

2017 Winter Skin Seminar

Program Overview

This symposium features a comprehensive educational program discussing the most up to date topics in general and medical dermatology, dermatologic surgery, pediatric dermatology, cosmetic dermatology, and dermatopathology. Internationally recognized faculty will provide both scientific and practical sessions in a collegial and casual atmosphere where questions and interactive discussion are encouraged.

The 2017 Winter Skin Seminar will be held in Park City, Utah at The Canyons. Participants can choose from room and suite lodging options that offer all the amenities expected at a premier ski and snowboard destination conveniently located 30 miles from Salt Lake City International Airport. The Canyons Mountain and Park City Mountain allow you to use your lift ticket on both peaks, providing the largest ski/snowboard experience in North America. Park City, UT is just minutes away and the meeting coincides with the last weekend of the Sundance Film Festival, a world famous event showcasing the best in new film. ***Register for the 2017 Winter Skin Seminar by December 15, 2016 to save \$125 off the regular registration fee.***
