

22nd NATIONAL PAEDIATRIC CONFERENCE

"Preventing the Preventables Conquering the Obstacles"

07th - 09th November 2025 | Serena Hotel Quetta, Pakistan

Conference Secretariat | Paeds: Ward IV Civil (Sandeman) Hospital Quetta

Dear Friends & Colleagues

Assalam o Alaikum,

On behalf of the organizing committee, We extend our warmest greetings and invite you to attend the upcoming **22nd National Paediatric Conference in Quetta, Pakistan**. The congress will be taking place from **07th to 09th of November 2025**.

Our Theme is **"Preventing the Preventables Conquering the Obstacles"**

The upcoming Conference will emphasize the solid scientific foundations established in previous National Paediatric Conference with a range of special themes covering various aspects of General Paediatrics including all sub specialties.

A unique platform, bringing together all the specialists and world renowned experts with decades of experiences as paediatricians, Paediatric surgeons, Family Physicians, nurses, allied health professionals, General Practitioner, geneticists, and all other super sub specialties related to paediatricians.

This Conference represents a major annual international scientific event for the community, providing an opportunity to review and highlight recent research achievements and technological advancements. Additionally, it has an important public policy objective, seeking to remind our constituencies that children with all sort of diseases should have access to modern medical science and basic health facilities. Our vision has always been to utilize the Conference as a platform to extend health care facilities to underprivileged children in all the cities of Pakistan.

Pakistan is a South Asian country with a rich cultural heritage and stunning natural beauty and we are proud to host the congress in our beautiful capital of Baluchistan. The congress is scheduled to be held in the vibrant city of Quetta, which is renowned for its historical landmarks. Quetta, the capital of Baluchistan province in Pakistan, is known as the "Fruit Garden of Pakistan" due to its rich fruit production. It's also the highest-altitude major city in Pakistan.

The congress will be a premier gathering of esteemed professionals in the field of paediatrics from all around the world, providing a unique opportunity for participants to exchange knowledge, share best practices and collaborate on cutting-edge research in the field of paediatrics.

We hope you will join us in Quetta to be a part of this exciting event and experience the city's renowned hospitality. Sincerely,

The 22nd National Pediatric Conference 2025 invites the submission of abstracts showcasing original contributions in the field of Pediatrics. Abstracts will be considered for oral or poster presentations during the conference.

All participants are kindly requested to review and adhere to the submission guidelines outlined below. The maximum word count for each abstract is 500 words. Abstracts must be structured using the following format:

Background

Clearly state the purpose and objectives of the research, the hypothesis being tested, or a concise description of the issue being analyzed or evaluated.

Method

Detail the study period, setting, and location, along with information about the study population, data collection methods, and the analytical techniques employed.

Results

Summarize the key findings and outcomes of the study in a clear and concise manner, highlighting specific results.

Discussion & Conclusions

Discuss the significance of your findings, interpret the results, and outline their potential implications for future research or clinical practice.

Accommodation

**5 Star 4 star Hotels with Beautiful Scenic Views & Lush Green Gardens
for Luxurious & Comfortable Stay. Details to be Followed**

Networking Events

The Organizing Committee is excited to present a vibrant and engaging social and recreational program designed to complement the main event.

Attendees will have the opportunity to experience the rich local culture, enjoy interactive activities, and build connections in a relaxed and enjoyable atmosphere.

From cultural performances and guided city tours to networking dinners and traditional cuisine tastings, there's something for everyone to enjoy.

Join us for an unforgettable experience beyond the conference sessions!
