Venue:

Shangri La Hotel, Ashoka Road, Janpath,
Connaught Place, New Delhi, India

Attending

Gynaecologists

Urologists

Plastic Surgeons

Aestheticians

Dermatologists

Stem Cell Researchers

Why CosUG?

Cosmetic Gynaecology has become one of the fastest growing subspecialties of elective surgery for women and includes specialists in gynecology, urogynaecology, urology, and plastic surgery. This area of special interest includes both cosmetic procedures to enhance the aesthetic appearance of the vulvo/vaginal region, as well as functional vaginal repairs to enhance or help restore sexual function following the changes that may occur following childbirth and/or aging.

Regenerative Functional Urology is designed to offer you high-level training aimed to benefit your clinical practice. We are encouraged you to discuss and brainstorm with the highly-experienced faculty during the workshop & training.

ATTENDING

- Gynaecologists
- Urologists
- Plastic Surgeons
- Aestheticians
- Dermatologists
- Stem Cell Researchers

You can expect a comprehensive coverage on:

- Male and female anatomy
- Bladder pain syndrome/ Interstitialcystitis
