

DESCRIPTION

AMSN Medical-Surgical Nursing Certification Review Course

This two-day course is an overview of interventions that medical-surgical nurses use to promote quality of life for their clients. Using the nursing process to enhance physical and psychological well-being in clients and their significant others is inherent in the role of the medical-surgical nurse. Taking this course will provide those taking the medical-surgical certification exam with information necessary for success and will include practice exam questions.

For those not taking the test, the course provides an excellent review of the body systems and nursing interventions used as well as objective and subjective data to gather.

Learning Outcome:

At the end of this program, participants will have validated basic foundational knowledge and concepts of medical-surgical nursing and improved preparedness for the CMSRN exam.

Participants are required to wear a mask while attending this event. Social distancing guidelines will also be in place.

We reserve the right to make faculty or program change.

FACULTY

Leisa Kelly is the Clinical Nurse Specialist (CNS) for the Medical and Post- Surgical Divisions at Our Lady of the Lake Regional Medical Center in Baton Rouge, Louisiana. She received her Associate degree from Miami University (of Ohio), Bachelor's degree from Otterbein College, and Master's degree from Ohio State University. She has practiced in a variety of settings including emergency department and medical-surgical nursing. As a CNS, Leisa promotes evidence-based practice through interdisciplinary collaboration, staff nurse education and participation in research projects. She was the recipient of the Clinical Practice Nurse Research of the Year (2013) and Advance Practice Registered Nurse (2015) at the Annual Louisiana ANA Nightingale Awards. She most recently in 2017 was selected to the Great 100 Nurses in Louisiana.

Contact Hours: This educational activity is jointly provided by Anthony J. Jannetti, Inc. (AJJ) and the Academy of Medical-Surgical Nurses (AMSN).

Anthony J. Jannetti, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

AJJ is an approved provider of continuing nursing education by the California Board of Registered Nurses. Provider Number CEP 5387.
