

The Celebrity Solstice® Celebrity Solstice® is one of the more decorated ships at sea, so it's no wonder that it's full of "firsts." Like the first Lawn Club at sea. The first Hot Glass Show? The first cruise line to have 5 women, also known as "the Leading Ladies" re-design and redecorate the staterooms. Some other things that set the Celebrity Solstice cruise ship apart are its specialty restaurants. Our passion for outstanding cuisine has taken the restaurants, the food and the overall dining experience to a whole new level in the cruising world. Celebrity Solstice also has the Canyon Ranch SpaClub® and fitness center, where you can pamper yourself with spa treatments or push yourself in a workout with one of our trainers. If only life on land was as good as life on Celebrity Solstice.

Celebrity **X** Cruises®

Ship Features:

Cellar Masters: Immerse yourself in the culture of wine within the inviting atmosphere of Cellar Masters, a wine bar. Cellar Masters offers you the opportunity to try a bold collection of both familiar and unknown wines from around the world. To help you explore these wines, it features the state-of-the-art Enomatic® wine-by-the-glass dispensing system. With a simple swipe of your SeaPass card, it will pour your choice directly from the bottle in a 1-ounce, 2.5-ounce or 5-ounce portion. Sommeliers will guide you in the use of the Enomatic® system and offer further insight into the fine art of wine selection, an integral part of an epicurean lifestyle. Then, you'll be ready to begin your travels through the world of wine.

Main Restaurant: A grand stage for dining. The Main Restaurant is the centerpiece of an impressive and enriching range of culinary experiences. It presents an unparalleled wealth of choices every evening. Working literally around the clock, the galleys delight in sending out artfully presented dishes, every delicate micro-green garnish perfectly in place.

Canyon Ranch SpaClub®: Relax and rejuvenate in our serene spa at sea. Experience the unique services of Canyon Ranch in a breathtaking setting—aboard Celebrity's modern luxury ships. Enhance your vacation with a complete wellness and lifestyle program that increases resilience, restores serenity, and helps you feel rejuvenated.

The Lawn Club: There's absolutely nothing like it. A freshly manicured lawn on the highest deck of Celebrity Solstice. This is The Lawn Club. Enjoy casual outdoor activities in a decidedly Country Club atmosphere, and let the grass between your toes take you places no cruise has gone before.

Sky Observation Lounge: A quiet refuge by day for gazing over the sea with a cocktail at hand. At night, the space comes to life with live music and dancing. In addition, special interactive theme parties include Live@Sky—music and dances of the 40s with a modern twist—and Motown, featuring funky soul with a live band, singers and dancers.

Silk Harvest Restaurant: A subtle taste of Far East delicacies meant to share. As the first Asian restaurant in the Celebrity fleet, Silk Harvest takes you on a journey to the Far East, offering authentic Asian hospitality perfectly paired with a contemporary blend of Chinese, Japanese, Thai and Vietnamese cuisine. Here you enjoy family-style dining in a warm and friendly setting.

The Hot Glass Show: Don't just appreciate art, experience it. Witness the incredible, gorgeous art of glassblowing with intimate live demonstrations. Watch and learn from professional glassblowers in this popular, one-of-a-kind exhibition from the renowned Corning Museum of Glass.

TRAVEL ARRANGEMENTS: To receive these discounted cruise fares you must book your cruise through NWWT/NWAS. We have all of the information regarding the cruise and seminar and can make your cruise reservations.

RESERVATIONS:Reservations will be secured and cabins assigned upon receipt of passenger deposit of \$900 per cabin. Final payment as instructed by our travel agent. Due to the number of details needed to complete cruise cabin booking accurately, **a cabin will not be booked for you until you have spoken with one of our cruise agents** via phone or via direct email correspondence. Please contact our office at 1-800-222-6927 or 1-509-547-7065 to complete your cruise reservation.

DISCOUNTED FARES: We have been able to negotiate a **great discount** for you on this luxurious cruise. Various promotional fares may also be available. **Always call us before booking anywhere else.**

Be sure to mention Northwest Anesthesia Seminars. Booking fee applies.

Register early to reserve your cabin on this cruise!

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, certified registered nurse anesthetists, physician assistants, nurse practitioners, registered nurses and other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CEC; AANA Code #1034321; Expiration Date 2/2/18.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

12-Day New Zealand and Australian Cruise

January 22 – February 3, 2018

This 12-night cruise features ports in Sydney, Australia and across New Zealand. Take in the natural wonder of Dusky, Doubtful, and Milford Sounds, taste the exotic flavors of Tauranga, or meet the rarest and smallest dolphin species in Akaroa. Enjoy these activities and more all while cruising on the Celebrity Solstice®.

Clinical Concerns in Anesthesia

12-Day New Zealand and Australian Cruise

January 22 – February 3, 2018

BaylorScott&White HEALTH
A. WEBB ROBERTS CENTER FOR CONTINUING MEDICAL EDUCATION

January 22 – Sydney, Australia – Ship Sails

Considered one of the most cosmopolitan cities in the Southern Hemisphere, Sydney offers just about anything—from beaches and wineries to stunning landmarks and world-class shopping. Tour architectural marvels like the Sydney Opera House and the Sydney Harbor Bridge, view life below the surface from Sydney Aquarium's underwater walkways, or take it all in from above on a tour of the Sydney Tower.

January 23 – At Sea
January 24 – At Sea
January 25 – Bay of Islands, New Zealand – Day Open

Those who love beaches consider these some of the world's finest, with their perfect white sand and crystal-clear water. And as tempted as you'll be to pull up a lounge chair and soak in the surroundings, many consider this the ideal place to partake in more active pursuits, such as kayaking, mountain-biking, parasailing, swimming with dolphins and scuba-diving.

January 26 – Auckland, New Zealand – Day Open

Step ashore into the bustling port city of Auckland. Inspiring views await 50 stories above this active metropolis on the observation deck of the Auckland Sky Tower. This lush, leafy urban cityscape is filled with beautiful parks, and a number of renowned art galleries waiting to be discovered. Just beyond the city outskirts, you can take a boat ride through the glow worm grottos at Waitomo Caves or visit the landscapes that inspired Peter Jackson's Lord of the Rings movie trilogy. The area also boasts geological treasures including a total of 48 dormant volcanoes.

January 27 – Tauranga, New Zealand – Day Open

Known as the Bay of Plenty, Tauranga is located at the entrance to one of the largest natural harbors in New Zealand. You can take a ride on a bush jet boat, go white-water rafting on the Rangitaiki River, or dine on the freshest fish and chips you'll ever taste, served al fresco. If you're looking for a more exotic counter, travel to the Mount Maunganui Hot Salt Water Pools.

January 28 – At Sea
January 29 – Akaroa, New Zealand – Day Open

Nestled in the heart of an ancient volcano, Akaroa is rich with beautiful bays, French and English colonial history, even the largest little penguin colony on the mainland. It's also home to the rarest and smallest marine dolphin and lots of water sports—kayaking, sailboats, also hiking paths and cycle tours. Pick up a unique souvenir from one of the many local craft shops and boutiques.

January 30 – Dunedin, New Zealand – Day Open

January 31 –
Cruising Dusky, Doubtful, and Milford Sound – Day Open

Steep cliffs that have been carved over centuries by dozens of waterfalls surround the largest and most complex fjords along the New Zealand coast. Here a wildlife paradise exists with seals and dolphins patrolling the water, and birds like broad billed prions, mottled petrels and sooty shearwaters floating on the overhead thermals. As cold mountain water cascades from the cliffs above, it creates an unusual dual-layered marine ecosystem of fresh and saltwater. This serves as a playground for a number of species, including fur seals and two types of penguin.

February 1 – At Sea
February 2 – At Sea

Take a day to enjoy the many activities and amenities offered aboard Celebrity Solstice®. Relax with a spa treatment or take in a glass-blowing demonstration.

February 3 – Sydney, Australia – Disembark

The cruise may be concluded, but Sydney has more to offer for those wishing to extend their trip.

New York, New York

COURSE REGISTRATION			18JNZC
TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early (Paid by 10/24/17)	\$1000	\$950	\$850
Regular (Paid after 10/24/17)	\$1050	\$1000	\$875

PAYMENT METHODS:
Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:
Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:
We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:
\$100 between November 23, 2017 and December 23, 2017. No refund after December 23, 2017; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):
FAP lets you accumulate points based on dollars spent with NWAS including net hotel, cruise cabin, and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:
Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.

To register for this program,
and reserve your cabin,
please visit our website: www.nwas.com
or call (800) 222-6927.
