Prof. Jiao Li Qun, CASSIS trial Principal Investigator (China)				
14:20 - 14:40	Pioglitazone treatment and long-term post-stroke prognosis in diabetic patients with acute ischemic stroke: the Fukuoka Stroke Registry				
14:40 - 15:00	Ryu Matsuo (Japan)				
14:40 - 15:00	Tenecteplase versus Alteplase for Stroke Thrombolysis Evaluation (TASTE) Trial Henry Ma (Australia)				
15:00 - 15:20	NAVIGATE ESUS: Multicenter, Randomized, Double-blind, Phase III trial of Rivaroxaban vs Aspirin for the Prevention of Recurrent Stroke and Systemic Embolism in Patients with Recent Embolic Stroke of Undetermined Source. Ashkan Shoamanesh (Canada)				
15:20 - 15:30	APSO 2016 Presentation				
15:30 - 16:00	TEA BREAK
