The Sheraton New Orleans Hotel offers the very best in comfort and service. Arise to a breakfast of beignets just steps from the French Quarter. Spend an afternoon shopping Royal Street and the French Market. Relax in Jackson Square or dine at a world famous restaurant. Place yourself in the middle of all the things to do in New Orleans. It's all right here, centrally located on the most celebrated parade route in the world. Guests will enjoy breaking a sweat at Sheraton Fitness, complimentary for all hotel guests and open 24/7, or relaxing in the rooftop pool and sun deck. If you need help planning your free time, the hotel offers a tour desk plus a Louisiana Purchase gift shop for your last minute souvenirs.

While many of the world's finest restaurants are located just outside the hotel doors, guests can have a memorable meal without having to leave the hotel. Roux Bistro, which serves traditional and innovative New Orleans-inspired cuisine for breakfast and lunch is popular among both visitors and locals. Guests can cap off their night in grand style with a cocktail at the Pelican Bar, another favorite spot for New Orleans dining. Beautiful and enchanting, the Pelican Bar is reminiscent of a lavish French Quarter courtyard. The Sheraton New Orleans even has its own Starbucks Coffee so you can kick start your day with a cup of gourmet coffee and a tasty offering from the Starbucks bakery. Traditional Guest Rooms feature 1 King or 2 Double Sheraton Sweet Sleeper™ Beds (based on hotel availability), floor to ceiling windows, coffee maker, Flat Screen LCD TV, safe, hairdryer, iron/board, and more.

The Sheraton New Orleans Hotel is located approximately 16.3 miles from the Louis Armstrong New Orleans International Airport (MSY). Taking a taxi or shuttle to the hotel is easy and cost effective. Valet parking is available for hotel guests (no self-parking) and is approximately is \$40 + tax, per night. **Parking fees subject to change without notice.**

HOTEL RATES: A portion of the room rate is used to provide refreshments during the meeting for participants only. All rooms are non-smoking. Rates plus 13% tax, \$3 Occupancy tax and 1.75% Tourism Support Assessment, per room, per night.

Traditional Room: \$255 (Single/double occupancy)

Traditional Room: \$280 (Triple occupancy)

Traditional Room: \$305 (Quad occupancy)

DEPOSIT REQUIRED: First night's stay deposit check within 10 days of booking, or credit card required to hold your room. Rooms are limited and available only through Northwest Worldwide Travel. Rate and availability not guaranteed until deposit received.

CANCELLATIONS: Cancellations of room reservations accepted without penalty until 5 days prior to arrival. Early departure fees may apply

COURSE DIRECTOR: Brian Allen Bates, MD, FAAP, Pediatric Emergency Medicine, Associate Professor of Pediatrics, Baylor College of Medicine, The Children's Hospital of San Antonio, San Antonio, Texas

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Austin, Texas and Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of additional related disciplines which both impact and are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

Outline comprehensive patient management plans for the special patient population

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint proiership of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 20.00 hour(s) of ACEP Category 1 credit.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CEC; AANA Code #1032620; Expiration Date 5/21/16.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NNAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

“ New Orleans has always been known for its delightful cooking: Creole, Cajun, French, Southern, and almost every other ethnic variety you can think of. ”

New Orleans is a city everyone MUST visit at some time. Come listen to some fabulous jazz, one of the things that has made New Orleans so famous. New Orleans has enough attractions and activities to meet any desire, from dining, shopping, gambling, and touring. New Orleans has always been known for its delightful cooking: Creole, Cajun, French, Southern, and almost every other ethnic variety you can think of.

Another hallmark of the "City that Care Forgot" is the variety of sightseeing activities available. Riverfront activities include River Boat Tours, Bayou Tours, and The Aquarium of the Americas. Historic tours of Antebellum mansions and the above ground cemetery are available. You can visit the zoo or the Museum of Art with the largest collection of Faberge items in the world!

Shoppers will have a field day here. From six-mile-long Magazine Street with its century-old cottages offering collections of local and regional art, specialized clothing, shops, and restaurants, to the antique stores of the French Quarter. Within walking distance of our hotel is Canal Place containing Saks Fifth Avenue, Brooks Brothers, Gucci, and other upscale stores. Just a few blocks away is Riverwalk Mall with over 220 stores.

The French Quarter offers Preservation Hall, where jazz is performed nightly, the French Market, Jackson Square, beautiful architecture, Creole cooking classes, and the famed beignets at Café du Monde!

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.northwestseminars.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 Email: kellee@universaltravel1.com
