Where Debate
& Discussion
Translate to
Breakthroughs

2 Days of Unparalleled Education. Interactive Format. Practical Implications.

Join us for a unique educational experience. In this 2-day debate-style series, nationally recognized thought leaders take opposing sides on clinical—and sometimes controversial—topics currently disrupting the practice of hematology and oncology.

This one-of-a-kind hematology conference provides a substantial curriculum covering the broad continuum of:

- **Multiple Myeloma**
- **Acute Leukemia**
- **Chronic Lymphocytic Leukemia**
- **Chronic Myeloid Leukemia**
- **“Not So Benign” Hematology**
- **Myelodysplastic Syndromes**
- **Myeloproliferative Neoplasms**
- **Lymphoproliferative Diseases**
