

the.difficult airway[™]course[™] EMERGENCY

Intensive
Immersion
Experience

"Pithy, engaging, provocative, and confidence-building. Hands-down the best hands-on relevant course for Emergency Medicine!" Neal Secrist, DO, Wichita, KS

Advanced Education in Difficult and Failed Airway Management

- **Increase mastery** of high risk airway scenarios with new seminars on the anatomically and physiologically difficult airway, as well as updated Code Airway[™] sessions.
- **Stay at the forefront** of airway management science & practice, with new content from the 5th Edition, *The Walls Manual of Emergency Airway Management*.
- **Learn** a rapid & systematic approach to any airway emergency — including new mnemonics!
- **Hone your skills** with proven airway devices.
- **Interact** with world-renowned, expert faculty and learn from their experiences.

"I always come away from this course energized by the exuberant curiosity, camaraderie, teaching, support and pure joy that the faculty exudes consistently!" Cherie Ertha, MD, Ipswich, MA
