AHIMA World Congress, the international arm of AHIMA, is dedicated to providing the Gold Standard of membership and membership support, best practices in health information, professional development training and workshops, and certifications to its members, credential holders, and customers around the world. AHIMA members are located in 66 countries with AHIMA credential holders in 44 countries, and international chapters currently in two countries, the United Arab Emirates (UAE) and the Philippines. Additionally, more than 90 countries have requested AHIMA provide training, certifications and membership to healthcare professionals in their country, and AHIMA has provided extensive coding, physician, and healthcare training, testing and resources in the areas of ICD-10 CM/AM Coding, CDI, Data Analytics, Informatics, and Information Governance in the United Arab Emirates (UAE), Qatar, Saudi Arabia, Oman, Turkey, Canada, Australia, the United Kingdom, Belgium, Spain, Germany, Bosnia, India, the Philippines, and others.

About AHIMA

The American Health Information Management Association (AHIMA) is a leading nonprofit professional association representing more than 103,000 health information management (HIM) practitioners worldwide. AHIMA is dedicated to educating, supporting, and promoting HIM professionals to excel in their careers and to deliver value by acquiring, managing, and analyzing information for clinical and nonclinical decision making. AHIMA plays a leadership role in the effective management of health data and medical records needed to deliver quality healthcare and has earned its reputation as the most respected and recognized authority for HIM through its continuous dedication and commitment.

Known throughout the world for its "gold standard" content and rigorous education, training, and certification programs, AHIMA's well-proven content and methodologies benefit thousands of healthcare professionals across all continents, specifically its ten professional certifications, half of which are offered internationally—the Certified Coding Associate (CCA®), Certified Coding Specialist (CCS®), Certified Coding Specialist—Physician-Based (CCS-P®), Certified Documentation Improvement Practitioner (CDIP®), and the Certified Health Data Analyst (CHDA®).
