Who should attend:

- ◆ GPs
- ◆ Physicians
- ◆ Radiologists
- ◆ Vascular surgeons
- ◆ Technicians
- ◆ Family medicine practitioners
- ◆ Radiographers
- ◆ Sonographers
- ◆ Healthcare professionals

One of the oldest ultrasound training organisations in the Middle East

Designed for physicians, radiologists, vascular surgeons, sonographers, technicians and healthcare professionals who wish to gain an understanding of the basic principles of vascular ultrasound scanning and abdominal ultrasound.

Delegates will have the opportunity to practice under direct supervision. This develops confidence and creates a long-lasting understanding of proper techniques. Delegates will also have the opportunity to examine volunteers and/or real patients in small guided groups.

Key faculty:

Prof Neil D Pugh

PhD, F Inst P & C Phys
Head & Consultant Vascular, Ultrasound
University Hospital of Wales, Cardiff

Dr Zaid Al Dabbagh

Consultant Radiologist
Royal Free London NHS Trust
Barnet and Chase Farm Hospitals

Dubai Visa & Hotel assistance will be provided

**American Academy of
Preventive Medicine**

IBC is an authorised training centre by KHDA

Established in 2000, IBC is the largest medical training organisation in the Middle East, Africa and the Indian subcontinent. IBC trains, teaches and certifies over 4,000 medical doctors annually in accredited Continuous Medical Education (CME).
