Laura Wells, MPH

 TEXAS PAIN SOCIETY  
[WWW.TEXASPAIN.ORG](http://WWW.TEXASPAIN.ORG)

# MEETING BENEFITS

## WHY ATTEND?

### NOTABLE PAIN MEDICINE-SPECIFIC CME

Presentations will be focus on the most current research and findings in pain medicine. Earn up to 16.5 AMA credits and 4.75 hours of ethics in one weekend from distinguished state and national speakers.

### HOT NEW IDEAS FROM EXHIBITORS

Join the fun and excitement in the Exhibit Hall where physicians have the opportunity to learn about new pharmaceuticals, devices, labs, products and services in pain medicine. Take time to meet the leaders in the industry, review new opportunities and network with others in the field. Remember to take a moment to say thank you to all exhibitors for helping to make this meeting possible!

# GOALS AND OBJECTIVES

After completing this activity, participants should be able to:

- Educate patients on the risks associated with non-compliance, including patient dismissal.
- Describe aspects of the medical marijuana movement in the US and Texas, 2. Discuss the use of medical marijuana for chronic pain, Learn basic issues regarding substance abuse to address pain patients taking medical marijuana.
- Discuss ways to increase practice efficiency and viability.
- Explain the relationship between neuro cells and pain.

## LEARN MORE ABOUT TPS AND BECOME INVOLVED!

Meet new colleagues or reunite with old friends from across the state and network about patients, billing and practice questions, legislative issues and more. Learn more about TPS and what your society does for your practice and pain medicine in Texas. Volunteer to join a committee and become involved.

## WHO SHOULD ATTEND

If you are involved in the practice of pain medicine in Texas, you should plan to attend this one of a kind meeting and become a member of the TPS today!

## REGISTER TODAY TO GET SPECIAL CONFERENCE PRICING!

- Describe the current landscape of substance abuse in Texas, including prescribing considerations.
- Explore the opportunities associated with regenerative medicine.
- Analyze the risks and benefits of non-pharmacologic therapies for pain patients.
- Apply current policy, regulatory, and legislative successes and challenges to your practice.
- Explain the process employed by the Texas Medical Board when reviewing a complaint.
- Discuss challenging cases and their outcomes.

# LOCATION AND TRANSPORTATION DETAILS

## HOTEL

### HYATT REGENCY DALLAS, DALLAS, TX

This year's meeting will take place at the Hyatt Regency Dallas (300 Reunion Boulevard, Dallas, Texas, USA, 75207).
