About Us

The Talks is formed to arrange international conferences and establish direct communications between the researchers from either similar field or interdisciplinary research activities. We support and promote the free exchange of innovative thoughts in the research areas of Science, Technology, Engineering and Mathematics.

We provide specialized, professional services, and experience from start to finish. Based on our deep associations with an array of convention centers, vendors, and hotel chains, we are devoted to the peak standards of service and reliability. We also encourage and are keen on open communication with the sponsors and the associations. Along with that, we also support project processes, financing, scientific preparation, and industry liaison tracking.

We understand the importance of networking and collaboration for scientific research, and hence, ensure to track more views, genuine feedback, and suggestions from the audience who have incredible insight into the same field.

The Talks provides a valuable means of spreading ideas in ways that are not achieved through the usual scientific meetings. Our focus is to get the best scientific outcome from every event.

How different are we from others?

- Topic specific talks
- Global Collaborations
- Multi-disciplinary talks & events
- Networking specified events
- Indexed journals support
- High designated organizing members
- Collaborative event approach
- Conference Proceedings in reputed journals
- Added advantage to be published in INDEXED journal

Venue & Hospitality

Spain is a surprise to those who have the image of having to fight for towel space at one of its crowded beaches or sipping sangria while watching a bull fight or flamenco. From the ancient monuments left by the Romans and Moors, the medieval castles of the interior, the white villages in inland Andalucía or the vibrant cities of Barcelona and Madrid, there is a great mixture of cultural attractions in Spain.

Venue Address

Crowne Plaza Madrid Airport Hotel
Calle de Lola Flores, 1, 28022,
Madrid, Spain

Top 10 Spain attractions

The grandeur of a caliph's palace, sybaritic sun-drenched Mediterranean beaches, the staccato stamp of a flamenco dancer's heels, the awed hush of pilgrims entering the cathedral at Santiago de Compostela after weeks of walking El Camino. You can find the soul of Spain in tourist attractions such as these, which represent the country's tumultuous history, rich culture, and enchanting natural beauty.

From the sunlight playing endlessly off the "scales" of Gehry's Guggenheim Museum and the throbbing street life of La Rambla and Plaza Mayor to the forest of columns and Moorish arches disappearing into the silent expanse of Cordoba's Great Mosque, Spain exudes a vibrant energy and a captivating blend of past and present. Plan your sightseeing adventures and things to do with our list of the top attractions in Spain.
