OD CE Credit Information & Course Attendance Verification

Courses are designed to meet requirements for approval of CE credit by the Virginia Board of Optometry and Council on Optometric Practitioner Education (COPE). Courses are generally accepted for CE by most state boards other than Virginia (verification is your responsibility). The VOA assumes no responsibility should a course not be approved by any State Board of Optometry. If required, reporting of course hours to licensing boards is the sole responsibility of the licensee. To obtain credit you must attend the ENTIRE course, attendance will be monitored to comply with Virginia licensing board regulations. Each doctor will be provided a "course card" after the conference via email. To verify attendance you must sign in each day.
