AMASICON 2015

Celebrating Silver Jubilee of Laparoscopic Surgery in India

**10th International Congress of
Association of Minimal Access Surgeons of India**

Live Operative Workshop From Grant Govt Medical College & Sir J J Hospital, Mumbai

Date : 5th- 8th November 2015 | Venue : Renaissance Mumbai Hotel & Convention Centre, Mumbai

WELCOME MESSAGE

The organizing committee of the 10th International Congress of Association of Minimal Access Surgeons of India – AMASICON 2015 takes great pleasure in inviting you to Mumbai for the Laparoscopic Surgery feast to be held from 5th to 8th November 2015. We are in the Silver Jubilee year of laparoscopic surgery in India and there is no better place than Mumbai to host this landmark congress. It is be fitting that it has come back to the place of its birth in the Silver Jubilee Year.

Perhaps we can confidently take pride in the fact that we are at an equal footing or better than that of the western world in embracing laparoscopic surgery. As a result of the concrete efforts of AMASI, laparoscopy is now being practiced widely in urban and rural areas alike. We are on track to achieve our mission of Minimal Access Surgery (MAS) for the masses.

The Association itself has lived upto expectations of its ever expanding 6000 plus membership. We have supported newer developments like Single Port, Robotic surgery in the field of Laparoscopic surgery. We are sure that this conference will focus on newer developments as well as well established procedures for new learners.

We welcome you all to the laparoscopic extravaganza and hope that you will go back with stimulated minds to jump into newer modalities of Laparoscopic surgery and of course with the utmost concern for the patient safety.

We hope you will have a great times in the financial capital of the country in terms of academics, fellowship and also have time to interact with our trade partners.

Welcome once again to Mumbai
